Misrepresentations Shakespeare And The Materialists:

Misrepresentations Graham Bradshaw, 2018-07-05 Just at the moment when conflicts between critical isms are threatening to turn the study of English literature into a game park for endangered texts Bradshaw arrives with a work of liberating wit and insight His subject is double the Shakespeare he reads and the Shakespeare whom critics in the ranks of the new historicists and cultural materialists are representing or misrepresenting **Materialist Shakespeare** Ivo Kamps, 1995 Receptive to influences of such diverse theorists as Derrida Jameson Foucault Irigaray Kristeva Lacan and Althusser materialist Shakespeare criticism has long since left behind the days of vulgar Marxism and has emerged as a rich interpretive practice The essays chosen for this book cover all of Shakespeare s dramatic genres and include works on King Lear Othello As You Like It Measure for Measure The Tempest The Merchant of Venice Henry V Macbeth The Taming of the Shrew and Julius Caesar Contributors Paul Delany Louis Adrian Montrose Walter Cohen Alan Sinfield Stephen Greenblatt Michael D Bristol Katherine Eismann Maus James R Andreas Robert Weimann Graham Holderness Lynda E Boose John Drakakis Claire McEachern Frederic Jameson and Ivo Kamps *Shakespeare and New Historicist Theory* Neema Parvini, 2017-01-26 Over the past three decades no critical movement has been more prominent in Shakespeare Studies than new historicism And yet it remains notoriously difficult to pin down define and explain let alone analyze Shakespeare and New Historicist Theory provides a comprehensive scholarly analysis of new historicism as a development in Shakespeare studies while asking fundamental questions about its status as literary theory and its continued usefulness as a method of approaching Shakespeare s plays Big-Time Shakespeare Michael D. Bristol, 2005-08-12 Shakespeare has made the big time No less than the Beatles or Liberace Elvis Presley or Mick Jagger Shakespeare is big time in the idiomatic sense of cultural success and widespread notoriety Not only has he achieved canonical status Shakespeare is a contemporary celebrity His artistic distinction and aptitude for controversy constantly keeps his name in the public eye Bristol debates Shakespeare s cultural authority and clarifies the semantics of his name in our culture Big Time Shakespeare suggests his plays represent the pathos of our civilisation with extraordinary force and clarity Shakespeare s contradictory understanding of the social and cultural past is also examined with close analysis of The Winter s Tale Othello and Hamlet **The Shakespeare Handbook** Andrew Hiscock, Stephen Longstaffe, 2015-04-06 Literature and Culture Handbooks are an innovative series of guides to major periods topics and authors in British and American literature and culture Designed to provide a comprehensive one stop resource for literature students each handbook provides the essential information and guidance needed from the beginning of a course through to developing more advanced knowledge and skills Written in clear language by leading academics they provide an indispensable introduction to key topics including Introduction to authors texts historical and cultural contexts Guides to key critics concepts and topics An overview of major critical approaches changes in the canon and directions of current and future research Case studies in reading literary and critical texts

Annotated bibliography including websites timeline glossary of critical terms The Shakespeare Handbook is an accessible and comprehensive introduction to Shakespeare and early modern literature *Shakespeare's Arguments with History* R. Knowles, 2001-12-21 Argument was the basis of Renaissance education both rhetoric and dialectic permeated early modern humanist culture including drama This study approaches Shakespeare's history plays by analyzing the use of argument in the plays and examining the importance of argument in Renaissance culture Knowles shows how analysis of arguments of speech and action take us to the core of the plays in which Shakespeare interrogates the nature of political morality and truth as grounded in the history of what men do and say *The Bible in Shakespeare* Hannibal Hamlin, 2013-08-29 The Bible in Shakespeare is a critical study of the links between the two great pillars of English culture the Bible and the works of Shakespeare

Shakespeare Scholars in Conversation Michael P. Jensen, 2019-07-15 Twenty four of today's most prominent Shakespeare scholars discuss the best known works in Shakespeare studies along with some nearly forgotten classics that deserve fresh appraisal An extensive bibliography provides a reading list of the most important works in the field A filmography then lists the most important Shakespeare films along with the films that influenced Shakespeare filmmakers Interviewees include Sir Stanley Wells Sir Jonathan Bate Sir Brian Vickers Ann Thompson Virginia Mason Vaughan George T Wright Lukas Erne MacDonald P Jackson Peter Holland James Shapiro Katherine Duncan Jones and Barbara Hodgdon

The Shakespeare Wars Ron Rosenbaum, 2011-11-09 Ron Rosenbaum is one of the most original journalists and writers of our time David Remnick In *The Shakespeare Wars* Ron Rosenbaum gives readers an unforgettable way of rethinking the greatest works of the human imagination As he did in his groundbreaking *Explaining Hitler* he shakes up much that we thought we understood about a vital subject and renews our sense of excitement and urgency He gives us a Shakespeare book like no other Rather than raking over worn out fragments of biography Rosenbaum focuses on cutting edge controversies about the true source of Shakespeare's enchantment and illumination the astonishing language itself How best to unlock the secrets of its spell With quicksilver wit and provocative insight Rosenbaum takes readers into the midst of fierce battles among the most brilliant Shakespearean scholars and directors over just how to delve deeper into the Shakespearean experience deeper into the mind of Shakespeare Was Shakespeare the one draft wonder of Shakespeare in Love Or was he rather as an embattled faction of textual scholars now argues a different kind of writer entirely a conscientious reviser of his greatest plays Must we then revise our way of reading staging and interpreting such works as *Hamlet* and *King Lear* Rosenbaum pursues key partisans in these debates from the high tables of Oxford to a Krispy Kreme doughnut shop in a strip mall in the Deep South He makes ostensibly arcane textual scholarship intensely seductive and sometimes even explicitly sexual At an academic Pleasure Seminar in Bermuda for instance he examines one scholar's quest to find an orgasm in *Romeo and Juliet* Rosenbaum shows us great directors as Shakespearean scholars in their own right We hear Peter Brook perhaps the most influential Shakespearean director of the past century disclose his quest for a secret play

hidden within the Bard's comedies and dramas We listen to Sir Peter Hall founder of the Royal Shakespeare Company as he launches into an impassioned table pounding fury while discussing how the means of unleashing the full intensity of Shakespeare's language has been lost and how to restore it Rosenbaum's hilarious inside account of the Great Shakespeare Funeral Elegy Fiasco a man versus computer clash illustrates the iconic struggle to define what is and isn't Shakespearean And he demonstrates the way Shakespearean scholars such as Harold Bloom can become great Shakespearean characters in their own right The Shakespeare Wars offers a thrilling opportunity to engage with Shakespeare's work at its deepest levels Like Explaining Hitler this book is destined to revolutionize the way we think about one of the overwhelming obsessions of our time

Shakespeare the Renaissance Humanist Anthony Raspa, 2016-03-15 During the Renaissance moral philosophy came to permeate the minds of many including the spectators that poured into Shakespeare's Globe theatre Examining these strains of thought that formed the basis for humanism Raspa delves into King Lear Hamlet among others to unlock what influence this had on both Shakespeare and his interpreters

Shakespeare's Original Stage Conditions and their Afterlives across the Globe Yu Jin Ko, 2024-09-06 This book brings together two separate fields by combining a study of Shakespeare's original stage conditions with an exploration of his plays in performance across the globe The book contributes new insights into how early modern stage conditions shaped the writing production and reception of Shakespeare's plays but takes the further step of examining how original stage conditions re-emerge not only in Globe replicas like the

London Globe but in unexpected and sometimes unconscious reconfigurations in adaptations and productions from around the world film versions of Othello from Mexico to India that take dancing cues and anxieties about dance from the play and centralize dance Korean adaptations for the madang or yard that reimagine Shakespeare's theatrical spaces and their relationships to audiences Noh re imaginings on film and onstage that foreground the theatrical a teen film remake of Othello that raises questions about how blackness is figured today and on Shakespeare's stage among others By studying original stage conditions and their global afterlives the book illuminates how global productions negotiate historical and cultural differences and thereby paradoxically engage with the cultural specificities of the present **Special Section, Updating**

Shakespeare on Masculinity Robin Headlam Wells, 2000-12-21 Reviews Shakespeare's view of masculinity through *The Tempest* *Hamlet* *Othello* *Macbeth* and others

Shakespeare's Humanism Robin Headlam Wells, 2005-12-08 Renaissance humanists believed that if you want to build a just society you must begin with the facts of human nature This book argues that the idea of a universal human nature was as important to Shakespeare as it was to every other Renaissance writer In doing so it questions the central principle of post modern Shakespeare criticism Postmodernists insist that the notion of defining a human essence was alien to Shakespeare and his contemporaries as radical anti essentialists the Elizabethans were in effect postmodernists before their time In challenging this claim Shakespeare's Humanism shows that for Shakespeare as for every other humanist writer in this period the key to all wise action was the knowledge of our selves and our human condition
