Boy Still Missing John Searles, 2009-10-13 It is June 1971 Dominick Pindle a tenderhearted but aimless Massachusetts teenager spends his nights driving around with his mother and dragging his wayward father out of bars Late one evening Dominick s search puts him face to face with his father s seductive mistress Edie Kramer Instantly in lust he begins a forbidden relationship with this beautiful mysterious woman Before long though their erotic entanglement leads to a shocking death and Dominick discovers that the mother he betrayed hid secrets as dark and destructive as his own Charged with the exhilarating narrative pace of a thriller and set during a complicated and explosive era Boy Still Missing is the critically acclaimed debut novel from John Searles It renders a deeply affecting portrait of a boy whose passage into adulthood proves as complex and impassioned as the history that unfolds before his eyes **Auto/Body** Vickie Vértiz, 2023-02-01 The poems in Auto Body are an inexhaustible engine sometimes a body sometimes flesh a sensual exploration of what it means to repair to remake to keep going even when rebuilding feels impossible From the greased up engines of auto body shops to the innumerable points of light striking the dance floor of a queer nightclub Auto Body winner of the Ernest Sandeen Prize in Poetry connects the vulnerability of the narrating queer body to the language of auto mechanics to reveal their shared decadence Behind the wheel of this book is an insistent humorous voice whose experiences have lent themselves to a deep intimate knowledge of survival driven by the pursuit of joy and exalted pleasure Raised in and near auto body shops Vickie V rtiz remembers visiting them to elevate the family car to examine what s underneath to see what s working and what s not The poetry in this book is also a body shop but instead we take our bodies identities desires and see what s firing In this shop we ask What needs changing How do our bodies transcend ways of being we have received so that we may become more ourselves From odes to drag to pushing back on the tyranny of patriarchy to loving too hard

and too queer to growing up working class in a time of incessant border violence and incarceration this collection combusts with blood and fuel In other words V rtiz writes to dissolve a colonial engine and reconstruct a new vessel with its remains
