Mirage 10th Anniversary Edition Paperback:

King of Angels Perry Brass, 2019-08-06 1963 John F Kennedy is president Civil rights is catching fire as another community of bachelor men is emerging as one to be despised or acknowledged Ann twevl year old Benjamin Rotheberg who lives in a marshy suburb of Savannah Georgia with the most ravishing name in the world the Isle of Hope with his mother Caroline a classically beautiful Southern WASP and his magnetic father Robby a smark dark Sephardic Jewish salemisan is trying to figure out who he is Benjamin must change idetities from beign a smart precocious self aware kid to masquerading and passing as a regular guy from growing into a sexually curious and possibly gay young man to expereince a fragile adolescent innocence and attraction to a pretty girl King of Angels is about many communties coming together in an explosive time Southern Jews African Americans Southern Catholics an emerging gay one and the secret underground world of boys their crushes and conflicts their attachments and hates It is also about the seductive attractions of self knowledge and the men and women who open our hearts to it amidst the struggles of the soul itself to bloom in life and even after death This is Perry Brass s most stirring and emotionally charged novel set in the hunting coastal South Publisher s description

Thomas Gray among the Disciplines Ruth Abbott, Ephraim Levinson, 2024-12-31 Throughout the 250 years that have passed since Thomas Gray s death he has primarily been celebrated as a poet This makes sense because although he published relatively little verse he published less indeed precisely nothing of his abundant polymathic writing in other fields His place within the history of scholarship has therefore been obscured Like many eighteenth century antiquaries however he shared his learning through correspondence and manuscript circulation and thereby influenced intellectual as well as literary life This book explores Gray s scholarship within the changing norms of eighteenth century disciplines at once locating him within histories of specialisation and examining the ways in which he challenges their narratives Scholars from across the humanities reveal his methods and global interests and analyse many newly uncovered manuscripts Offering fresh understanding of broader fields through focused investigation of Gray s multidisciplinary writings the book will appeal to scholars of eighteenth century literary intellectual and scientific history **American Book Publishing Record** ,2002

UFO...Contact from the Pleiades (45th Anniversary Edition) Brit Elders, Lee Elders, 2024-04-23 In this forty fifth anniversary edition a humble one armed Swiss farmer named Billy Meier documents his date with destiny with hundreds of photos videos and written conversations with extraterrestrial visitors from the Pleiades star cluster UFO Contact from the Pleiades offers the inside story of one of the most remarkable and convincing extraterrestrial encounters ever reported For the first time forty five years after their original publication the two photo journal volumes of UFO Contact from the Pleiades are combined in one book for a modern audience with a new foreword written by Shirley MacLaine a prologue written by Mexican UFOlogist Jamie Maussan and a new introduction and preface written by Brit Elders This photo journal presents the unique contact case of a Swiss farmer Billy Meier who claims to have met with the Pleiadians hundreds of times compiling

many layers of evidence including notes on their conversations hundreds of photographs movie footage audio recordings of the craft landing tracks of the spaceships dozens of witnesses and even metal samples of the craft itself The quality and amount of evidence was convincing making this unlike any case previously seen UFO Contact from the Pleiades takes the reader back to a time before home computers digital photography and easily accessible photo enhancement programs Yet the evidence analyzed in laboratories around the world could not be easily dismissed and supported the claims of the contactee Billy Meier The breathtaking images profound words of the Pleiadians and the extensive investigation that spanned seven years are as relevant today as they were forty five years ago

Socialist Feminism: The First Decade, 1966-76 Gloria

Martin,1986 Records the forging of the first Marxist feminist party in history the Freedom Socialist Party Set in the tumultuous upsurges of the 1960s and 70s Gloria Martin vividly describes the eruption of the women s liberation movement amidst the antiwar and civil rights struggles Martin documents early lesbian and gay coalitions the fight to legalize abortion in Washington State radical labor organizing community mobilizations against police brutality and poverty campus upsurges and the growth of the FSP s sister organization Radical Women She scathingly critiques the role of the Socialist Workers Party and other Left groups typified by sexism and opportunism To them she contrasts the Freedom Socialist Party s multi issue focus on reaching those most oppressed as workingclass people of color women and sexual minorities From the on the ground perspective of a seasoned organizer Martin probes with a sharp scalpel the internal conflicts in the movements for social change This is a story of years of intense work by radical women and men It is a chronicle a reference an analysis a judgment and a guidebook Its central message is inescapable socialist feminism as a theme and strategy has never been more urgently needed than it is today

The Nation ,1910 **The Eclipse of the Demos** Kyong-Min Son,2020-04-30 As populism presaging authoritarianism surges worldwide and political rights and civil liberties erode pundits politicians and political scientists agree democracy is in crisis But where many blame the rise of neoliberalism Kyong Min Son suggests that a longer historical perspective is in order His book *The Eclipse of the Demos* traces the crisis of democracy back to a fateful transformation of democratic theory during the Cold War when the idea of the demos a public body configured for the common good gave way to a view of democracy as an instrument used by individuals to serve their private interests While the postwar pressures of totalitarianism and communism did not directly cause this transformation Son contends that they did activate instrumental democracy s three constitutive motifs fear of the masses faith in rational systemic management and an ambivalence about the relationship between capitalism and democracy Forged of these elements drawn from disparate intellectual traditions instrumental democracy displaced a citizenry disposed to judge competing public claims according to the principles of the common good and political equality In the instrumental model citizens are seen as consumers whose political claims are equivalent simply because each

is willing to pay the same price a vote It is this transactional view of democracy Son argues that led to the unchallenged dominance of finance capital and growing social divisions that have fueled the rise of neoliberalism The Eclipse of the Demos envisions an answer to our present predicament a democracy that rests on a demos engaging in collective inquiry and judgment rather than on a group of individuals concerned exclusively with their private welfare By providing a clearer understanding of democracy before neoliberalism this book begins the hard work of realizing that vision

Palmer's Index to "The Times" Newspaper, 1885 **Honest to God -50th Anniversary Edition** John A. T. Robinson, 2013-01-31 *Honest to God* originally published in 1963 has been described as the most talked about theological work of the twentieth century Its publication work instigated a passionate debate about the nature of Christian belief and doctrine in the white heat of a secular revolution It also epitomized the revolutionary spirit of a fresh and challenging way of looking at the world which throughout the 1960s was to bring about the disintegration of established orthodoxies and social political and theological norms It articulated the anxieties of a generation who saw these traditional givens as no longer acceptable or necessarily credible Reissued on the 50th anniversary of the original publication *Honest to God* is not only a book that generated controversy and debate in its own time but a piece of honest theology which continues to inspire many in their search for credible Christianity in today's world

Puberty in Crisis Celia Roberts, 2015-08-07 Puberty has long been recognised as a difficult and upsetting process for individuals and families but it is now also being widely described as in crisis Reportedly occurring earlier and earlier as each decade of the twenty first century passes sexual development now heralds new forms of temporal trouble in which sexuality sex gender and reproduction are all at stake Many believe that children are growing up too fast and becoming sexual too early Clinicians parents and teachers all demand something must be done Does this out of time development indicate that children's futures are at risk or that we are entering a new era of environmental and social perturbation Engaging with a diverse range of contemporary feminist and social theories on the body biology and sex Celia Roberts urges us to refuse a discourse of crisis and to rethink puberty as a combination of

biological psychological and social forces *Palmer's Index to the Times Newspaper*, 1885 Foundations and Adult Health Nursing - E-Book Barbara Lauritsen Christensen, Elaine Oden Kockrow, 2013-12-27 Part of the popular LPN Threads series this comprehensive text includes in depth discussions of fundamental concepts and skills plus medical surgical content to help you provide safe and effective care in the fast paced healthcare environment Easy to read content an enhanced focus on preparing for the NCLEX Examination and a wealth of tips and study tools make Foundations and Adult Health Nursing 6th Edition your must have text
