## **Miriam's Kitchen A Memoir:**

Miriam's Kitchen Elizabeth Ehrlich, 1998-09-01 Like many Jewish Americans Elizabeth Ehrlich was ambivalent about her background She identified with Jewish cultural attitudes but not with the institutions she had fond memories of her Jewish grandmothers but she found their religious practices irrelevant to her life It wasn't until she entered the kitchen and world of her mother in law Miriam a Holocaust survivor that Ehrlich began to understand the importance of preserving the traditions of the past As Ehrlich looks on Miriam methodically and lovingly prepares countless kosher meals while relating the often painful stories of her life in Poland and her immigration to America These stories trigger a kind of religious awakening in Ehrlich who as she moves tentatively toward reclaiming the heritage she rejected as a young woman gains a new appreciation of life's possibilities choices and limitations

**Keeping House** Clara Sereni, 2011-07-02 Part autobiographical novel and part cookbook Keeping House tells the story of a young Italian woman struggling to find self definition and self identity Born into a prominent Jewish Italian family full of strong personalities and colorful figures Clara narrates the humorous dramatic and often poignant events that inform her life Intertwining recipes with her narrative Clara uses food as markers for the cornerstones of her life allowing her to discover and remember both public and private events a Yom Kippur dinner fascism and antifascism the early years of the young Italian republic the politics and culture of the Italian left the openness of the 1960s and 70s and the retreat into privacy of the 1980s

The Sacred Table Mary L. Zamore, 2011-02-28 The Sacred Table Creating a Jewish Food Ethic is an anthology of diverse essays on Jewish dietary practices This volume presents the challenge of navigating through choices about eating while seeking to create a rich dialogue about the intersection of Judaism and food The definition of Kashrut the historic Jewish approach to eating is explored broadened and in some cases argued with in these essays Kashrut is viewed not only as a ritual practice but also as a multifaceted Jewish relationship with food and its production integrating values such as ethics community and spirituality into our dietary practice The questions considered in The Sacred Table are broad reaching Does Kashrut represent a facade of religiosity hiding immorality and abuse or is it in its purest form a summons to raise the ethical standards of food production How does Kashrut enrich spiritual practice by teaching intentionality and gratitude Can paying attention to our own eating practices raise our awareness of the hungry Can Kashrut inspire us to eat healthfully Can these laws draw us around the same table thus creating community In exploring the complexities of these questions this book includes topics such as agricultural workers rights animal rights food production the environment personal health the spirituality of eating and fasting and the challenges of eating together The Sacred Table celebrates the ideology of educated choice The essays present a diverse range of voices opinions and options highlighting the Jewish values that shape our food ethics Whether for the individual family or community this book supplies the basic how tos of creating a meaningful Jewish food ethic and incorporating these choices into our personal and communal religious practices These resources will be helpful if we are new to these ideas or if

we are teaching or counseling others Picture a beautiful buffet of choices from which you can shape your personal Kashrut Read educate yourself build on those practices that you already follow and eat well Published by CCAR Press a division of the Central Conference of American Rabbis      *The Jewish Persona in the European Imagination* Leonid Livak, 2010-09-10 This book proposes that the idea of the Jews in European cultures has little to do with actual Jews but rather is derived from the conception of Jews as Christianity's paradigmatic Other eternally reenacting their morally ambiguous New Testament role as the Christ bearing and killing chosen people of God Through new readings of canonical Russian literary texts by Gogol Turgenev Chekhov Babel and others the author argues that these European writers Christian secular and Jewish based their representation of Jews on the Christian exegetical tradition of anti Judaism Indeed Livak disputes the classification of some Jewish writers as belonging to Jewish literature arguing that such an approach obscures these writers debt to European literary traditions and their ambivalence about their Jewishness This work seeks to move the study of Russian literature and Russian Jewish literature in particular down a new path It will stir up controversy around Christian Jewish cultural interaction the representation of otherness in European arts and folklore modern Jewish experience and Russian literature and culture      *Pesach for the Rest of Us* Marge Piercy, 2009-04-02 Every year poet and novelist Marge Piercy creates her own Passover seder with a group of family and friends Babies have been born and grown up friends have moved or divorced but the principals continue to gather in her rustic Cape Cod home to participate in a seder that Piercy takes joy in tweaking each spring to make it more meaningful In this journey through the ritual Piercy coaxes us toward a significant contemporary interpretation rather than an emphasis on what is strictly correct or traditional She reminisces about her grandmother who thought herself unworthy to lead a seder because of her limited Hebrew but presided morally at the table she urges adding an orange to the seder plate she even describes her heroic efforts to make her own gefilte fish an experiment not to be repeated Piercy offers her distinct slant on each element of the feast and provides dozens of her own wonderful recipes which she delivers in the same warm commanding voice as is heard in her poems and prose When I told Ira that I was going to explain how to cook matzoh brei he thought I was crazy Everybody knows how to make matzoh brei he said But I am of the opinion that there is no longer anything that everybody knows how to cook It is in that spirit no question too simple that Piercy welcomes readers to her kind of seder a homemade and personal affair the kind we all wish we could attend This charming and instructive book of Passover wisdom brimming with favorite dishes and Marge Piercy's own moving Passover poems and blessings invites us to look at an important Jewish ritual in a whole new way      **Crossing Cultures** Judith Oster, 2003 In this important new study Judith Oster looks at the literature of Chinese Americans and Jewish Americans in relation to each other Examining what is most at issue for both groups as they live between two cultures languages and environments Oster focuses on the struggles of protagonists to form identities that are necessarily bicultural and always in process Recognizing what poststructuralism has demonstrated regarding the instability of the subject and the impossibility of

a unitary identity Oster contends that the writers of these works are attempting to shore up the fragments to construct through their texts some sort of wholeness and to answer at least partially the questions Who am I and Where do I belong

**Book Jacket      Girl Meets God** Lauren F. Winner, 2002-09-16 Like most of us Lauren Winner wants something to believe in The child of a reform Jewish father and a lapsed Southern Baptist mother she chose to become an Orthodox Jew But as she faithfully observes the Sabbath rituals and studies Jewish laws she finds herself increasingly drawn to Christianity Taking a courageous step she leaves behind what she loves and converts Now the even harder part How does one reinvent a religious self How does one embrace the new without abandoning the old How does a convert become spiritually whole In GIRL MEETS GOD this appealingly honest young woman takes us through a year in her search for a religious identity Despite her conversion she finds that her world is still shaped by her Jewish experiences Even as she rejoices in the holy days of the Christian calendar she mourns the Jewish rituals she still holds dear Attempting to reconcile the two sides of her religious self Winner applies the lessons of Judaism to the teachings of the New Testament hosts a Christian seder and struggles to fit her Orthodox friends into her new religious life Ultimately she learns that faith takes practice and belief is an ongoing challenge Like Anne Lamott's Winner's journey to Christendom is bumpy but it is the rocky path itself that makes her a perfect guide to exploring spirituality in today's complicated world Her engaging approach to religion in the twenty first century is illuminating thought provoking and most certainly controversial      The Rabbi's Wife Shuly Rubin Schwartz, 2007-09-01 2006 National Jewish Book Award Modern Jewish Thought Long the object of curiosity admiration and gossip rabbis wives have rarely been viewed seriously as American Jewish religious and communal leaders We know a great deal about the important role played by rabbis in building American Jewish life in this country but not much about the role that their wives played The Rabbi's Wife redresses that imbalance by highlighting the unique contributions of rebbetzins to the development of American Jewry Tracing the careers of rebbetzins from the beginning of the twentieth century until the present Shuly Rubin Schwartz chronicles the evolution of the role from a few individual rabbis wives who emerged as leaders to a cohort who worked together on behalf of American Judaism The Rabbi's Wife reveals the ways these women succeeded in both building crucial leadership roles for themselves and becoming an important force in shaping Jewish life in America

**You Never Call! You Never Write!** Joyce Antler, 2007-04-02 In You Never Call You Never Write Joyce Antler provides an illuminating and often amusing history of one of the best known figures in popular culture the Jewish Mother Whether drawn as self sacrificing or manipulative in countless films novels radio and television programs stand up comedy and psychological and historical studies she appears as a colossal figure intensely involved in the lives of her children Antler traces the odyssey of this compelling personality through decades of American culture She reminds us of a time when Jewish mothers were admired for their tenacity and nurturance as in the early twentieth century image of the Yiddishe Mama a sentimental figure popularized by entertainers such as George Jessel Al Jolson and Sophie Tucker and especially by Gertrude

Berg whose amazingly successful Molly Goldberg ruled American radio and television for over 25 years Antler explains the transformation of this Jewish Mother into a brassy voiced smothering and shrewish scourge in Irving Howe's words detailing many variations on this negative theme from Philip Roth's Portnoy's Complaint and Woody Allen's Oedipus Wrecks to television shows such as The Nanny Seinfeld and Will and Grace But she also uncovers a new counter narrative leading feminist scholars and stand up comedienne to see the Jewish Mother in positive terms Continually revised and reinvented the Jewish Mother becomes in Antler's expert hands a unique lens with which to examine vital concerns of American Jews and the culture at large A joy to read You Never Call You Never Write will delight anyone who has ever known or been nurtured by a Jewish Mother and it will be a special source of insight for modern parents As Antler suggests in many ways we are all Jewish Mothers today

Mudhouse Sabbath Lauren F. Winner, 2015-08-01 Winner's original Mudhouse Sabbath has sold 45 000 copies been translated into three languages and spawned a successful video study series After her conversion from Orthodox Judaism to Christianity Winner found that her life was indelibly marked by the rich traditions and spiritual practices of Judaism She here presents eleven Jewish practices that can transform the way Christians view the world and God including attentive eating mourning candle lighting and Sabbath keeping Since first publishing the book Lauren has earned her MDiv and PhD and become an Episcopal priest Her thought has deepened and developed This new Study Edition incorporates the complete original text plus primary texts from Jewish and Christian sources and new material on each of the eleven topics The result is a powerful work for Christians wanting to explore in depth and understand the Jewish origins of Christianity At a time when we are so aware of the differences between Judaism and Christianity Lauren Winner's book on what we can learn from each other is so refreshingly welcome Rabbi Harold Kushner author of When Bad Things Happen to Good People

*Matzoh Ball Gumbo (Volume 2 of 2) (EasyRead Edition)* , **Flunking Sainthood Every Day** Jana Riess, 2014-12-01 Over one year recounted in Flunking Sainthood Riess failed twelve different spiritual practices To her surprise thought she learned something important even from the ones she failed most spectacularly This new 365 daily devotional readers who are looking for spiritual growth will find guidance arranged according to monthly practices such as gratitude generosity prayer Sabbath keeping and hospitality Each day's reading has a reflection from a contemporary or classic spiritual thinker a short scripture verse and a brief prayer reflection or follow up action This daily devotional helps us know that there is great compassion for all of us who are flunking sainthood as we learn that spiritual growth is a lifelong journey without a fixed destination Jana Riess is the author of The Twible and Flunking Sainthood A Year of Breaking the Sabbath Forgetting to Pray and Still Loving My Neighbor which was named by Publishers Weekly as one of the best religion books of the year This book is about how to relax in our imperfections trust God's grace and take authentic and practical steps toward deepening maturity in faith Sharon Garlough Brown author of Sensible Shoes This devotional will stimulate your brain companion your soul and inspire you Lauren F Winner author of Mudhouse Sabbath and Still In addition to being

a sagely writer Jana is an avid quote collector Here are 365 gems full of mojo in insight for normal folks like us along with a simple challenge to make each day a wonderful experience of falling forward Brian D McLaren author of *We Make the Road by Walking* Refreshingly realistic about our human imperfections and heartily confident of grace Marjorie Thompson author of *Soul Feast* Jana is a thoughtful wise and compassionate guide to the life of the spirit and this book will be a daily gift to all of us who are flunking sainthood but hope to raise our GPA Greg Garrett author of *The Other Jesus* Relax spiritual slackers Somebody else has done all the reading Now you have a book of poetic inspiration Bible verses current bestsellers and ancient thinkers one for each day Skip a day No guilt Don t understand You ll catch up What s the point Try doing it anyway Seriously hilariously Lillian Daniel author of *When Spiritual But Not Religious Is Not Enough* Jewish Passages Harvey E. Goldberg, 2003-10-17 American or Middle Eastern Ashkenazi or Sephardi insular or immersed in modern life however diverse their situations or circumstances Jews draw on common traditions and texts when they mark life s momentous events and rites of passage The interplay of past and present of individual practice and collective identity emerges as a central fact of contemporary Jewish experience in Harvey E Goldberg s multifaceted account of how Jews celebrate and observe the cycles of life A leading anthropologist of Jewish culture Goldberg draws on his own experience as well as classic sources and the latest research to create a nuanced portrait of Jewish rituals and customs that balances the reality of ordinary Jews with the authority of tradition Looking at classic rites of passage such as circumcision and marriage along with emerging life milestone practices like pilgrimage and identity seeking *Jewish Passages* aptly reflects the remarkable cultural and religious diversity within Judaism This work offers a new view of Jewish culture and history with the individual firmly situated at their center by blending anecdote and historical vignettes with rabbinic midrashic and anthropological insights by exploring Sephardi and Ashkenazi traditions as well as modern ideologies and by bringing into sharp relief the activities of women and relations with Gentile neighbors As such this book provides a unique window on the particulars and the significance of personal and communal acts of identification among Jews past present and future *Matzoh Ball Gumbo (Volume 2 of 2) (EasyRead Super Large 20pt Edition)* , **Religious Philosophy as Multidisciplinary Comparative Inquiry** Wesley J. Wildman, 2010-11-05 What can philosophy contribute to the study of religion This book argues that the study of religion needs philosophy in the form of multidisciplinary comparative inquiry Contradicting the current tendency to regard philosophical reflection and the academic study of religion as independent endeavors best kept apart Wesley J Wildman brings them together offering a broader vision than that of traditional philosophy of religion and surmounting many of its difficulties His newer conception of religious philosophy is well suited to the modern multicultural secular university Through multidisciplinary comparative inquiry religious philosophy allows for a variety of approaches from historical and analytical work to evocative description and theoretical evaluation of truth claims and both secular and religious thinkers participate The tasks and varieties of religious philosophy as they arc across the world s religions and philosophies are

discussed along with religious philosophy's modern and postmodern contexts Wildman's thoughtful and thought provoking book will be essential reading for all those concerned with the study of religion present and future *Hybridity in Life Writing* Arnaud Schmitt, 2024-04-28 This book offers new perspectives on text image hybridity in the context of life writing Each chapter explores the very topical issue of how writers and artists combine two media in order to enhance the autobiographical narrative and experience of the reader It questions the position of images in relation to text both on the page and in terms of the power balance between media It also shows how hybridity operates beyond a semantic and cultural balance of power as the combination of text and images are able to produce content that would not have been possible separately Including a range of life writing and different visual media from paintings and photography to graphic memoirs and social media this edited collection investigates the point at which an image whether fixed or moving enters the autobiographical act and confronts the verbal form Eating Words Sandra M. Gilbert, Roger J. Porter, 2015-10-22 Food writing spans centuries and philosophies At long last there's a Norton Anthology with all the most important works Eater Edited by influential literary critic Sandra M Gilbert and award winning restaurant critic and professor of English Roger Porter *Eating Words* gathers food writing of literary distinction and vast historical sweep into one groundbreaking volume Beginning with the taboos of the Old Testament and the tastes of ancient Rome and including travel essays polemics memoirs and poems the book is divided into sections such as Food Writing Through History At the Family Hearth Hunger Games The Delight and Dread of Eating Kitchen Practices and Food Politics Selections from writings by Julia Child Anthony Bourdain Bill Buford Michael Pollan Molly O'Neill Calvin Trillin and Adam Gopnik along with works by authors not usually associated with gastronomy Maxine Hong Kingston Henry Louis Gates Jr Hemingway Chekhov and David Foster Wallace enliven and enrich this comprehensive anthology We are living in the golden age of food writing proclaims Ruth Reichl in her preface to this savory banquet of literature a must have for any food lover *Eating Words* shows how right she is *From Betty Crocker to Feminist Food Studies* Arlene Voski Avakian, 2005-01-01 Sheds light on the history of food cooking and eating This collection of essays investigates the connections between food studies and women's studies From women in colonial India to Armenian American feminists these essays show how food has served as a means to assert independence and personal identity Memory Work Nina Fischer, 2015-09-27 *Memory Work* studies how Jewish children of Holocaust survivors from the English speaking diaspora explore the past in literary texts By identifying areas where memory manifests Objects Names Bodies Food Passover 9/11 it shows how the Second Generation engage with the pre Holocaust family and their parents survival **Nutritional Anthropology**, 1998
