D. Ayer, 2001 Visit our website for sample chapters      Contracts versus who God is Gery Malanda, In the days of Jesus the people used to work for twelve hours in a day They would receive a wage of one denarius for that twelve hour shift Jesus tells us that the Landowner is God the Father When we are serving God we can expect to receive something from Him God Himself tells us that it is not in vain that we are serving the Lord He is no respecter of persons and treats all the same He is an honest employer      *David's Sexual Sin Exposed* Gery Malanda, Often when we have surrendered our lives to Jesus Christ and are looking to live a biblical Christian life the lustful desires of the flesh can present as a stumbling block Most often these thoughts and sexual desires can prompt feelings of guilt and condemnation especially when the body of Christ is not addressing sexual immorality and appears to tolerate it Whilst they were still in the world women will have undergone abortions and others would have engaged in sexual immorality Once committed in living a Christian life the guilt

and shame of the past life can leave thoughts of being the worst sinners compared to their brethren Brother Gery Malanda Apostle and Leader of House Of Prayer For All Nations Europe and Teacher on TBN Voice of Healing UK takes a refreshingly honest and scriptural look on dealing with lustful sexual thoughts abortion masturbation and the husband wife of the night phenomenon Brother Gery reflects on his own personal experiences and draws from the testimonies of others to address the issues that often the body of Christ is shy to discuss Brother Gery provides a biblical guideline on seeking a godly husband and wife What does the bible give as the criteria and the steps according to the word of God one should consider He also points out God s view on fake marriages and issues a warning to those contemplating it Lastly Brother Gery has demonstrated through the Word of God that it s possible to walk in the highway of holiness how to be transformed and transfigured and how to be a disciple of Jesus Christ not just a mere convert In a society where sexual immorality is ripe how can a Christian ensure that they are not conformed to the world but have renewed their mind This book is a wonderful guide as a look in the mirror to discern if you are still walking in the highway of holiness

*The Power of Confession* Gery Malanda, Confession is a word we have heard often but not truly had a biblical understanding of it Confession has been associated with religion where we confess our sin or has been likened to a declaration Brother Gery Malanda Apostle and Leader of House Of Prayer For All Nations Europe and Teacher on TBN s Voice of Healing UK gives a biblical teaching on what is confession He explores what the bible teaches on confession of sin and the power of the blood of Jesus in cleaning ALL sins Brother Gery highlights the power of exposing the works of darkness by confessing our secret sin using biblical examples as well as sharing from his own personal experiences Through the word of God he demystifies what God meant in forgiving of sin In this book he presents the sacrifice of Jesus Christ on the cross as a salvation package that provides for our salvation healing deliverance and prosperity Finally Brother Gery explores the importance of confessing the word of God in one s life highlighting it s advantages The three components that are involved in a true confession and the power of the tongue in framing the world around you Through this succinct teaching Brother Gery demonstrates the importance of thinking as God thinks saying only what God is saying and doing only what is doing according to His word in transforming yourself and the world around you

*Divine Guidance* Gery Malanda, God promises in Isaiah 30 21 Your ears shall hear a word behind you saying this is the way walk in it whenever you turn to the right hand or whenever you turn to the left This promise is for every born again believer However not every born again Christian is able to discern God s voice or believe that God will or can speak to them Brother Gery Malanda Apostle and Leader of House Of Prayer For All Nations Europe and Teacher on TBN s Voice of Healing UK demonstrates using the scriptures and his own personal experiences of the different ways in which God has spoken to His children In this book Brother Gery explores questions like what does God say about guiding us Should I be worried whether it is God or a demon talking to me And how do I become familiar with the voice of God Giving examples in the bible Brother Gery looks at the different ways we can discerns God s voice through His word the

Rhema word burning of the heart the inner witness or inner conviction a still small voice a dictate whispering voice God's audible voice peace and joy and observing the circumstances around us Brother Gery further highlights the importance of dreams visions and trances with the importance of getting an interpretation from God that is in line with His Word God using angels and use of revelatory gifts word of knowledge word of wisdom and prophecy Finally Brother Gery emphasises that everything in the Kingdom of God is birthed in prayer Getting familiar with the voice of God will only be achieved in the place of intimacy as we wait for God in prayer and with fasting A must read **He kept the good wine for the end** Gery Malanda, The beginning of miracles Jesus did in Cana of Galilee by turning water into wine revealed His glory And His disciples believed on Him Many of us including myself plan our lives outside God's counsel we invite everybody but Jesus and His disciples Be it a wedding a career a business or anything else one can apply this scripture in his particular case and extract the principles behind the text Just like in the days of John the apostle when he narrated this event he knew the mindset of the people We invite people into our life because we believe that they can help us and make everything go as planned We take counsel from them and they make us laugh thus we think we really do not need Jesus right now For the master or the governor of the feast was the person who had the upper seat at the wedding he was the one making everybody laugh he was making sure that the party was going on well and everybody was merry As long as everything was going on as planned Jesus and his disciples were were shelved this leads us to our first point
