Miracles And How To Work Them:

The Working of Miracles and Other Prophetic Writings H. A. Maxwell Whyte, 2019-06-04 This collection of three prophetic books by beloved author H A Maxwell Whyte all deal with the spiritual gift the apostle Paul calls the working of miracles 1 Corinthians 12 10 The Working of Miracles looks at the powerful and prophetic outpouring of the Holy Spirit in the believer's life It unpacks the principals involved in the working of miracles and the explanation of what a miracle really is The Prophetic Word reveals the amazing power of the Word of God when spoken through His anointed vessels Pulling Down Strongholds calls the church to take its rightful place in God's plan to throw off every form of bondage to Satan and to destroy his dominion on earth in these last days Together these three classic charismatic teachings will inspire readers to boldly pursue the prophetic spiritual gifts and to stand in the spiritual victory God has promised **Miracle Work** Jordan Seng, 2013-07-08 In Miracle Work Jordan Seng tells remarkable stories of physical healings and prophetic messages His reflections explore the challenges of relying on God's power in contemporary ministry and help us train and prepare ourselves for the manifestation of power in our work with others Metropolitan Pulpit and Homiletic Monthly, 1901

Book 11 Miracle Working HC Kurt Jurgensmeier, 2012-08-22 Is God still doing miracles today Because of the many claims of charismaticism a rather detailed biblical study of the matter is warranted We defend the following conclusions Modern miracle workers cannot demonstrate the attributes of biblical ones and are lying when they claim similar gifts There are no God sent miracle workers in Scripture that were not also sources of new direct divine revelation to be believed and obeyed as the word of God The faith to perform or receive a miracle is just as supernatural and God given as the miracle itself and modern faith healers are wrong to blame disappointed followers for their lack of such faith The Church has universally testified that the gifts of miracle working ceased in the early Church with the completion of the NT The fraud in the modern miracle movement has been immense Other legitimate explanations for modern miracles are intriguing and even alarming
