Miss America, 1945 Bess Myerson, Susan Dworkin, 1987 Index Queen Bess Jennifer Preston, 2016-03-29 This fascinating biography details the rise of the first Jewish Miss America TV star and political player and the scandal that toppled her career The New York Times When Bess Myerson the Bronx born daughter of Jewish immigrants was crowned Miss America in 1945 she was determined to break down gender barriers and be more than a beauty queen Amid rampant anti-Semitism she took advantage of her reign to call for an end to bigotry and hate Then after more than two decades as a glamorous television personality Myerson took on corporate America applying her celebrity as a consumer advocate to become an influential New York City political figure credited with helping elect Mayor Edward I Koch But behind the glittering public image Myerson struggled with unhappy marriages Then in her early sixties she found love with a much younger married man The romance put her at the center of a political corruption scandal that led to federal charges brought by US Attorney Rudolph W Giuliani ending the reign of Queen Bess New York's favorite daughter after more than forty years Award winning investigative journalist Jennifer Preston reveals Myerson's fascinating life story in this engaging biography Featuring interviews with Myerson herself and a new introduction from the author Queen Bess remains the most comprehensive account of this ambitious and talented woman who inspired, entertained and shocked millions "There She Is, Miss America" Elwood Watson, Darcy Martin, 2004-08-21 Publisher Description **Making an American Festival** Chiou-ling Yeh, 2023-11-15 This provocative history of the largest annual Chinese celebration in the United States the Chinese New Year parade and beauty pageant in San Francisco opens a new window onto the evolution of one Chinese American community over the second half of the twentieth century In a vividly detailed account that incorporates many different voices and perspectives Chiou-ling Yeh explores the origins of these public events and charts how from their beginning in 1953 they developed as a result of Chinese business community ties with American culture, business and politics What emerges is a fascinating picture of how an ethnic community shaped and was shaped by transnational and national politics, economics, ethnic movements, feminism and queer activism This provocative history of the largest annual Chinese celebration in the United States the Chinese New Year parade and beauty pageant in San Francisco opens a new window onto the evolution of one Chinese American community over the second half of the twentieth century **The Most Beautiful Girl in the World** Sarah Banet-Weiser, 2023-04-28 Sarah Banet-Weiser complicates the standard feminist take on beauty pageants in this intriguing look at a hotly contested but enduringly popular American ritual She focuses on the Miss America pageant in particular considering its claim to be an accurate representation of the diversity of contemporary American women Exploring the cultural constructions and legitimations that go on during the long process of the pageant Banet-Weiser depicts the beauty pageant stage as a place where concerns about national identity, cultural hopes and desires and anxieties about race and gender are crystallized and condensed The beauty pageant she convincingly demonstrates is a profoundly political arena

deserving of serious study Drawing on cultural criticism ethnographic research and interviews with pageant participants and officials *The Most Beautiful Girl in the World* illustrates how contestants invent and reinvent themselves while articulating the female body as a national body Banet Weiser finds that most pageants are characterized by the ambivalence of contemporary liberal feminism which encourages individual achievement self determination and civic responsibility while simultaneously promoting very conventional notions of beauty The book explores the many different aspects of the Miss America pageant including the swimsuit the interview and the talent competitions It also takes a closer look at some extraordinary Miss Americas such as Bess Myerson the first Jewish Miss America Vanessa Williams the first African American Miss America and Heather Whitestone the first Miss America with a disability Sarah Banet Weiser complicates the standard feminist take on beauty pageants in this intriguing look at a hotly contested but enduringly popular American ritual She focuses on the Miss America pageant in particular considering its claim to be an accurate

Marsha F. Cassidy, 2009-04-20 In this pathfinding book based on original archival research Marsha F Cassidy offers the first thorough analysis of daytime television's earliest and most significant women's genres appraising from a feminist perspective what women watched before soap opera rose to prominence After providing a comprehensive history of the early days of women's programming across the nation Cassidy offers a critical discussion of the formats programs and celebrities that launched daytime TV in America Kate Smith's variety show and the famed singer's unsuccessful transition from patriotic radio star to 1950s TV idol the charm boys Garry Moore Arthur Godfrey and Art Linkletter whose programs honored women's participation but in the process established the dominance of male hosts on TV and the misery shows *Strike It Rich* and *Glamour Girl* and the controversy both critical and legal they stirred up Cassidy then turns to NBC's *Home* show starring the urbane Arlene Francis who infused the homemaking format with Manhattan sophistication and the ambitious daily anthology drama *Matinee Theater* which strove to differentiate itself from soap opera and become a national theater of the air She concludes with an analysis of four popular audience participation shows of the era the runaway hit *Queen for a Day* Ralph Edwards's daytime show of surprises *It Could Be You* *Who Do You Trust* starring a youthful Johnny Carson and *The Big Payoff* featuring Bess Myerson the country's first Jewish Miss America Cassidy's close feminist reading of these shows clearly demonstrates how daytime TV mirrored the cultural pressures inconsistencies and ambiguities of the postwar era

The Force of Beauty Holly Grout, 2015-05-13

The market for commercial beauty products exploded in Third Republic France with a proliferation of goods promising to erase female imperfections and perpetuate an aesthetic of femininity that conveyed health and respectability While the industry s meteoric growth helped to codify conventional standards of womanhood The Force of Beauty goes beyond the narrative of beauty culture as a tool for sociopolitical subjugation to show how it also targeted women as important consumers in major markets and created new avenues by which they could express their identities and challenge or reinforce gender norms As cosmetics companies and cultural media from magazines to novels to cinema urged women to aspire to commercial standards of female perfection beauty evolved as a goal to be pursued rather than a biological inheritance The products and techniques that enabled women to embody society s feminine ideal also taught them how to fashion their bodies into objects of desire and thus offered a subversive tool of self expression Holly Grout explores attempts by commercial beauty culture to reconcile a standard of respectability with female sexuality as well as its efforts to position French women within the global phenomenon of changing views on modern womanhood Grout draws on a wide range of primary sources hygiene manuals professional and legal debates about the right to fabricate and distribute medicines advertisements for

beauty products and contemporary fiction and works of art to explore how French women navigated changing views on femininity Her seamless integration of gender studies with business history aesthetics and the history of medicine results in a textured and complex study of the relationship between the politics of womanhood and the politics of beauty *Bob and Ray* David Pollock,2014-03-01 8 page photo insert *Glamour* Stephen Gundle,2009-07-16 Glamour is one of the most tantalizing and bewitching aspects of contemporary culture but also one of the most elusive The aura of celebrity the style of the fashion world the vanity of the rich and beautiful and the publicity driven rites of caf society are all imbued with its irresistible magnetism But what exactly is glamour Where does it come from How old is it And can anyone quite capture its magic Stephen Gundle answers all these questions and more in this first ever history of the phenomenon from Paris in the tumultuous final decades of the eighteenth century through to Hollywood New York and Monte Carlo in the twentieth and twenty first centuries from Napoleon to Marlene Dietrich and Marilyn Monroe from Beau Brummell to Gianni Versace Throughout the book captures the excitement and sex appeal of glamour while exposing its mechanisms and exploring its sleazy and sometimes tragic underside As Gundle shows while glamour is exciting and magnetic its promise is ultimately an illusion that can only ever be partially fulfilled **A Time for Healing** Edward S.
