PREFACE So long as there shall exist by virtue of law and custom decrees of damnation pronounced by society artificially creating hells amid the civilization of earth and adding the element of human fate to divine destiny so long as the three great problems of the century the degradation of man through pauperism the corruption of woman through hunger the crippling of children through lack of light are unsolved so long as social asphyxia is possible in any part of the world in other words and with a still wider significance so long as ignorance and poverty exist on earth books of the nature of Les Miserables cannot fail to be of use
