first betrayed and then deserted a stricken friend a friend with whom for the past fourteen years I had spent more time at sea  
than on land and who when not at sea had seldom been out of my thoughts The first of the three voyages described in In  
Mischief's Wake gives H W Bill Tilman's account of the final voyage and loss of Mischief the Bristol Channel pilot cutter in  
which he had sailed over 100 000 miles to high latitudes in both Arctic and Antarctic waters Back home refusing to accept  
defeat and going against the advice of his surveyor he takes ownership of Sea Breeze built in 1899 a bit long in the tooth but  
no more so in fact a year less than her prospective owner After extensive remedial work his first attempt at departure had to  
be cut short when the crew enjoyed a view of the Isle of Wight between two of the waterline planks After yet more expense  
Sea Breeze made landfall in Iceland before heading north toward the East Greenland coast in good shape and well stocked  
with supplies A mere forty miles from the entrance to Scoresby Sound Tilman's long sought after objective a polite mutiny  
forced him to abandon the voyage and head home The following year with a crew game for all challenges a series of  
adventures on the west coast of Greenland gave Tilman a voyage he considered certainly the happiest in a boat which was  
proving to be a worthy successor to his beloved Mischief      **Image of My Experiences** Prashant Kumar Lal, 2024-02-20 In
