Gendering Post-Soviet Space Tatiana Karabchuk, Kazuhiro Kumo, Kseniia Gatskova, Ekaterina Skoglund, 2021-02-01 This volume combines approaches from three disciplines economics sociology and demography and empirically analyzes the key aspects of the labor market and social demography processes in post Soviet transitional societies while focusing on the gender perspective Here readers will find empirical studies on such countries as Armenia Azerbaijan Belarus Estonia Georgia Kazakhstan Kyrgyzstan Russia Tajikistan Ukraine and Uzbekistan The volume contributes to the literature by addressing the lack of academic empirical research on gender difference issues in the labor markets of post Soviet countries as well as gender inequalities in fertility preferences gender disparities among the youth and elderly the gender pay gap gender differences in employment and female voices The

book brings together researchers of different disciplines from a variety of countries distinguishing this project as international and interdisciplinary The authors use the quantitative survey micro data approach as well as the qualitative methods of interview data analysis to provide a comprehensive and detailed overview of the economic and social developments in the region regarding gender differences The volume consists of three parts tackling the following topics 1 gender differences and demography family formation and fertility youth and elderly employment 2 gender differences and labor market gender wage gap motherhood wage penalty gender differences among freelancers and women in STEM science and 3 gender differences well being and gender equality attitudes women s voices women s collective actions gender equality attitudes and spending patterns of housewives

Rural Development in Eurasia and the Middle East Kurt Engelmann, 2016-04-18 Rural Development in Eurasia and the Middle East Land Reform Demographic Change and Environmental Constraints

Small-town Russia Anne White, 2004 This book examines a number of key questions about social change in contemporary Russia issues such as how people survive when they are not paid for months on end the New Poor the falling birth rate why so many Russian men die in middle age whether regional identities are becoming stronger and how people s sense of Russianness has developed since the creation of the Russian Federation in 1992 It examines these issues by looking at actual experiences in three small Russian towns It includes a great deal of original ethnographic research and by looking at real places overall provides a good sense of how different aspects of social change are interlinked and how they actually affect real people s lives

Migration, Homeland, and Belonging in Eurasia Cynthia J. Buckley, Blair A. Ruble, Erin Trough Hofmann, 2008-09-09 Migration a force throughout the world has special meanings in the former Soviet lands Soviet successor countries each with strong ethnic associations have pushed some racial groups out and pulled others back home Forcible relocations of the Stalin era were reversed and areas previously closed for security reasons were opened to newcomers These countries represent a fascinating mix of the motivations and achievements of migration in Russia and Central Asia Migration Homeland and Belonging in Eurasia examines patterns of migration and sheds new light on government interests migrant motivations historical precedents and community identities The contributors come from a variety of disciplines political science sociology history and geography Initial chapters offer overall assessments of contemporary migration debates in the region Subsequent chapters feature individual case studies that highlight continuity and change in migration debates in imperial and Soviet periods Several chapters treat specific topics in Central Eurasia and the Far East such as the movement of ethnic Kazakhs from Mongolia to Kazakhstan and the continuing attractiveness to migrants of supposedly uneconomical cities in Siberia

Dire Demographics Julie DaVanzo, Clifford Anthony Grammich, 2001 Presents a Rand study of population trends in the Russian Federation

Fragile Migration Rights Matthew Light, 2016-03-10 The Soviet Union comprehensively governed the mobility of its citizens by barring emigration and strictly regulating internal migration In the aftermath of the Soviet collapse the constitution and laws of the new Russian

Federation appeared to herald a complete break with the repressiveness of the previous government Russian law now proclaims the right of Russian citizens and residents to move around their country freely This book examines how and why this post Soviet legal promise of internal freedom of movement has been undermined in practice by both federal and regional policies It thereby adds a new dimension to scholarly understanding of the nature of rights citizenship and law enforcement in contemporary Russia Most contemporary works focus on the attempts of developed Northern countries to regulate migration from the global South to the global North here Matthew Light examines the restriction of migration within Soviet and post Soviet Russia providing a comprehensive view into an area rarely explored within migration scholarship *Fragile Migration Rights* develops a comprehensive theoretical framework to analyse this complex subject It is essential reading for students and academics from a range of disciplines including criminology human rights migration studies and political science

Rural Reform in Post Soviet Russia reviews change in agricultural and rural life since 1990 through historical political sociological and anthropological investigation The contributors interest is not so much in agriculture itself but in agrarian issues such as the relationship between rural interests and changing Russian institutions the economic and social organization of rural households and the quality of life in rural families and villages

Urban Growth

in Emerging Economies Gordon McGranahan, George Martine, 2014-04-29

Along with globalization urban transitions have been central in the southward shift in economic power towards the newly emerging economies As this book shows however these transitions have not been painless and it is important for the rest of the urbanizing world to learn from the mistakes It examines the role of urbanization and urban growth in the emerging economies taking the BRICS countries Brazil Russia India China and South Africa as case studies Their different approaches towards urbanization have shaped their historical development paths and assisted or constrained their futures Several of the BRICS bear heavy burdens from past failures to accommodate urban growth inclusively and efficiently and many other urbanizing countries in Asia and Africa are in danger of replicating their mistakes The overriding lesson of the book is that cities and nations must anticipate urbanization and accommodate urban growth pro actively so as not to be left with an enduring legacy of inequalities and lost opportunities This book is aimed at students and researchers in urban studies and development studies It will also be of interest to policy advisors concerned with urbanization and the role of cities in a country s development

Unmaking Russia's Abortion

Culture Michele Rivkin-Fish, 2024-11-25

As the predominant form of birth control in Soviet society abortion reflected key paradoxes of state socialism women held formal equality but lacked basic needs such as contraceptives With market reforms Russians enjoyed new access to Western contraceptives and new pressures to postpone childbearing until economically self sufficient But habits of family planning did not emerge automatically they required extensive physician retraining public education and cultural transformation In *Unmaking Russia's Abortion Culture* author Michele Rivkin Fish examines the

creative strategies of Russians who promoted family planning in place of routine abortion Rather than emphasizing individual rights they explained family planning s benefits to the nation its potential to strengthen families and prevent the secondary sterility that resulted when women underwent repeat poor quality abortions Still fierce debates about abortion and contraceptives erupted as declining fertility was framed as threatening Russia s demographic sovereignty Although Russian family planners embraced a culturally meaningful liberalism that would rationalize public policy and reenchant relations nationalist opponents cast family planning as suspicious for its association with the individualistic child free West This book tells the story of how Russian family planners developed culturally salient frameworks to promote the acceptability of contraceptives and help end routine abortion It also documents how nationalist campaigns for higher fertility denounced family planning and ultimately dismantled its institutions By tracing these processes *Unmaking Russia s Abortion Culture* demonstrates the central importance of reproductive politics in the struggle for liberalizing social change that preceded Russia s 2022 descent into war repression and global marginalization

Geography in America at the Dawn of the 21st Century

Gary L. Gaile, Cort J. Willmott, 2005 *Geography in America at the Dawn of the 21st Century* surveys American geographers' current research in their specialty areas and tracks trends and innovations in the many subfields of geography. As such, it is both a state-of-the-discipline assessment and a topical reference. It includes an introduction by the editors and 47 chapters, each on a specific specialty. The authors of each chapter were chosen by their specialty group of the American Association of Geographers (AAG). Based on a process of review and revision, the chapters in this volume have become truly representative of the recent scholarship of American geographers. While it focuses on work since 1990, it additionally includes related prior work and work by non-American geographers. The initial *Geography in America* was published in 1989 and has become a benchmark reference of American geographical research during the 1980s. This latest volume is completely new and features a preface written by the eminent geographer Gilbert White.
