performers but none is to be found Many books are available about only one or two media The author hopes that this book will spark the readers interest in the great stars of the past and propagate this forward particularly to the younger generation All the data in this book is publicly available piecemeal but this book consolidates and makes it more pleasurable and easier for the reader to acquire the fun and sometimes trivial information **The Desolation of a Tortured Soul**

George Colby Hoffman, 2013-06 My story begins in my home state of Maryland where I was the youngest of three children From my earliest memories I was the victim of severe abuse at the hands of my birth father which I endured throughout my adolescent years During this time I was visited by two angels who have accompanied me my entire life They told me that I would suffer many things and be hated by all men but if I kept my faith in God I would have a special place in heaven Once my mother left my birth father she moved us to her mother s house in Washington D C Then my mother married my second father who was from Germany We moved back to Maryland but he had a serious drinking problem and he committed suicide She then married our third father and we moved to Florida where he too became abusive When our grandmother died we moved back to Maryland My third stepfather continually beat me It became so bad I had to live in the woods in the winter and eat out of trash cans After I got a job my mother took most of my paycheck for her husband s drinking and gambling money This story of extreme child abuse promises to take you on a journey through the eyes of a child as the victim to the young adult as the survivor My sole purpose and motivation is to help child abuse victims and help those more fortunate to understand the victims First time author George Colby Hoffman now lives in Florida His next book is titled From Exercise to Competitive Bodybuilding for the over 50 Publisher s website <http://sbpra.com> GeorgeColbyHoffman
