Miscellaneous Questions And Answers On Islam Part Two:

Addiction to Religion Mahfooz Kanwar Ph.D.,2015-05-22 After the Second World War in the 1950s and beyond we embraced revolutionary emancipation of women among other things which led to an unprecedented sexual and cultural revolution especially in the West We discarded some of the old ways of doing things and we opened the door to a brand new and modern civilization in the 1960s 1970s and early 1980s The sexual and cultural revolution led us to secularism which challenged many draconian mores including those in Muslim countries such as Pakistan Malaysia Turkey Iran Tunisia and Morocco That was when I published one of my books Sociology of Religion Changing Conceptions in the Structure of Islam However in relatively recent times we have faced the backward process of reverting to traditional norms That reversed cultural change led to fundamentalism including fundamentalism in religion which is a precursor to addiction to religion That has ultimately resulted in national and international terrorism That born again trend encouraged me to do research in this field including addiction to religion That led me to write this book I have concluded in this book that both addiction to drugs and addiction to religion are a disease a delirium and a psychic syndrome influenced by a mental disorder During the last two to three decades there has been a significant rise in religious fundamentalism leading to addiction to religion which has caused global havoc Religion has been hijacked misused and abused largely by semiliterate believers in all organized religions Religious addiction is perhaps worse than drug addiction Other books by the Author 1 The Sociology of Family An Interdisciplinary Approach 2 Sociology of Criminal Behaviour 3 Sociology of Religion Changing Conceptions in the Structure of Islam 4 Murder and Homicide in Pakistan 5 Issues in Canadian Sociology with Hewa 6 Issues in Canadian Sociology 2nd Ed with Swenson 7 Canadian Sociology with Swenson 8 Journey to Success my autobiography currently in its tenth edition

Questions And Answers About Islam M. Fethullah Gülen,2007-11-01 In the past unbelief was the outcome of ignorance Then when people learned about the truth they were enlightened and found peace of mind But recently unbelief rejection and denial have been the attitudes of those who consider themselves knowledgeable in all fields who claim to accept and believe only on rational or scientific grounds Cloaked in science and rational philosophy the activity of unbelief continues in many forms The quality of believers submission is impaired under constant threat and attack In this book Fethullah Gulen sensitive to the real questions people have the questions given rise to by the modern age has tried through patient argument to answer people s doubts and questions about faith

Understanding Terrorism Innovation and Learning Magnus Ranstorp,Magnus Normark,2015-04-24 This book examines the role of terrorist innovation and learning in theory and practice and in the context of three specific EU case studies It is often said that terrorist groups are relatively conservative in character operating in a technological vacuum relying almost exclusively on bombs and bullets This observation masks increasing complexity and creativity and innovation within terrorist groups and one of the most distinguishing features of al Qaeda s terrorist operations is its propensity for remarkable innovation This book examines how and why terrorist groups innovate more generally and al Qaeda related terrorist plots in Europe more specifically The starting point for this book was twofold Firstly to examine the issue of innovation and learning more generically both in theory within specific themes and within the context of al Qaeda s influence on this process Secondly this book examines the evolution of specific al Qaeda related plots in three specific northern EU states the United Kingdom Denmark and Germany where there has been a significant volume of planned failed and executed terrorist plots In particular these case studies explore signs of innovation and learning This book will be of much interest to students of terrorism and counter terrorism political violence security studies and IR in general [A manual of Indian](#)

[agriculture](#) John Shortt (M.D.),1889 **The Publishers' Circular and Booksellers' Record** ,1928 **The Digital Social** Alpha Possamai-Inesedy,Alan Nixon,2019-12-02 The edited volume aims to present a critical analysis of the current state of research on religion and belief systems in the realm of the Digital Social The rapid expansion and democratization of digital technologies in conjunction with the significant shifts taking place within the practices of religion and belief through digital

technology demand a critical examination across the social sciences and humanities These changes call for an overview of not only our current methodological tool box but also the epistemological and ethical considerations that researchers must contend with The proposed volume provides a critical framework that recognizes that the social and therefore the religious cannot be fully understood without recognizing how the digital world actively constitutes notions such as identity social networks embodiment and social institutions While some specific methods will be discussed the volume s emphasis remains on the critical epistemological and logistical considerations that are needed when undertaking this form of research
