Miss Bellard's Inspiration W. D. Howells, 2007-09-01 A facsimile reprint of W D Howells s 1905 novel **Miss Bellard's Inspiration** William Dean Howells, 2020 Miss Bellard s Inspiration has a charm altogether out of proportion to its pretensions It is no more than a novelette in dimensions and its story is of the simplest but displays in the telling a very delicate art There are six people concerned Miss Ballard and her anc the aunt and uncle with whom they spend a few days in the country and a married couple who are their guests by chance This couple proves to be singularly mismated and the spectacle afforded by their bickerings so alarms the heroine that she discards her lover lest some such future may be in store for them also She speaks by way of explanation about that strange sort of feeling I had that we would be like them if we married and that there was not room in the world for two such quarrelsome couples Later on when the jangling pair have reached the point of imminent divorce the rejected lover makes the following plea for a resumption of the old relations If they are separated for good and all don t you see that it gives us our chance The argument is convincing and these are the words in which the heroine describes her capitulation The point was a very ne one and I kept losing it but he never did and he held me to it so that when he did go away I promised him that I would think about it I did think about it and before morning I had a perfect inspiration My inspiration was that when I was so helpless to reason it out for myself I ought to leave it altogether to him and that is why we are going to be married in the spring This is the orthodox conclusion if brought about by whimsical means but we cannot escape a certain concern for the young man s future **The Literary Digest** ,1905 **Digest** ,1905 **Literary Digest** ,1905 Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1905 The Era Magazine ,1905 **The Bookman** ,1905 The Advance ,1905 **Harper's Weekly** John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1905 **Finding List of English Prose Fiction in the Chicago Public Library** ,1911 **American Fiction, 1901-1925** Geoffrey D.
