Truffaut Antoine De Baecque, Serge Toubiana, 2022-02-23 One of the most celebrated filmmakers of all time Francois Truffaut was an intensely private individual who cultivated the public image of a man completely consumed by his craft But his personal story from which he drew extensively to create the characters and plots of his films is itself an extraordinary human drama Now with captivating immediacy Antoine de Baecque and Serge Toubiana give us the definitive story of this beloved artist They begin with the unwanted mischievous child who learned to love movies and books as an escape from sadness and confusion as a boy Francois came to identify with screen characters and to worship actresses Following his early adult years as a journalist during which he gained fame as France's most iconoclastic film critic the obsessive prodigy began to make films of his own and before he was thirty notched the two masterpieces *The 400 Blows* and *Jules and Jim* As Truffaut's dazzling body of work evolves in the shadow of the politics of his day including the student uprisings of 1968 we watch him learning the lessons of his masters Fellini and Hitchcock And we witness the progress of his often tempestuous personal relationships including his violent falling out with Jean Luc Godard who owed Truffaut the idea for *Breathless* and his rapturous love affairs with the many glamorous actresses he directed among them Jacqueline Bisset and Jeanne Moreau With Fanny Ardant Truffaut had a child only thirteen months before dying of a brain tumor at the age of fifty two Here is a life of astonishing emotional range from the anguish of severe depression to the exaltation of Oscar victory Based on unprecedented access to

Truffaut's papers including notes toward an unwritten autobiography de Baecque and Toubiana's richly detailed work is an incomparably authoritative revelation of a singular genius

The Shadow of Her Smile Victoria Taylor Murray, 2005-04 Reading *The Shadow of Her Smile* was like slurping a long cold lemonade on a sultry summer day I couldn t devour it fast enough The story started off with a bang and grew increasingly suspenseful as Victoria Taylor Murray drew me into her exciting plot with the ease that only the best writers can achieve From Trump Tower to the Waldorf Astoria Hotel to Little Italy to NYPD and a grandmother s run down mansion she painted a New York seldom seen by outsiders I especially relished the historical vignettes of The Big Apple woven in at appropriate places in the story Although many of the supporting characters were ultra worldly obviously shallow greedy and lustful each one was unique and thoroughly fleshed out Even billionaire Forrest Gray who set the stage for this novel when he hired Corbin Douglas to find Nikki Rourke became larger than life as Murray wielded her magic pen to craft him Through all these marvelous mixed up often malevolent characters Murray captured the true essence of the city s diversity of cultures and life styles And the hero and heroine were to die for Corbin a cop turned private investigator is every woman s dream handsome strong and sexy yet kind caring and ethical while Nikki is the beautiful charming smart gutsy red haired woman who is at the center of everything Corbin hooked me right from the start but I had to wait awhile to meet Nikki The wait was worth it and she

quickly won my heart by the tender loving manner in which she cared for our hero when he was injured And then there s Charlie Corbin s friend and former partner and the love of his life Bette What a joy it was to meet them Of stronger moral fiber these four characters more than made up for the indiscriminate behavior of the minor characters They became so real to me I ll think of them often in days to come The excitement was nonstop as Corbin searched for Nikki a woman in a photograph with an unforgettable smile overcoming death defying breath stealing obstacles to help her This well written fast paced story has everything believable characters realistic dialogue suspense romance and original humor When Corbin told his former partner I have a headache the size of Stephen King s Buick 8 I laughed out loud a welcome relief from the tension of the book s drama The Shadow of Her Smile takes you through a series of twists and turns that makes your goosebumps sprout more goosebumps as you question Who are the dead dancers Who is killing red haired women Are they after Nikki too Will Corbin find her in time or will she be the next victim What s going on with the billionaire s wife What does the chauffeur s pretty boy son have to do with it And the gangster and his hit squad Is it all connected The very talented Victoria Taylor Murray won my heart with this book I join her growing legions of fans in applauding her on penning another winner My one regret is that I didn t discover her from her very first book Betty Dravis author of The Toonies Invade Silicon Valley
