Post-Secondary Education in

Qatar Cathleen Stasz, Eric R. Eide, Paco Martorell, 2008-02-12 The government of Qatar has made significant investments in post secondary education to ensure that Qataris are able to contribute to the country's social and economic goals The authors describe RAND's analysis of occupational demand and related post secondary educational opportunities and offer recommendations for improving the country's current provision of post secondary education **A Survey of Recent Qatari Secondary School Graduates** Francisco Martorell, Vazha Nadareishvili, 2008 To help Qatar identify priorities for developing post secondary educational offerings this report presents the results of a survey of Qataris who left secondary school in 1998 concerning their education and employment experiences since graduation Most sample members worked in a government ministry or for an establishment owned by the government The survey showed sharp gender differences For example majors in education and the humanities were pursued exclusively by women And although more women than men had completed university training fewer women were employed Both male and female respondents felt that being made to feel respected and appreciated was the most important feature of a job This knowledge could help policymakers develop policies to foster greater willingness to work in the private sector **The New East**/המזרח החדש meisai.org.il, 2002-06-02 **המזרח החדש** 2001, **This Land Is Our Land** Suketu Mehta, 2019-06-04 A meticulously researched and deeply felt corrective laying bare the origins of mass migration in searing clarity Well argued cathartic Lauren Markham The New York Times Book Review A TIME MAGAZINE TOP TEN NONFICTION BOOK OF THE YEAR AN NPR STAFF PICK There are few subjects in American life that prompt more discussion and controversy than immigration But do we really understand it In This Land Is Our Land the renowned author Suketu Mehta attacks the issue head on Drawing on his own experience as an Indian born teenager growing up in New York City and on years of reporting around the world Mehta subjects the worldwide anti immigrant backlash to withering scrutiny As he explains the West is being destroyed not by immigrants but by the fear of immigrants Mehta juxtaposes the phony narratives of populist ideologues with the ordinary heroism of laborers nannies and others from Dubai to Queens and explains why more people are on the move today than ever before As civil strife and climate change reshape large parts of the planet it is little surprise that borders have become so porous But Mehta also stresses the destructive legacies of colonialism and global inequality on large swaths of the world When today's immigrants are asked Why are you here they can justly respond We are here because you were there And now that they are here as Mehta demonstrates immigrants bring great benefits enabling countries and communities to flourish Impassioned rigorous and richly stocked with memorable stories and characters This Land Is Our Land is a timely and necessary intervention and a literary polemic of the highest order A brilliant and urgently necessary book Salman Rushdie **Population Growth, Migration and Socio-demographic Policies in Qatar** Onn Winckler, 2000 **Sociological Abstracts** Leo P. Chall, 1988 *Statistical Reference Index*, 1981 **The Middle East, Abstracts and Index**, 2005 **Dette landet er også vårt** Suketa Mehta, 2020-03-19 F tema skaper mer debatt enn innvandring men har vi egentlig forstått hvorfor folk flytter på seg

Folk flykter fordi konflikter og klimaendringer har endret livsvilkene på store deler av kloden. I boken Dette landet er også vakkert skildrer forfatteren kolonialismens destruktive arv i mange land. Når dagens innvandrere får spørsmål: Hvorfor er dere her kan de med rette svare: Vi er her fordi dere var der. Forfatter Suketu Mehta viser at innvandrerne bidrar positivt til landet de bosetter seg i. Selv er han født i India men oppvokst i New York og har opplevd de negative holdningene mange innvandrere blir møtt med. Mehta mener vi i Vesten er i ferd med de legges ikke av innvandrere men av frykten for innvandrere. Dette er en glennende engasjert bok med sterke historier som berører. Boken er oversatt av Erik Ringen. Suketu Mehta fra 1963 har tidligere utgitt boken Maximum City Bombay Lost and Found som ble belønnet med en rekke priser. Hans arbeider har kommet på trykk i The New Yorker, The New York Times Magazine, National Geographic, Granta, Harper's Time og GQ. Han er født i Calcutta og bor nå i New York hvor han underviser i journalistikk ved New York University.
