Miscellanies, by Henry Fielding, Esq Henry Fielding, 1743 Miscellanies, Henry Fielding, 1743 **Miscellanies by Henry Fielding, Esq** Henry Fielding, Bertrand A. Goldgar, 1993-08 Contains the fantasy A Journey from This World to the Next and two plays the farce Eurydice and The Wedding Day a revision of an early intrigue comedy Volume Three of Henry Fielding's Miscellanies first published as a three volume set in 1743 consists in its entirety of a major work of fiction The History of the life of the Late Mr Jonathan Wild the Great Jonathan Wild takes its title from the thief taker and gangleader of that name who has hanged in 1725 but in Fielding's hands the history of Wild is transformed into a mock historical work of sustained irony aimed at all who would be great men The general introduction to this edition sets the novel against its historical and biographical background and argues against the view common and since the mid nineteenth century that it is a personal satire directed at the figure of Sir Robert Walpole In both the general and the textual introductions the editors also offer a fresh view on questions about the date and history of the work's composition Full explanatory notes and commentary place Fielding's allusions and details in their contemporary context As in previous volumes of the Wesleyan Edition this provides a critical unmodernized text based on the Greg Bowers Rationale of Copy text The version is that of the first edition with an appendix giving all variants in wording and presentation of the 1754 revision In his introduction the textual editor lays out the rationale for his choice version This volume also includes for the first time in a modern edition Fielding's list of subscribers to the Miscellanies along with detailed biographical notes and an analysis of the subscription list by textual author **Miscellanies** Henry Fielding, 1743 Miscellanies Henry Fielding, 1743 *Miscellanies* Henry Fielding, 1973-01 The 18th century was a wealth of knowledge exploration and rapidly growing technology and expanding record keeping made possible by advances in the printing press In its determination to preserve the century of revolution Gale initiated a revolution of its own digitization of epic proportions to preserve these invaluable works in the largest archive of its kind Now for the first time these high quality digital copies of original 18th century manuscripts are available in print making them highly accessible to libraries undergraduate students and independent scholars Western literary study flows out of eighteenth century works by Alexander Pope Daniel Defoe Henry Fielding Frances Burney Denis Diderot Johann Gottfried Herder Johann Wolfgang von Goethe and others Experience the birth of the modern novel or compare the development of language using dictionaries and grammar discourses The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to insure edition identification Harvard University Houghton Library N011111 The collective titlepage appears only in vol 1 Each volume has a separate titlepage with an imprint reading the same as that of the collective titlepage Miscellanies by Henry Fielding Esq Vol I The second edition Miscellanies by Henry Fielding Esq Vol II A journey from this world to the next and Miscellanies The life of Mr Jonathan Wild the Great Vol III By Henry Fielding Esq The second edition London printed for A Millar 1743 3v 8 **Henry Fielding** Henry
