

Poles In America

Paul Fox

Poles In America:

America's Polish Heritage Joseph Anthony Wytrwal,1961 Scholarly study covering the period from 1608 to the present
A History of the Polish Americans John.J. Bukowczyk,2017-07-12 In the last rootless decade families neighborhoods and communities have disintegrated in the face of gripping social economic and technological changes Th is process has had mixed results On the positive side it has produced a mobile volatile and dynamic society in the United States that is perhaps more open just and creative than ever before On the negative side it has dissolved the glue that bound our society together and has destroyed many of the myths symbols values and beliefs that provided social direction and purpose In A History of the Polish Americans John J Bukowczyk provides a thorough account of the Polish experience in America and how some cultural bonds loosened as well as the ways in which others persisted *Polish Americans* James S. Pula,1995 The Polish American community has long been identified with three characteristics that the early immigrants brought with them to America writes Pula an affection and concern for their ancestral homeland a deep religious faith and a sense of shared cultural values Prominent among these values are family loyalty a desire for property ownership and pride in self sufficiency

The Poles in America Paul Fox,1922 *My Name is Million* W. S. Kuniczak,2000 This book is the story of those millions of Polish Americans whose quest for the American dream began in the blast furnaces forges quarries and coal pits of the American Midwest those whose dreams of and whose role in American life have until now gone unrecognised **A History of the Poles in America to 1908: Poles in the Eastern and Southern states** Waclaw Kruszk,1998 **A History of the Poles in America to 1908: A general history of the Polish immigration in America** Waclaw Kruszk,1993

America's Polish Heritage Joseph A. Wytrwal,1976 The Poles in the United States of America, Preceded by the Earliest History of the Slavonians, and by the History of Poland Charles V Kraitsir,2023-07-18 This fascinating historical study traces the origins and experiences of Polish immigrants in the United States from colonial times to the early 20th century Kraitsir also delves into the complex history of Poland itself providing valuable context for understanding the struggles and achievements of Polish Americans Anyone with an interest in immigration ethnic history or the American experience will find this book illuminating and thought provoking This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Who's who in Polish America Francis Bolek,1943 Polish Americans and Their History John J Bukowczyk,2017-03-13 This rich collection brings together the work of eight leading scholars to examine the history of Polish American workers women

families and politics **The Polish Peasant in Europe and America** William Isaac Thomas, Florian Znaniecki, 1920

Polish-American Politics in Chicago, 1880-1940 Edward R. Kantowicz, 1975-05 The new immigrants who came from southern and eastern Europe at the turn of the century have rarely been the subject of detailed scholarly examination In particular Poles and other Slavic groups have usually been written about in a filiopietist manner Edward Kantowicz fills this gap with his incisive work on Poles in Chicago Kantowicz examines such questions as why Chicago with the largest Polish population of any city outside of Poland has never elected a Polish mayor The author also examines the origins of the heavily Democratic allegiance of Polish voters Kantowicz demonstrates that Chicago Poles were voting Democratic long before Al Smith Franklin Roosevelt or the New Deal Kantowicz has made extensive use of registration lists and voting records to construct a statistical picture of Polish American voting behavior in Chicago He draws on church records and census records to provide a detailed description of Chicago s many Polish neighborhoods He also has studied the city s Polish language press as well as the few manuscript collections left by Polish American politicians These collections together with data gleaned from interviews with individuals who were acquainted with these figures are used to sketch profiles of the political leaders of Polonia s capital Kantowicz focuses on the goals which the Polish American community pursued in politics the issues they deemed important and the functions which politics served for them He links this analysis to observations on the homeland and the reasons for which the Poles emigrated In this context he is able to draw conclusions about the nature of the ethnic politics in general His work will appeal to a variety of readers urban and twentieth century historians political scientists and sociologists **A History of the Poles in America to 1908: A general history of the Polish immigration in America**

Wacław Kruszk, 1993 **The Polish American Encyclopedia** James S. Pula, 2010-12-22 At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity s rise to prominence This encyclopedia features three types of entries thematic essays topical entries and biographical profiles The essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience The topical entries discuss in detail specific places events or organizations such as the Polish National Alliance Polish American Saturday Schools and the Latimer Massacre among others The biographical entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia **Polish Americans and Their History** John J. Bukowczyk, Thomas Cushman, Stjepan Gabriel Meštrović, 1996 Polish Americans comprise one of America s largest ethnic groups Engaging contemporary methodological theoretical and historiographical issues this book examines the history of Polish American working people women and families religion and politics as well as other rarely studied issues Letters

from Readers in the Polish American Press, 1902-1969 Anna D. Jaroszynska-Kirchmann, 2013-12-11 A Corner for Everybody is a unique collection of close to five hundred letters from Polish American readers which were published in the Polish language weekly Ameryka Echo between 1902 and 1969 In these letters Polish immigrants speak in their own words about their American experience and vigorously debate religion organization of their community ethnic identity American politics and society and ties to the homeland The translated letters are annotated and divided into thematic chapters with informative introductions Polish Americans formed one of the largest European immigrant groups in the United States and their community Polonia developed a vibrant Polish language press which tied together networks of readers in the entire Polish immigrant Diaspora Newspaper editors encouraged their readers to write to the press and provided them with public space to exchange their views and opinions and share thoughts and reflections Ameryka Echo a weekly published from Toledo Ohio was one of the most popular and long lasting newspapers with international circulation For seven decades Ameryka Echo sustained a number of sections based on readers correspondence but the most popular of them was a Corner for Everybody which featured thousands of letters on a variety of topics The readers eagerly discussed everything from occurrences in local communities to issues paramount to the formation of their ethnic identity and assimilation church religion gender politics relations with new immigrant waves and other ethnic groups The letter writers debated the American labor movement and strikes described hardships of the Great Depression and World War II and argued about American domestic politics and foreign policy They also keenly followed changes in their homeland and called for work on behalf of the Polish nation The Ameryka Echo letters are a rich source of information on the history of Polish Americans which can serve as primary sources for students and scholars They also provide a new fascinating and lively look into the passions and experiences of individuals who created the larger American historical experience

The Poles in America Sigmund H. Uminski, 1962 *Polish American Voices* Anna D. Jaroszyńska-Kirchmann, James S. Pula, 2023-11-29 This volume presents 145 primary source documents of Polish immigrants from different waves and backgrounds speaking about their lives concerns and viewpoints in their own voices while they grapple with issues of identity and strive to make sense of their lives in the context of migration Poles have come to America since the Jamestown settlement in 1608 and constituted one of the largest immigrant groups at the turn of the 19th and 20th centuries As of 2020 the Census Bureau lists them as the sixth largest ethnic group in the country The history of their experience is an integral part of the American story as well as that of the broader Polish diaspora Each of the ten comprehensive chapters presents a specific theme illuminated by a selection of letters press articles fragments of memoirs and autobiographical fiction interviews organizational papers and other publications as well as visual sources such as cartoons posters and photographs Brief introductions to the documents and a Further Reading section offer historical context and point readers to additional resources The book provides students and scholars with a broad understanding and an incentive for future study of the Polish experience in the United States

The

Poles in America Joseph Anthony Wytrwal, 1969 A history of the Poles in the New World from the settlement of Jamestown through their participation in various wars to their present day contribution to American life
