Dale C. Allison, Jr.

Miracle Detective An Investigation Of Holy Visions:

The Miracle Detective Randall Sullivan, 2004 An examination of the longest running Marian apparitions in history and the author's own faith and beliefs as he himself becomes a miracle detective are at the heart of Sullivan's stunning new book *The Miracle Detective*

The Miracle Detective Randall Sullivan, 2005-03-18 An examination of the longest running Marian apparitions in history and the author's own faith and beliefs as he himself becomes a miracle detective are at the heart of Sullivan's stunning new book *The Miracle Detective*

Medjugorje and the Supernatural Daniel Maria Klimek, 2018-03-01 In June 1981 six young Croats in the village of Medjugorje in the former Yugoslavia reported that the Virgin Mary had appeared to them. The Medjugorje visionaries say that Mary has returned every day since then bringing them important messages from heaven to convey to the world. Throughout history people have reported encountering extraordinary religious experiences: apparitions of the Virgin Mary, visions of Jesus Christ, weeping statues and icons, the stigmata, physical healings and miracles, and experiences of the afterlife, and interpreted them as supernatural in origin. Scholars have often tried to reinterpret such experiences including those described by the great mystics like Francis of Assisi, Catherine of Siena, and Teresa of Avila into natural or psychopathological categories such as hysteria, hallucination, delusion, epileptic seizures, psychosis, the workings of the unconscious mind, or fraud. Are such reductionist explanations valid? Over the past three decades the Medjugorje visionaries have been subjected to extensive medical, psychological, and scientific examination, even while undergoing their visionary experiences. Daniel Klimek argues that the case of Medjugorje affords a rare opportunity to understand a deeper dimension of extraordinary religious phenomena. Presenting and analyzing the scientific studies on the visionaries in juxtaposition with the major scholars and debates surrounding religious experience, Klimek concludes that a multidisciplinary approach grants a more holistic and deeper understanding of such extraordinary religious experiences.

The Third Miracle Bill Briggs, 2012-11-13 Part detective story and part courtroom drama with a touch of the supernatural. *The Third Miracle* exposes for the first time ever the secret rituals and investigations the Catholic Church today undertakes in order to determine sainthood. On a raw January 2001 morning at a Catholic convent deep in the Indiana woods, a Baptist handyman named Phil McCord made an urgent plea to God. He was by no means a religious man, but he was a desperate man. McCord's right eye was a furious shade of red and had pulsed for months in the wake of cataract surgery. He had one shot at recovery, a risky procedure that would replace part of his diseased eye with healthy tissue from a corpse. Dreading the grisly operation, McCord stopped into the convent's chapel and offered a prayer, a spontaneous and fumbling request of God: "Can you help me get through this?" He merely hoped for inner peace, but when McCord awoke the next day, his eye was better, suddenly and shockingly better. Without surgery. Without medicine. And no doctor could explain it. Many would argue that Mother Thodore Guerin, the long-deceased matriarchal founder of the convent, had interceded on McCord's behalf. Was the healing of Phil McCord's eye a miracle? That was a question that the Catholic Church and the pope himself would ultimately

decide As part of an ancient and little known process top Catholic officials would convene a confidential tribunal to examine the handyman s healing to verify whether his recovery defied the laws of nature They would formally summon McCord his doctors coworkers and family to a windowless basement room at the Archdiocese of Indianapolis They would appoint two local priests to serve the roles of judge and prosecutor And they would put this alleged miracle on trial all in an effort to determine if Mother Th odore whose cause for beatification and canonization dated back to 1909 should be named the eighth American saint In The Third Miracle journalist Bill Briggs meticulously chronicles the Church investigation into this mysterious healing and offers a unique window into the ritualistic world of the secretive Catholic saint making process one of the very foundations on which the Church is built With exclusive access to the case and its players Briggs gives readers a front row seat inside the closed door drama as doctors are grilled about the supernatural priests doggedly hunt for soft spots in the claim and McCord comes to terms with the metaphorical third miracle his own reconciliation with the metaphysical As the inquiry shifts from the American heartland to an awaiting jury at Vatican City in Rome Briggs astutely probes our hunger for everyday miracles in an age of technology the Catholic Church s surprisingly active saint making operation and the eternal clash of faith and science

Christian Prophecy Niels Christian Hvidt, 2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God s salvation in Christ is still far away This is the position that Hvidt forcefully and

persuasively defends and develops in this ambitious and important work The Resurrection of Jesus Dale C. Allison, Jr.,2021-03-11 The earliest traditions around the narrative of Jesus resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn't

Exploring the Miraculous Michael O'Neill,2015-12-31 Come explore the miraculous with Miracle Hunter Michael O'Neill O'Neill a graduate of Stanford University member of the Mariological Society of America and host of the television series Miracle Hunters takes you on an amazing tour of miracles large and small and answers some of our most burning questions Are miracles all that important What do miracles have to do with me How does the Church determine if a miracle is valid What do miracle cures have to do with canonization Do saints perform miracles What are apparitions and why do they appear What's a Eucharistic miracle Can statues icons or effigies really be miraculous What about incorruptibles and stigmata Thoroughly researched and documented Exploring the Miraculous will enlighten and fascinate but most of all will guide us to Christ who is the center of our lives and the true object of our faith

Resurrecting Jesus Dale C. Allison, Jr.,2005-08-18 Jesus remains a popular figure in contemporary culture and Allison remains one of our best interpreters He speaks around the country in a variety of venues on matters related to the study of the Historical Jesus In his new book he focuses on the historical Jesus and eschatology concluding that the Jesus was not a Hellenistic wonder worker or teacher of pious morality but an apocalyptic prophet In an opening chapter that is worth the price of admission Allison astutely and engagingly captures the history of the search for the historical Jesus He observes that many contemporary readings of Jesus shift the focus away from traditional theological Christological and eschatological concerns In provocative fashion He takes on not only the Jesus Seminar but also other Jesus interpreters such as N T Wright and Marcus Borg

The Existence Of God And The Faith... Howard P. Kainz,2010-10 The Newest Testament M . B . Goldstein,2013-10-16 Dr M B Goldstein was encouraged at a young age to question the beliefs of his people Free to discover God in his own way Goldstein passionately searched for God through history science and mental and spiritual analysis Now in his comprehensive study of the psychological analysis of faith Goldstein shares insight and knowledge he gained in his unique spiritual journey seeking to help anyone who wishes to learn more about the history and philosophy of religious belief Dr

Goldstein a retired psychiatrist and professor of psychiatry relies on twenty years of extensive research including the study of more than five hundred of the most important works of religion history and philosophy to offer a step by step investigation of the important contributions to the major religions and philosophies of belief As Goldstein traces six thousand years of history through to modern humanity he highlights the differing views existing among religious and scientific communities regarding the creation of the universe the human involvement with faith and the ways God beliefs have evolved over time The Newest Testament provides an introspective look at religion and beliefs by exploring and attempting to bridge a divide through understanding facts and intelligent faith

Lost Ecstasy June McDaniel, 2018-06-26 This book is a study of religious ecstasy and the ways that it has been suppressed in both the academic study of religion and in much of the modern practice of religion It examines the meanings of the term how ecstatic experience is understood in a range of religions and why the importance of religious and mystical ecstasy has declined in the modern West June McDaniel examines how the search for ecstatic experience has migrated into such areas as war terrorism transgression sexuality drug use and anti institutional forms of spirituality She argues that the loss of religious and mystical ecstasy as both a religious goal and as a topic of academic study has had wide ranging negative effects She also proposes that the field of religious studies must go beyond criminalizing trivializing and pathologizing ecstatic and mystical experiences Both religious studies and theology need to take these states seriously as important aspects of lived human experience

The Living Church , 2004-07

Enchanted New York Kevin Dann, 2016-03-15 A fantastical field guide to the hidden history of New York s magical past Manhattan has a pervasive quality of glamour a heightened sense of personality generated by a place whose cinematic literary and commercial celebrity lends an aura of the fantastic to even its most commonplace locales Enchanted New York chronicles an alternate history of this magical isle It offers a tour along Broadway focusing on times and places that illuminate a forgotten and sometimes hidden history of New York through site specific stories of wizards illuminati fortune tellers magicians and more Progressing up New York s central thoroughfare this guidebook to magical Manhattan offers a history you won t find in your Lonely Planet or Fodor s guide tracing the arc of American technological alchemies from Samuel Morse and Robert Fulton to the Manhattan Project to Mesmeric physicians to wonder working Madame Blavatsky and seers Helena Roerich and Alice Bailey Harry Houdini appears and disappears as the world s premier stage magician s feats of prestidigitation fade away to reveal a much more mysterious and meaningful marquee of magic Unlike old world cities New York has no ancient monuments to mark its magical adolescence There is no local memory embedded in the landscape of celebrated witches warlocks gods or goddesses no myths of magical metamorphoses As we follow Kevin Dann in geographical and chronological progression up Broadway from Battery Park to Inwood each chapter provides a surprising picture of a city whose ever changing fortunes have always been founded on magical activity

The Publishers Weekly , 2004

Studies in Matthew Dale C. Allison, 2005-11 A leading Matthean scholar blends exegesis history of interpretation and theological

reflection to offer illuminating studies on the First Gospel **Why Jesus Returned** Peter Walton,2020-07-21 For as Jonas was three days and three nights in the whale s belly so shall the Son of man be three days and three nights in the heart of the earth Matthew 12 40 The premise of this book is that during these three days Jesus was bombarded with images from Satan of future human events trying to convince him that he should not return to the Earth versus images from God s angels showing him future human events to convince him to return Here s a few examples of the over forty chapters of the book I Wear the Chain I Forged in Life Alone with the Sky Nature and God That Others May Live The Evolution Scam Broken Down Computers *Purgatory* Kristof Vanhoutte,Benjamin W. McCraw,2017-09-15 This book examines the concept of Purgatory However in contradistinction to the many monographs and edited volumes published in the past 50 years devoted to historical cultural or theological treatments of Purgatory especially in proportion to the voluminous output on Heaven and Hell this collection features papers by philosophers and other scholars engaged specifically in philosophical argument debate and dialogue involving conceptions of Purgatory and related ideas It exists to broaden the discussion beyond the prevailing trends in the academic literature and fills an important intellectual gap **The Catholic Periodical and Literature Index** ,2004 *The A to Z of Bosnia and Herzegovina* Ante Cuvalo,2010-04-08 Diversity has always been at the heart of Bosnia and Herzegovina s character even its dual name and physical geography display a particular heterogeneity The medieval Bosnian state never enjoyed lasting political and ideological unity as its feudal regional and religious rifts pulled at the country s seams Furthermore because of its location and by a quirk of history three major world religious and cultural traditions Catholicism Islam and Orthodoxy became cohabitants in this small Balkan country Recently the rebirth of its statehood has been exceptionally bloody and its diversity has been shaken Even 11 years after the guns were silenced the country is still under the benevolent protection of the international community whose officials are keeping the state building process in perpetual suspense with no final result in sight The A to Z of Bosnia and Herzegovina sheds light on the uncertain situation Bosnia and Herzegovina faces while providing essential background information This is accomplished through a chronology an introduction a bibliography and more than 300 cross referenced dictionary entries on individual topics spanning Bosnia and Herzegovina s political economic religious and social system along with short biographies on important figures The Washington Post Index ,1989

Miracle Detective An Investigation Of Holy Visions Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change.
