Minstrels Leap:

Opera Parody Songs of Blackface Minstrels (1844-1860) Renee Lapp Norris, During the American antebellum period minstrelsy was a ubiquitous form of theatrical entertainment Typically performed by white men in blackface makeup minstrelsy was based in oppressive misrepresentation of people of color and it created enduring stereotypes Beginning in the mid 1840s minstrels burlesqued various types of popular non blackface entertainments including Shakespeare's plays touring European concert musicians and opera which often was performed in the United States in English language adaptations Minstrels burlesques were advertised on playbills and mentioned in the press but there are few sources for their actual music and lyrics The thirty eight pieces of this edition survive as complete discrete songs published as musical sources Minstrels opera parody songs typically recast operatic characters as slaves who are happy childishly reliant on their paternalistic masters and primitively agrarian Such portrayals supported the so called happy darkey caricature that was central to mid century political ideology Minstrels used this imagery to parody up and down social hierarchies exploiting people of color and debasing opera's ostensibly elevated aesthetics Alongside minstrelsy's racial politics the parodies demonstrate creative musical adaptation Each of the thirty eight songs parodies opera differently suggesting minstrels inventiveness The songs are rare and specific examples of the widespread practice of inter genre borrowing and musical arrangement that was fundamental to minstrelsy Content Warning The scores in this edition are intended for research rather than performance Performance of these scores is discouraged The original song titles and lyrics in this edition are evidence of and tools for racial oppression and are maintained here to present an accurate and reliable account of minstrelsy *Ebony*, 1978-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **The Auchinleck Manuscript** Susanna Fein, 2016 Fresh examinations of the manuscript which is one of the chief compendiums of literature in the Middle English period **Ebony**, 1978-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine The Attitude of the Catholic Church Towards Witchcraft and the Allied Practices of Sorcery and Magic Antoinette Marie Pratt, 1906 **Inside the Minstrel Mask** Annemarie Bean, James V. Hatch, Brooks McNamara, 1996-11-29 A sourcebook of contemporary and historical commentary on America's first popular mass entertainment Minstrel Melodies; being a collection of songs by the author of "Field Flowers," etc, 1839 *A Study of the Magic Elements in the Romans D'aventure and the Romans Bretons ...* De La Warr Benjamin Easter, 1906 Minstrel's Serenade Aubrie Dionne, 2014-07-09 He's sworn to protect her but can he save her from himself Danika Rubystone has hated the minstrels ever since her mother ran away with one As Princess she's duty bound to marry Valorian a minstrel from the House of Song But problems in the kingdom are mounting With her father dead she's the sole heir to an imperiled throne and wyverns attack Ebonvale's southern shores But after Danika finds a lone survivor of a

wyvern's attack who holds the key to protecting the kingdom and she finally meets the enchantingly sly Valorian everything changes As Ebonvale's Royal Guard sails with the minstrels to smite the uprising of wyverns Danika dances a line between sticking by duty like her father or following her wild heart like her mother 78 346 Words *Minstrels and Minstrelsy in Late Medieval England* Richard Rastall, Andrew Taylor, 2023 A major new study piecing together the intriguing but fragmentary evidence surrounding the lives of minstrels to highlight how these seemingly peripheral figures were keenly involved with all aspects of late medieval communities Minstrels were a common sight and sound in the late Middle Ages Aristocrats knights and ladies heard them on great occasions such as Edward I's wedding feast for his daughter Elizabeth in 1296 and in quieter moments in their chambers town dwellers heard and saw them in civic processions when their sound drew attention to the spectacle and even in the countryside people heard them at weddings church ales and other parish celebrations But who were the minstrels and what did they do How did they live and how easily did they make a living How did they perform and in what conditions The evidence is intriguing but fragmentary including literary and iconographic sources and most importantly the financial records of royal and aristocratic households and of towns These offer many insights although they are often hard to fit into any coherent picture of the minstrels' lives and their place in society It is easy to see the minstrels as peripheral figures entertainers who had no central place in the medieval world Yet they were full members of it interacting with the ordinary people around them as well as with the ruling classes carrying letters and important verbal messages some lending huge sums of money to the king to finance Henry V's Agincourt campaign in 1415 for instance some regular and necessary civic servants some committing crimes or suffering the crimes of others In this book Rastall and Taylor bring to bear the available evidence to enlarge and enrich our view of the minstrel in late medieval society **Lester Leaps In** Douglas H. Daniels, 2003-02-17 He was jazz's first hipster He performed in sunglasses and coined and popularized phrases like that's cool and you dig He always wore a suit and his trademark porkpie hat He influenced everyone from B B King to Stan Getz to Allen Ginsberg creating a lyrical style of playing that forever changed the sound of the tenor saxophone In this groundbreaking biography of Lester Young 1909-1959 historian Douglas Daniels brings to life the man and his world and corrects a number of misconceptions Even though others have identified Young as a Kansas City musician Daniels traces his roots to the blues of Louisiana and his early years traveling with his father's band and the legendary Oklahoma City Blue Devils Later we see the jazz culture of New York in the early 1940s when Young was launched to national and international fame with the Count Basie Orchestra and began to accompany his close friend Billie Holiday After a year spent in an Army prison on a conviction for marijuana use Young made changes in his music but never lost his sensitivity or soul The first ever to gain access to Young's family and many musicians who performed with him Daniels reconstructs the world in which Young lived and played the racism that he and other black musicians faced the feeling of home and family that they created together on the road and what his music meant to black audiences Young emerges as a kind friend a loving parent and a gentle and
