Misbegotten Match:

A Misbegotten Match Rita Boucher, 2021-04-27 Sebastian Armitage is personally acquainted with the damage caused by secrets and lies Wanting nothing to do with the pain of his past the rakehell had broken all ties with England But when his elderly godmother falls ill her companion Amanda Westford summons him home Sebastian soon discovers that the prunes and prisms widow that he expected is not only young and beautiful but clearly harboring some secrets of her own Is it his godmother's fortune that is allowing Mrs Westford to live far beyond her means Amanda had vowed that she would never again accept desire without love Although Sebastian s infamous reputation had earned her scorn it is impossible to despise this charming handsome man who personifies temptation on two feet Amanda knows that only a fool would be seduced by the promise of passion with the man known as the Demon Rum Why then is she longing to play the fool Judith Laik, 2005 A haughty and handsome lord finds himself bewitched by a lovely lady who just wants to have fun and already has two suitors vying for her hand Original The Art of Marriage Catherine Blyth, 2010-12-30 Read Catherine Blyth s blogs and other content on the Penguin Community A witty thought provoking celebration of why marriage still matters and how to make yours work from the author of The Art of Conversation Today we no longer get married for the reasons our grandparents did because our families say so because we must marry to leave home to have sex to have financial security So in this modern age why marry at all The Art of Marriage seeks to answer this guestion in an enchanting guided tour of the three legged race that is married life With anecdotes from history the latest research and insights about couples who stayed the course Blyth offers entertaining advice on how to enjoy a successful marriage and answers vital questions such as can housework improve sex life Why should husbands argue And why must wives relax In the age of Bridezillas and over the top destination weddings it is all too easy to lose sight of the greater meaning of saying I do A wedding is not an end it s not about the race for the ring or planning a blow out event it s the beginning of a journey full of questions and mystery and different for each couple As Catherine Blyth so eloquently puts it Each story has at least two sides Reconciling them is the art Marriage of Convenience H.C. Douglas, 2015-03-10 To understand James Douglas defiant behavior at of marriage Bonnybraes it is important to learn a little of his aunt and her unwitting pat therein Matilda Douglas was a proud and stubborn old woman who stood firm and unyielding on those matters where she held strong views Indeed Matilda held strong views on great many matters but none with more determination and vigour than on her nephews obligation to remarry and produce an heir for the family estates In fact she saw it as her bounden duty to ensure his doing so To this end Matilda had rounded up numerous eligible females of suitable background and breeding of course and these she trotted before James with increasing regularity To her chagrin the charms of these nubile maidens left her nephew quite unmoved and seemingly content to remain a childless widower Her constant harping and continued efforts in this area produced in James the opposite effect to that she desired it inspired in him a grim determination and stubbornness to match her own All her

arguments pleading and cajolery fell on deaf ears The situation between them had reached a state that could best be termed stalemate and could well have remained so indefinitely but fate saw fit to take a hand in the game In the normal turn of events James would not have gone to Bonnybraes but when his aunt intimated her intention of having several young ladies to visit over the following two days he saw the business with Thomas Weir as a means of escape The look in Matildas eye was warning enough for James it heralded another attack on his solitary state To say Matilda was annoyed when he told her he would be absent would be an understatement she was furious After all the whole point of the exercise was dependent on his being there The look of frustration on his aunts face gave James a feeling of jubilation a glorious feeling of having triumphed over the old schemer He had outflanked her and with an added spring in his step joyfully he took his leave The mood stayed with him during the long ride to Bonnybraes and there can be little doubt that it had a great deal of bearing on his later Shakespeare's Changeling Syril Levin Kline, 2019-07-11 Kline keeps the pages turning a lively interpretation actions that will win Oxfordian approval and may even convince Stratfordians to suspend disbelief and enjoy it Kirkus Reviews FIRST PLACE WINNER 2014 CHAUCER AWARD FOR HISTORICAL FICTION IN ELIZABETHAN TUDOR CATEGORY Charged in 1616 by the Earls of Pembroke and Montgomery to edit a folio of Shakespeare plays writer Ben Jonson races against time to uncover the missing manuscripts by seeking out his former nemesis the bedridden William Shaxper But far more worrisome is that the Earl of Oxford's daughter the Countess of Montgomery wants the folio published as a tribute to her father Could Lord Oxford's darkest secrets threaten the throne of King James Witty intriguing and suspenseful Syril Levin Kline's controversial novel calls into question everything you ever thought you knew about the Bard by exploring the irony of a creative genius forced to hide behind the identity of another Kline proudly joins Mark Twain Walt Whitman Samuel Taylor Coleridge James Joyce Charles Dickens and other writers in their skepticism about the Shakespeare authorship As fascinating as it is entertaining and deftly written Shakespeare's Changeling A Controversial Literary Historical Novel offers the most reasonable solution to the authorship mystery ever presented King of Thieves Jane Kindred, 2022-04-11 There are worse things to lose than a good name Belphagor is used to being on top at the gaming table and in the bedroom But as a boyfriend He s pretty much out of his element Temperamental firespirit Vasily has stuck by his side so far giving Belphagor some of the most intense sexual experiences of his life But their relationship is far from perfect Vasily's rebellious nature exposes trust issues that can t be ignored and playing games with his safeword adds fuel to the fire When Belphagor uncovers a nefarious smuggling ring that spans both Heaven and Earth Vasily jumps at the chance to help shut it down But Belphagor hasn t told him everything and Vasily soon finds himself in mortal peril The Prince of Tricks may have finally pushed Vasily too far putting one more crack in an already fragile foundation With love honor and his life on the line Belphagor will need every trick up his sleeve to dismantle the smuggling ring for good But winning Vasily back will take more than tricks It s time to lay all the cards on the table or risk losing everything Note This is a revised second edition originally
