R. Fallin, 2025-06-24 Evangelical identity in the United States has become increasingly contested over the past several years as many try to fathom adherents motives *Seeing Right* suggests that it is through the exploration of aesthetic texts that we can better understand With a focus on highlighting Evangelical virtues and vices *Seeing Right* analyzes the aesthetics fundamental to Evangelical identity and moral formation Aesthetic texts and practices represent a fundamental source of Evangelical moral formation providing a narrative that shapes imaginations and dispositions Jason Fallin traces the process of formation as it grows out of Evangelical interactions with the aesthetic texts produced by Operation Christmas Child the radio stations of K Love and Christian cinema He then discovers the relationship between Evangelicals engagement with these aesthetic texts and the practices they animate Moral formation is key for all Christianity thus through these processes at work in Evangelical culture *Seeing Right* offers insight both into Evangelical development and into the processes that fund one s own formation
