Miscarriage Of Justice The Jonathan Pollard Story:

Capturing Jonathan Pollard Ronald J Olive, 2009-09-01 Jonathan Pollard an intelligence analyst working in the U S Naval Investigative Service s Anti Terrorist Alert Center systematically stole highly sensitive secrets from almost every major intelligence agency in the United States In just eighteen months he sold more than one million pages of classified material to Israel No other spy in U S history has stolen so many secrets so highly classified in such a short period of time Author Ronald Olive was in charge of counterintelligence in the Washington office of the Naval Investigative Service that investigated Pollard and garnered the confession that led to his arrest in 1985 and eventual life sentence His book reveals details of Pollard s confession his interaction with the author when suspicion was mounting and countless other details never before made public Olive points to mistaken assumptions and leadership failures that allowed Pollard to ransack America s defense intelligence long after he should have been caught

Miscarriage of Justice Mark Shaw, 2001-09 When the name of admitted spy Jonathan Pollard is mentioned fiery debate breaks out between those who believe he should have been shot and those who contend that he was railroaded into prison for life by government officials who violated his constitutional rights Now for the first time the case involving the most controversial spy in American history is examined by presenting every aspect of the Pollard story It shows the moral dilemma faced by Jonathan Pollard a Zionist and naval analyst who admitted passing top secret security documents to the Isr li government in the mid 1980s In Miscarriage of Justice attorney and author Mark Shaw delivers an in depth portrait of the fascinating case that includes Fresh background material about the committed Zionist from his father clearly indicating Pollard s motive for spying for Isr l Details of the love story that bound Anne and Jonathan Pollardt ogether in their efforts to aid Isr l Factual data regarding Isr l high government official s active participation in the spy scheme Motives as to why leaders of the Jewish community abandoned Pollard in his time of need Pollard supporter s accusations that Defense Secretary Caspar Weinberger lied about hisrole in the Pollard case Scathing rebuttal by Pollard prosecutor Joseph di Genova regarding allegations that the spy s constitutional rights were violated Behind the scenes facts concerning why Pollard was sentenced to life in prison by Federal Court Judge Aubrey Robinson Pollard supporters allegations that President Bill Clinton reneged on promises to free the spy Comparisons of Pollard s sentence with other noted spies and withcases involving the infamous Alfred Dreyfus and atomic bomb spy Theodore Hall Assessment of Pollard s chances to be freed from prison From start to finish Miscarriage of Justice presents a balanced study objective view of a confusing case one rife with lies half truths innuendo speculation and deception All regarding them ysterious Jonathan Pollard dubbed by New York Times Magazine The Spy Left Out In The Cold

Fighting for Justice Mark Shaw, 2022-11-29 Investigative reporting at its best Mark Shaw s original work into the questionable deaths of Marilyn Monroe and Dorothy Kilgallen is now focused on the many unanswered questions left by the Warren Commission s inquiry into the JFK assassination Fighting for Justice has to be read Nicholas Pileggi author of Wiseguy and Casino Packed with

shocking new evidence Fighting for Justice exposes the cover ups of the JFK assassination and the murders of Dorothy Kilgallen and Marilyn Monroe while revealing for the first time the corrupt inner workings of the Warren Commission based on the firsthand whistleblower account of an actual Commission member never identified before How does an explosive whistleblower account from a Warren Commission WC member never identified before destroy once and for all the biggest lie in American history the Oswald Alone theory On what basis did the member admit It s more than Oswald There is internal corruption on the Commission I do not agree with the Report Is the whistleblower the same one who surreptitiously passed Jack Ruby s WC testimony to journalist Dorothy Kilgallen prior to its release date And how did President Lyndon Johnson and J Edgar Hoover strong arm the commission to prevent any investigation of the truth about who killed JFK and why Based on fifteen years of research answers to these questions and more are uncovered in Fighting for Justice bestselling author and noted historian Mark Shaw s improbable journey to exposing cover ups of the JFK assassination while proving Marilyn Monroe and Kilgallen were murdered

The Profiteers Sally Denton,2017-02-14 The tale of the Bechtel family dynasty is a classic American business story It begins with Warren A Dad Bechtel who led a consortium that constructed the Hoover Dam From that auspicious start the family and its eponymous company would go on to build the world from the construction of airports in Hong Kong and Doha to pipelines and tunnels in Alaska and Europe to mining and energy operations around the globe Today Bechtel is one of the largest privately held corporations in the world enriched and empowered by a long history of government contracts and the privatization of public works made possible by an unprecedented revolving door between its San Francisco headquarters and Washington

The Poison Patriarch Mark Shaw,2013-10-01 Focusing for the first time on why attorney general Robert F Kennedy wasn t killed in 1963 instead of on why President John F Kennedy was Mark Shaw offers a stunning and provocative assassination theory that leads directly to the family patriarch Joseph P Kennedy Mining fresh information and more than forty new interviews Shaw weaves a spellbinding narrative involving Mafia don Carlos Marcello Jack Ruby Lee Harvey Oswald s killer Ruby s attorney Melvin Belli and ultimately the Kennedy brothers and their father Shaw addresses these tantalizing questions Why shortly after his brother s death did a grief stricken RFK tell a colleague I thought they would get one of us I thought it would be me Why was Belli an attorney with almost no defense experience but proven ties to the Mafia chosen as Jack Ruby s attorney How does Belli s Mafia connection call into question his legal strategy which ultimately led to the Ruby s first degree murder conviction and death sentence What was Joseph Kennedy s relationship to organized crime And how was his insistence that JFK appoint RFK as attorney general tantamount to signing the president s death warrant For fifty years Shaw maintains researchers investigating the president s murder in Dallas have been looking at the wrong motives and actors The Poison Patriarch offers a shocking reassessment one that is sure to alter the course of future assassination debates
