

A scenic landscape featuring a calm river or lake in the foreground, reflecting the sky and surrounding trees. The trees are lush and green, with some showing hints of autumn colors. The sky is filled with soft, white clouds. The overall mood is peaceful and serene.

If you can't  
get a miracle,  
become one.

Cultures in our world often endorse the acceptability of beliefs and behaviors that God does not approve of Can a man be wiser than God The answer to that question from the Christian biblical perspective is Absolutely not Viewing women as objects of lust and not people of value who Jesus sacrificed His life to save and redeem is one of the problems of this world we live in This Christian fiction novel I wrote aims to shine the light of Jesus Christ on the consciousness of the reader partly in an attempt to uncover and expose the lies of the enemy about the consequences of sexual sins There is only one truth and that is found in the gospels of Jesus the Messiah There are some that want people and women specifically to be blind to the destructive nature of sin because misery loves company and because a predator wants prey The fact is that there are many great reasons to obey God in this area of life including preventing sexually transmitted diseases eliminating the possibility of an unwanted pregnancy or abortion having the support of a God fearing spouse to manage the difficulties of life and raising children together and even financial security because of the commitment and trust in a Christian marriage that is truly devoted to God In this book you will read about a prodigal daughter named Magdalene I'm sure that name is familiar to Bible readers Magdalene's various experiences through her journey of life which I created as an expression of literary art illustrate the importance of making good decisions when tackling real life issues in our world today such as those mentioned above Even more real is the Savior of this world that Magdalene encounters who welcomes her as a loving Father The parable Jesus teaches us in Luke 15 found in the Bible inspired me to write this book When Magdalene accepts Jesus into her heart after an encounter with a special person sent to her by God Magdalene also learns to take accountability for her own mistakes In this way she finds forgiveness repentance and a closer relationship with Jesus that brings her a new and better life Magdalene leaving her old life and turning toward Jesus is the exciting part of this book I am not going to give any spoilers because I want you to read this book and find out for yourself what happens I wrote this book for the saved and the lost so if you are a prodigal son or daughter then this book is for you too My hope is that some women might read this book who identify with Magdalene's lifestyle at the beginning of the book and that those readers feel the Holy Spirit calling them to make a decision to live by faith in Jesus Christ as happens to several characters in this book Jesus is real God loves you no matter what you've done because of His goodness not because any of us can ever earn His love and goodness God's grace is always a gift For by grace you have been saved through faith and this is not of yourselves it is the gift of God not a result of works so that no one may boast Ephesians 2:8-9 NASB **Miracle at Colts Run Cross** Joanna Wayne, 2008-11-01 Nick Ridgely prided himself on his control but nothing prepared him for that phone call When Nick discovered his twin boys had been kidnapped he vowed to

do whatever it took to get them back even if that meant facing his ex wife and the attraction he thought he buried months ago Having her ex husband back in her life was not what Becky Collingsworth asked Santa for this year Determined to remain guarded Becky worked with Nick to find their sons But what would she do about the onslaught of emotions she still felt for her irresistible ex

**Ordinary Miracles** S. David Nathanson, 2007-04-30 After nearly three decades of providing

medical care for women and men facing breast cancer surgeon S David Nathanson calls the survival rates today an ordinary miracle Ordinary because the vast majority of patients now do live at least 20 years after diagnosis due to enormous progress that has been made in medicine and a miracle too because of the intangible qualities such as faith and hope that seem key to success in battling the disease In this book survivors describe their experiences emotions and means to overcome the disease S David Nathanson is an esteemed longtime surgeon who calls the survival rates today for women and men facing breast cancer nothing short of an ordinary miracle Ordinary because the vast majority of patients live at least two decades after diagnosis due to great advances that have been made in early detection surgery radiation and chemotherapy But also a miracle because we know that key elements for a woman or man succeeding in a personal battle against breast cancer include completely intangible qualities of courage fortitude trust persistence faith and hope Although science cannot completely explain it a supportive network of family and friends with those qualities also empower patient survival and recovery In these pages Nathanson shares stories from his patients teaching us about the experience of breast cancer and explaining how they found and fueled the will and power to defeat the disease Even surgeon Nathanson himself cannot fully describe what goes through the hearts and minds of breast cancer patients as they discover deal with and finally triumph over the diagnosis So in this book he acts as a narrator letting his ordinary yet miraculous cancer survivors tell their stories certainly filled with fear of the known and unknown and with pain but opening up to courage love sometimes humor and finally hope It is hope that firms up their resilience hope that initiates their fortitude Hope is an important component of healing says the surgeon Seventy one survivors including one man tell their stories to illustrate every step of the experience
