But as months stretch on without a proposal Sadie discovers a worrying new side to her beau and a growing kinship with Sam. Thoughtful, hardworking, kind to his visiting English cousins and to her Sam shows Sadie that real love is just a stone's throw away. But when an unexpected obstacle forces a separation between them, can steadfast faith make Sadie an Amish bride at last? **Surrender** Mary Moody, 2010-05-01 Pan Macmillan has been on a long and very successful journey with Mary Moody. The trilogy of books describing her escape from mid-life crises *Au Revoir Last Tango in Toulouse* and *The Long Hot Summer* has reached a generation of Australian women. In her new book *Sweet Surrender* after all of her escapades and adventures Mary has come full circle and has embraced surrendering to the inevitable. Surrendering to ageing, to the pull of family, to the happiness derived from a life that is centred on others as well as herself and to the undeniable influence of her parents and her family on the person she is. It's been a journey that has taught her a lot, but in the end the needs of her family, her four children and her grandchildren turned out to be a lot more important than her French affairs. At the heart of *Sweet Surrender* Mary challenges the illusion of eternal youth that's attributed to the baby boomer generation and the idea that she can obtain complete happiness by living life putting her own needs first. Yet like in her other books she does so in a very personal way describing how she herself was drawn in by the notion of denying the ageing process and by living life without the burden of obligation to the needs of others. That was until events in her life conspired to make her realise that you can't just run away from the essence of who you are and that the most deeply satisfying moment in life can be experienced when fulfilling the needs of those who you love. T.P.'s and Cassell's Weekly, 1923 *Mim and Wiggys Grand Adventure* Jay McKenzie, Meet Mim Webster bored underchallenged hapless A call centre operative and wife to her childhood sweetheart Mim's world is small and staid. That is until it isn't. Meet Wiggys aristocratic small minded and out of touch. Accustomed to a life of luxury his judgemental bigoted attitudes are at odds with Mim's working class sensibilities. When these two lost souls seeking closure of different kinds are thrown together at a badly sung spiritualist church service they find themselves horrifyingly stuck together. Intent on finding meaning in her tiny life with or without a dreadful travel buddy Mim ploughs ahead with her planned journey of a lifetime across Europe, Asia and Australia. After all travel is the great leveller, right? Can Mim find purpose on the trip of her dreams while saddled to the travel companion of her nightmares. **H.
