Popular Cinema In Brazil 1930 2001:

Popular Cinema in Brazil: 1930-2001 Stephanie Dennison, Lisa Shaw, 2004-11-27 The recent international success of films such as *Central Station* and *City of God* has stimulated widespread interest in Brazilian film. This study provides insight into the Brazilian films that have most captured the imagination of domestic audiences over the years. This book focuses on individual films in their socio-historical context, drawing on extensive fieldwork in Brazil and Latin America. It argues that Brazilian cinema has almost always been grounded in intrinsically home-grown cultural forms dating back to the nineteenth century, including the Brazilian music hall, the traveling circus, radio shows, carnival, and later comedy television. Combining a chronological structure with new research and a lively approach, *Popular cinema in Brazil* is the ideal introduction to Brazilian cinema.

Popular cinema in Brazil, 1930-2001 Stephanie Dennison, Lisa Shaw, 2019-01-31 Brazil has one of the most significant and productive film industries in Latin America. This ground-breaking study provides an entertaining insight into the Brazilian films that have most captured the imagination of domestic audiences over the years. The recent international success of films such as *Central Station* and *City of God* has stimulated widespread interest in Brazilian film, but studies written in English focus on the auteur cinema of the 1960s. This book focuses on individual films in their socio-historical context, drawing on extensive fieldwork in Brazil and Latin America. It argues that Brazilian cinema has almost always been grounded in intrinsically home-grown cultural forms dating back to the nineteenth century, such as the Brazilian music hall, the travelling circus, radio shows, carnival, and later comedy television. Combining a chronological structure with groundbreaking research and a lively approach, *Popular cinema in Brazil* is the ideal introduction to Brazilian cinema.

A Dictionary of Film Studies Annette Kuhn, Guy Westwell, 2020-04-28 *A Dictionary of Film Studies* covers all aspects of its discipline as it is currently taught at undergraduate level. Offering exhaustive and authoritative coverage, this A-Z is written by experts in the field and covers terms, concepts, debates, and movements in film theory and criticism, national, international, and transnational cinemas, film history, movements, and genres, film industry organizations and practices, and key technical terms and concepts. Since its first publication in 2012, the dictionary has been updated to incorporate over 40 new entries, including computer games and film disability, ecocinema, identity, portmanteau, film practice as research, and film in Vietnam. Moreover, numerous revisions have been made to existing entries to account for developments in the discipline and changes to film institutions more generally. Indices of films and filmmakers mentioned in the text are included for easy access to relevant entries. The dictionary also has 13 feature articles on popular topics and terms, revised and informative bibliographies for most entries, and more than 100 web links to supplement the text.

Brazilian Railway Culture Martin Cooper, 2011-07-12 *Brazilian Railway Culture* examines the cultural relationship Brazil has had with its railways since tracks were first laid by British, American, and French engineers in the nineteenth century. *Railway* and *Brazil* are words not often found in the same sentence. Yet each year over seven hundred million passengers are carried by train in the major urban

centres and tens of thousands of visitors enjoy heritage steam rides at over a dozen restored lines and museums Brazilian Railway Culture starts from the premise that Brazilian society and culture is not just samba football and sex The book takes a journey through Brazilian cultural output from 1865 to the present day examining novels poetry music art film and television as well as autobiographies written histories and museums to uncover ways in which the railway has been represented This interdisciplinary study engages with theories of informal empire and postcolonialism Latin American studies cultural studies film and television studies literary criticism art history and criticism museum and heritage studies as well as railway studies This is a supplementary text for use by students on both undergraduate and postgraduate courses It will also be of interest to academics researchers and railway historians across a range of disciplines

Securing Sex Benjamin A. Cowan,2016-03-02 In this history of right wing politics in Brazil during the Cold War Benjamin Cowan puts the spotlight on the Cold Warriors themselves Drawing on little tapped archival records he shows that by midcentury conservatives individuals and organizations civilian as well as military were firmly situated in a transnational network of right wing cultural activists They subsequently joined the powerful hardline constituency supporting Brazil's brutal military dictatorship from 1964 to 1985 There they lent their weight to a dictatorship that Cowan argues operationalized a moral panic that conflated communist subversion with manifestations of modernity coalescing around the crucial nodes of gender and sexuality particularly in relation to youth women and the mass media The confluence of an empowered right and a security establishment suffused with rightist moralism created strongholds of anticommunism that spanned government agencies spurred repression and generated attempts to control and even change quotidian behavior Tracking how limits to Cold War authoritarianism finally emerged Cowan concludes that the record of autocracy and repression in Brazil is part of a larger story of reaction against perceived threats to traditional views of family gender moral standards and sexuality a story that continues in today's culture wars

Cinema and Inter-American Relations Adrián Pérez Melgosa, 2012 Cinema and Inter American Relations studies the key role that commercial narrative films have played in the articulation of the political and cultural relationship between the United States and Latin America since the onset of the Good Neighbor policy 1933 P rez Melgosa analyzes the evolution of inter American narratives in films from across the continent highlights the social effects of the technologies used to produce these works and explores the connections of cinema to successive shifts in hemispheric policy As a result Cinema and Inter American Relations reveals the existence of a continued cinematic conversation between Anglo and Latin America about a cluster of shared allegories representing the continent and its cultures P rez Melgosa contends that cinema has become a virtual contact zone of the Americas mediating in a variety of hemispheric political debates about the articulation of Anglo Latin American and Latino identities Cinema and Inter American Relations brings sustained attention to ongoing calls for a transnational focus on the disciplines of film studies American studies and Latin American studies and engages with current theories of the transmission of affect to delineate a new cartography of how to understand the Americas in relation to cinema

Consuming Visions Maite Conde, 2012 Consuming Visions explores the relationship between cinema and writing in early twentieth century Brazil focusing on how the new and foreign medium of film was consumed by a literary society in the throes of modernization Maite Conde places this relationship in the specific context of turn of the century Rio de Janeiro which underwent a radical transformation to a modern global city becoming a concrete symbol of the country s broader processes of change and modernization Analyzing an array of literary texts from journalistic essays and popular women s novels to anarchist treatises and vaudeville plays the author shows how the writers encounters with the cinema were consistent with the significant changes taking place in the city The arrival and initial development of the cinema in Brazil

were part of the new urban landscape in which early Brazilian movies not only articulated the processes of the city's modernization but also enabled new urban spectators women immigrants a new working class and a recently liberated slave population to see believe in and participate in its future In the process these early movies challenged the power of the written word and of Brazilian writers threatening the hegemonic function of writing that had traditionally forged the contours of the nation's cultural life An emerging market of consumers of the new cultural phenomena popular theater the department store the factory illustrated magazines reflected changes that not only modernized literary production but also altered the very life and everyday urban experiences of the population Consuming Visions is an ambitious and engaging examination of the ways in which mass culture can become an agent of intellectual and aesthetic transformation
