Mirabells Of Number

James Merrill

Mirabells Of Number:

Mirabell, Books of Number James Merrill, 1978 *Mirabell Books of Number* is a volume of poetry the second of three books which together form the epic 560 page poem *The Changing Light at Sandover* which was published as a whole in 1982

The Consuming Myth Stephen Yenser, 1987 Yenser ranges over all of Merrill's writing to date from a precocious book printed when its author was fifteen to his most recent publication a verse play *He* writes about both of the poet's novels and pays particular attention to the epic poem *The Changing Light at Sandover* *This Composite Voice* Mark A. Bauer, 2004-06 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company **The Book of Ephraim** James Merrill, 2018-04-03 For the first time in a stand alone edition the acclaimed poet's classic poem about his communication with Ephraim a guiding spirit in the Other World is here introduced and annotated by poet and Merrill scholar Stephen Yenser *The Book of Ephraim* which first appeared as the final poem in James Merrill's Pulitzer winning volume *Divine Comedies* 1976 tells the story of how he and his partner David Jackson JM and DJ as they came to be known embarked on their experiments with the Ouija board and how they conversed after a fashion with great writers and thinkers of the past especially in regard to the state of the increasingly imperiled planet Earth One of the most ambitious long poems in English in the twentieth century originally conceived as complete in itself it was to become the first part of Merrill's epic *The Changing Light at Sandover* 1982 the multiple prize winning volume still in print Merrill's supreme tribute to the web of the world and the convergence of means and meanings everywhere within it is introduced and annotated by one of his literary executors Stephen Yenser in a volume that will gratify veteran readers and entice new ones **James Merrill** Langdon Hammer, 2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926-95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son's life Wounded by his parents bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one of a kind work *The Changing Light at*

Sandover In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill s chronicles of love loss and the poignant personal journey they record **James Merrill's Apocalypse** Timothy Materer,2000 Materer interprets Merrill s body of work from the perspective of his epic *The Changing Light at Sandover* and shows that in his earliest poems and in the volumes preceding *The Changing Light* Merrill repeatedly expressed his fear of nuclear holocaust and his sense that some momentous revelation was near at hand Materer demonstrates how apocalyptic motifs also inspire *Late Settings* *The Inner Room* and *A Scattering of Salts* BOOK JACKET

The Columbia History of American Poetry Jay Parini,1993-12-23 New York Times Book Review **Poetry & the Dictionary** Andrew Blades,Piers Pennington,2020 This innovative collection of essays is the first volume to explore the many ways in which dictionaries have stimulated the imaginations of modern and contemporary poets from Britain Ireland and America while also considering how poetry has itself been a rich source of material for lexicographers *James Merrill* Reena Sastri,2013-01-11 *James Merrill Knowing Innocence* reevaluates the achievement of this important poet by showing how he takes up an old paradigm innocence and reinvents it in response to new historical scientific and cultural developments including the bomb contemporary cosmology and the question of agency The book covers Merrill s full career emphasizing the late poetry on which there remains little commentary Illuminating both Merrill s relation to a tradition of literary innocence from Milton to Blake and Wordsworth to Emerson and Stevens and his relevance to contemporary cultural debates the rubric of knowing innocence helps us to understand his achievement Merrill undertakes a career long effort to know innocence and develops a thematic and stylistic attitude that is both innocent and knowing combining attitudes of wonder and hope with reflexive wit intellectual breadth and an unflinching gaze at mortality He ultimately imagines innocence as creative agency a capacity for imagination invention and ethical responsibility The book demonstrates how addressing questions of sexual identity childhood and memory atomic science the big bang and black holes environmental degradation AIDS and the notion of the death of history while honoring poetry s essential qualities of freedom and play his poems perform cultural work crucial to his time and ours **Rejoining the Common Reader** Clara Claiborne Park,1991 *Rejoining the Common Reader* is suffused with the impulse that motivates Clara Claiborne Park s distinguished writing and teaching the desire to related literature to the experience of its readers This humane balanced and entertaining book will appeal to anyone who longs to recapture the pleasure of reading for personal enrichment and to teachers of literature who have grown to resent the intrusiveness of theory and theorizing and wish to reexamine what they are doing to for and with their students *Nothingism* Jason Schneiderman,2025 Exploring the form and significance of poetry in a digital age

Chaosmos Philip Kuberski,1994-07-01 This book shows how writers like James Joyce James Merrill and Doris Lessing scientists like Gregory Bateson Ilya Prigogine and David Bohm and theorists like Jacques Derrida Jacques Lacan and Michel Serres forecasted and initiated a shift away from modernist conceptions of the world as a machine the self as an isolated enclosed principle and representation as a reductive survey of the world and the self The focus of this book is the chaosmos a Joycean coinage apparent within the atom and also within analogous nuclear sites such as the self the word the organism and the world By chaosmos Kuberski intends a unitary and yet untotaled a chiasmic concept of the world as a field of inevitable and intermittent interference and convergence a multi leveled complexity from which emerge organisms languages and selves In exploring and mapping chaosmos Kuberski emphasizes significant convergences of literary and philosophic deconstructive and organic Eastern and Western and scientific and humanistic points of view

The Poetics of the Everyday Siobhan Phillips,2010 Wallace Stevens once described the malady of the quotidian lamenting the dull weight of everyday regimen Yet he would later hail that which is always beginning over and over recognizing if not celebrating the possibility of fresh invention Focusing on the poems of Wallace Stevens Robert Frost Elizabeth Bishop and James Merrill Siobhan Phillips positions everyday time as a vital category in modernist aesthetics American literature and poetic theory She eloquently reveals how through particular but related means each of these poets converts the necessity of quotidian experience into an aesthetic and experiential opportunity In Stevens Phillips analyzes the implications of cyclic dualism In Frost she explains the theoretical depth of a habitual middle way In Bishop s work she identifies the attempt to turn recurrent mornings into a ceremony rather than a sentence and in Merrill she shows how cosmic theories rely on daily habits Phillips ultimately demonstrates that a poetics of everyday time contributes not only to a richer understanding of these four writers but also to descriptions of their era estimations of their genre and ongoing reconfigurations of the issues that literature reflects and illuminates

Ghostwriting Modernism Helen Sword,2018-05-31 Spiritualism is often dismissed by literary critics and historians as

merely a Victorian fad Helen Sword demonstrates that it continued to flourish well into the twentieth century and seeks to explain why Literary modernism she maintains is replete with ghosts and spirits In *Ghostwriting Modernism* she explores spiritualism s striking persistence and what she calls the vexed relationship between mediumistic discourse and modernist literary aesthetics Sword begins with a brief historical review of popular spiritualism s roots in nineteenth century literary culture In subsequent chapters she discusses the forms of mediumship most closely allied with writing the forms of writing most closely allied with mediumship and the thematic and aesthetic alliances between popular spiritualism and modernist literature Finally she accounts for the recent proliferation of a spiritualist influenced vocabulary ghostliness hauntings the uncanny in the works of historians sociologists philosophers and especially literary critics and theorists Documenting the hitherto unexplored relationship between spiritualism and modern authors some credulous some skeptical Sword offers compelling readings of works by James Joyce T S Eliot W B Yeats H D James Merrill Sylvia Plath and Ted Hughes Even as modernists mock spiritualism s ludicrous lingo and deride its metaphysical excesses she finds they are intrigued and attracted by its ontological shiftiness its blurring of the traditional divide between high culture and low culture and its self serving tendency to favor form over content medium so to speak over message Like modernism itself Sword asserts spiritualism embraces rather than eschews paradox providing an ideological space where conservative beliefs can coexist with radical even iconoclastic thought and action
