## **Miracles A Parascientific Exploration Of Wondrous Phenomena:**

Parapsychology Jane Henry, 2005 Beginning with an introduction to the methodology this book provides the reader with a sympathetic yet critical overview of current research into unexplained phenomena including visions telepathy psychokinesis and out of body experiences      Awakening the Soul Bill Missett, 2008-05-21 Awakening The Soul The Trilogy includes ATS Book One Proof of Our Spiritual Nature which itemizes more than 80 characteristics of our spiritual nature many very familiar and explains 10 of them in depth ATS Book 2 Our Suppressed Spiritual Nature which explains why we are so out of touch with our spiritual nature primarily through suppression of those traits by religions primarily Christianity and ATS Book 3 Restoring Your Spiritual Nature contains detailed channeled instructions to restore immediate awareness of your spiritual nature which has proven highly successful in doing just that      **Wondrous Events** James McClenon, 2016-11-11 James McClenon examines the relationship between wondrous events extrasensory perception apparitions out of body and near death experiences sleep paralysis psychokinesis firewalking psychic surgery and spiritual healing and the foundations of religious belief      **The Paranormal** Eric Carlton, 2017-11-22 This title was first published in 2000 A manifestation of mass hysteria a compensation for physical or emotional deprivation or an alternative to religion What is the function of the paranormal in society This question and its many possible answers are the subject of this scholarly study of our enduring fascination with experiences for which science provides no ready explanations From the ancient cultures of Mesopotamia and Egypt to the present day Eric Carlton surveys the development of ideas and research associated with the paranormal culminating as it does today in the recognized academic status accorded to parapsychology With a critical yet open mind Carlton explores issues associated with the study of the paranormal such as witchcraft beliefs near death experiences and the UFO phenomenon Case studies are employed to illustrate and illuminate certain examples and theories This thought provoking book concludes that the paranormal and our study of it provides a multi faceted vehicle for humanity s quest to find meaning in life      **700 Conscientiology Experiments** Waldo Vieira, 2018-08-22 A reference work on conscientiology this treatise with more than 5 000 entries in the bibliography first published in Portuguese in 1994 presents the reader with the bases of the neoscience conscientiology The author proposes 300 tests for self application dealing with topics of great relevance such as assistance the theory of thosene thought sentiment and energy and the theories of inversion and existential recycling among others The work presents conscientiology as the science applied to the study of consciousness ego personality in an integral approach with all its vehicles of manifestation bodies previous existences and attributes The content being deepened and presented in a theoretical and practical way so a reader understands the importance of this knowledge to their life The science of conscientiology utilizes the best of the main lines of human knowledge common sense religion philosophy political ideology and conventional science and is based on multidimensional self experience having consciousness as both the instrument and object of research      Parapsychology, Philosophy, and Spirituality David Ray

Griffin,1997-01-09 In this book David Ray Griffin best known for his work on the problem of evil turns his attention to the even more controversial topic of parapsychology Griffin examines why scientists philosophers and theologians have held parapsychology in disdain and argues that neither a priori philosophical attacks nor wholesale rejection of the evidence can withstand scrutiny After articulating a constructive postmodern philosophy that allows the parapsychological evidence to be taken seriously Griffin examines this evidence extensively He identifies four types of repeatable phenomena that suggest the reality of extrasensory perception and psychokinesis Then on the basis of a nondualistic distinction between mind and brain which makes the idea of life after death conceivable he examines five types of evidence for the reality of life after death messages from mediums apparitions cases of the possession type cases of the reincarnation type and out of body experiences His philosophical and empirical examinations of these phenomena suggest that they provide support for a postmodern spirituality that overcomes the thinness of modern religion without returning to supernaturalism **Miracles** Michael Arvey,1990 Presents opposing views of the experts about unusual events such as apparitions of saints the stigmata miracles healings miraculous images etc *Miracles, a Parascientific Inquiry Into Wondrous Phenomena* D. Scott Rogo,1982 A parapsychologist's examination of purportedly miraculous occurrences and objects around the world includes photographic evidence and seeks to provide an explanation of their sources and incidence **We Don't Die** Joel Martin,Patricia Romanowski,2002-08-06 This is the phenomenal true story of the world renowned psychic medium George Anderson the groundbreaking book that first brought afterlife experience into the light For over 12 years Joel Martin documented evidence of Anderson's powers the ability to reach the other side and repeatedly astonished believers and skeptics This is the book of those universal visions the inspiring messages of hope truth and peace and a glimpse into eternity to answers to the unfathomable questions about life and death *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), **The Haunting of Twentieth-Century America** William J. Birnes,Joel Martin,2011-09-13 In this sequel to *The Haunting of America* national bestselling authors Joel Martin and William J Birnes bring up to the present the story of how paranormal events influenced and sometimes even drove political events In unearthing the roots of America's fascination with the ghosts goblins and demons that possess our imaginations and nightmares Martin and Birnes show how the paranormal has driven America's political public and military policies The authors examine the social history of the United States through the lens of the paranormal and investigate the spiritual events that inspired momentous national decisions UFOs that frightened the nation's military into launching nuclear bomber squadrons toward the Soviet Union out of body experiences used to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians *The Haunting of Twentieth Century America* is a thrilling evidencebased exploration of the often unexpected influences of the paranormal on science medicine law the government the military psychology theology death and dying spirituality and pop culture At the Publisher's request this title is being sold without Digital Rights Management Software
