

MIRACLE  
DAY

A graphic featuring the words "MIRACLE" and "DAY" in a bold, bubbly, dark blue font. The text is set against a bright yellow, cloud-like background. Four dark blue stars are positioned around the text: one above the 'M', one above the 'E', one below the 'D', and one below the 'Y'. Each star contains a small white spiral. The entire graphic is set against a white background with faint, repeating watermarks of the word "dreamstime" and a spiral icon.

- 9 One message given in Los Angeles California on August 9 This message is published in this volume under the title The Structure of the Book of Psalms

**Better Than a Stick in the Eye** Ziba Graham Jr, 2009 Many of the people I counseled would ask what they could do if they got stuck again They wanted to know if there was something they could do on their own instead of coming back to counseling They asked me to give them some background on how I was able to help them resolve their conflicts and provide them with a step by step guide to repair their relationships again This book is the response to that request The book is based on the ZG method which I used in counseling for over ten years This isn t a book of helpful hints from some expert rather it promotes change by asking future oriented questions so the participants can find their own solutions Following this method is as simple as following the script with over thirty sample questions to choose from Directions are given on what to say and what not to say Other parts of the book stress how to stay positive and utilize a person s strengths through the whole process The theory behind the ZG method is discussed and the actual mechanics of the method are explained in great detail The book talks about positive change and how to bring it about using many examples It explains in great detail using a step by step format how to use the ZG method at home and in the workplace to resolve conflicts Another advantage of using this method is that it doesn t go to the past and revisit past hurts so it isn t a painful

experience Whether you need to work on your own relationships or you would like to help someone else with relationship conflicts this book is very helpful     A Homiletic Encyclopaedia of Illustrations in Theology and Morals Robert Aitkin Bertram, 1889
