Sunset ,1910 *Miracles of Simple People* Tabor Hermon,2022-11-03 *Miracles Of Simple People* is a collection of miracles by average people It is best read in small increments Actually that is a plus to many people You can put it down at any point It is best to digest a little at a time Actually everything in life is No traditional table of contents yet a guide to particular stories We all have miracles Not claiming anything special No one is better than anyone else Miracles are not understood by us however it is just another occurrence to God You will gain a lot of inspiration from these stories You are not alone Simple people feel the same in their heart as they act outwardly Many miracles are what I thought of as uncommon but are not An example would be people disappearing Tumors too Anything is possible if you remove doubt Be it so according to your faith If you do not believe in God before you read this you may afterward There are many things we cannot explain Atheist point of view is understandable Many people claim to be Christian yet act worse than non believers Regardless the truth changes for no one We change all the time God never changes Perhaps we think he does but he knows the outcome of all things We look at a day week or month God looks at things from an eternal point of view We should treat every person like they are Jesus What you do to the least of your brothers you have done to me Bible scripture Not every person in this book is a Christian Believers feel the bible was inspired by God Yet all agree it was written by man No person could conceive all of the things in the bible Some feel it is a fairytale What an incredible imagination Even the word imagine comes from image We are an image of God The biggest difficulty is interpretations There are millions yet one truth Not claiming to totally understand God You cannot understand the infinite from a finite perspective **Dreams, Ghosts and Miracles** CB
