**Minus Some Buttons** Mark Dunn,1991      **Sand Pies and Scissorlegs** Mark Dunn,1992 This gentle southern comedy by the author of *Belles* and *Minus Some Buttons* is about two sisters and a brother who find themselves at a crossroads in their lives As children they ran away from an unhappy foster home in Ohio and headed for Disney World They made it as far as a small resort town on the Alabama gulf coast where they moved in with a couple with Down s Syndrome who became their surrogate parents It s now one year after the couple s death and tough decisions must be made about the beach house which has been Parry and Joshalynn and Nicky s home for the last twenty years and about what these three will be doing with the rest of their lives It s a play about the sometimes reluctant passage from childhood to adulthood and about how difficult it is to trade the safety and security of youth for the problems and responsibilities of the world of the adult P 4 of cover
