Populism In Latin America:

Populism in Latin America Michael L. Conniff, 2012-07-31 This updated edition of *Populism in Latin America* discusses new developments in populism as a political phenomenon and the emergence of new populist political figures in Mexico Argentina and Venezuela in particular For more than one hundred years from the beginning of the twentieth to the early twenty first century Latin American populists proved amazingly successful at gaining high office holding on to power maintaining their followings and renewing their careers They raised more campaign money got more voters to the polls and held followers allegiances far better than traditional politicians Certainly some populist leaders were corrupt others manipulated their followers and still others disgraced themselves Nevertheless populist leaders were extraordinarily effective in reaching masses of voters and some left positive legacies for future generations *Populism in Latin America* examines the notion of populism in the political and social culture of Latin American societies as expressed through the populist leaders of several Latin American countries including Argentina Brazil Mexico Chile Ecuador Panama Peru and Venezuela This second edition also includes a new preface by Kenneth M Roberts professor of comparative and Latin American politics and the Robert S Harrison Director of the Institute for the Social Sciences at Cornell University Contributors Jorge Basurto Michael L Conniff Paul W Drake Steve Ellner Joel Horowitz Kenneth M Roberts W Frank Robinson Ximena Sosa Steve Stein Kurt Weyland

Explaining Support for Populism in Contemporary Latin America Dinorah Azpuru, 2024-08-05 *Explaining Support for Populism in Contemporary Latin America* investigates the stronghold that populism exerts on citizens in the developing world More specifically relying on regional surveys this book explores why many citizens consistently supported eight populist presidents who were elected in contemporary Latin America It examines the determinants of support for the populist presidents who governed Venezuela Ecuador Bolivia and Nicaragua between 1999 and 2019 and the variables that explain support for the most recent populist presidents in Mexico Brazil and El Salvador between 2018 and 2023 Unique to this approach is a strong emphasis on the demand side of populism and the use of country specific survey data across the years This book explores the determinants of support for populist presidents in four dimensions demographic variables ideological and policy preference variables performance variables and variables related to representative democracy Understanding what drives people to support populist leaders is critical for revitalizing representative democracy in Latin America Furthermore insights about the factors that lead citizens to support populism in Latin America can also inform the analysis of support for populism in other parts of the world

Right-Wing Populism in Latin America and Beyond Anthony W. Pereira, 2023-06-02 With contributions from 22 scholars and empirical material from 29 countries within and beyond Latin America this book identifies subtypes of populism to further understand right wing populist movements parties leaders and governments It seeks to examine whether the term populism continues to have any validity and what relationships it has to democracy Part 1 is an exploration of populism as an analytical concept It asks how populism can and should be defined

whether populism can be broken down into subtypes and whether the use of the term within and beyond Latin America in recent scholarship has been consistent Part 2 focuses on political economy and specifically whether political economy explanations of both the causes and consequences of right wing populism fit recent cases in Latin America Europe and the Philippines Part 3 examines institutions and in particular institutions of coercion and digital communication It contains chapter studies on various aspects of populism in Brazil Spain India and Italy Part 4 concerns the coronavirus pandemic and the specific case of right wing populism in Brazil It examines the Bolsonaro government's response to the coronavirus pandemic and how that response exacerbated the health crisis and reduced the government's popularity Right Wing Populism in Latin America and Beyond is a timely and socially relevant contribution to the understanding of contemporary challenges to democracy It will be of interest to scholars students and practitioners eager to understand the rise in right wing agendas across the globe

Populism in Latin America, 1999 *The Macroeconomics of Populism in Latin America*
Rudiger Dornbusch, Sebastian Edwards, 2007-12-01

Again and again Latin America has seen the populist scenario played to an unfortunate end Upon gaining power populist governments attempt to revive the economy through massive spending After an initial recovery inflation reemerges and the government responds with wage and price controls Shortages overvaluation burgeoning deficits and capital flight soon precipitate economic crisis with a subsequent collapse of the populist regime The lessons of this experience are especially valuable for countries in Eastern Europe as they face major political and economic decisions Economists and political scientists from the United States and Latin America detail in this volume how and why such programs go wrong and what leads policymakers to repeatedly adopt these policies despite a history of failure Authors examine this pattern in Argentina Brazil Chile Mexico Nicaragua and Peru and show how Colombia managed to avoid it Despite differences in how each country implemented its policies the macroeconomic consequences were remarkably similar Scholars of Latin America will find this work a valuable resource offering a distinctive macroeconomic perspective on the continuing controversy over the dynamics of populism

Latin American Populism in the Twenty-First Century Carlos de la Torre, Cynthia J. Arnson, 2013-08-13

Contributors to this volume take the long view of populism in Latin America placing current movements into the context of the past Venezuela's Hugo Chavez Bolivia's Evo Morales and Ecuador's Rafael Correa have brought the subject of Latin American populism once again to the fore of scholarly and policy debate in the region Latin American Populism in the Twenty first Century explains the emergence of today's radical populism and places it in historical context identifying continuities as well as differences from both the classical populism of the 1930s and 1940s and the neo populism of the 1990s Leading Latin American U S and European authors explore the institutional and socioeconomic contexts that give rise to populism and show how disputes over its meaning are closely intertwined with debates over the meaning of democracy By analyzing the discourse and policies of populist leaders and reviewing their impact in particular countries these contributors provide a deeper understanding of populism's democratizing promise as

well as the authoritarian tendencies that threaten the foundation of liberal democracy Gender and Populism in Latin America Karen Kampwirth, 2010 Analyzes populist movements in Argentina Bolivia Brazil Ecuador Mexico Nicaragua Peru and Venezuela from a gender perspective Considers the role of masculinity and femininity in populist leadership the impact of populism on democracy and feminism and women's critical roles as followers of these leaders From publisher description

Populism and Political Development in Latin America A. E. van Niekerk, 1974 Comparison of the functions performed by populist social movements in the modernization of political systems in Latin America includes historical backgrounds and covers political ideology government policies social problems patterns of political leadership the internal functions of nationalism interest groups political parties etc Bibliography pp 220 to 226 *The Resurgence of Populism in Latin America* Robert Rennie Barr, 2017 Latin America has recently experienced a powerful resurgence of populism a phenomenon that has had an outsized influence on the region's politics What explains this resurgence And what is distinctive about this new populist era Answering these questions Robert Barr offers a refined conceptualization of populism and an intriguing explanation of its recent electoral successes across the continent *When Democracy Trumps Populism* Kurt Weyland, Raúl L. Madrid, 2019-02-14 The victory of Donald Trump in the 2016 election left specialists of American politics perplexed and concerned about the future of US democracy Because no populist leader had occupied the White House in 150 years there were many questions about what to expect Marshaling the long standing expertise of leading specialists of populism elsewhere in the world this book provides the first systematic comparative analysis of the prospects for US democracy under Trump considering the two regions Europe and Latin America that have had the most ample recent experiences with populist chief executives Chapters analyze the conditions under which populism slides into illiberal or authoritarian rule and in so doing derive well grounded insights and scenarios for the US case as well as a more general cross national framework The book makes an original argument about the likely resilience of US democracy and its institutions **Populist Seduction in**

Latin America, Second Edition Carlos De La Torre, 2010-06 For anyone wishing a succinct and theoretically sophisticated concept building analysis of populist rhetoric and leadership style this book should be one your shelf Latin American Research Review *Explaining Support for Populism in Contemporary Latin America* Dinorah Azpuru de Cuestas, 2025

Populism and the Mirror of Democracy Francisco Panizza, 2005 Topics covered by the contributors to this volume include populism and the new right in English Canada religion and populism in contemporary Greece populism as an internal periphery of democratic politics and the discursive continuities of the Menemist rupture *Latin American Development from Populism to Neopopulism* Magda von der Heydt-Coca, 2021-12-06 Latin American Development from Populism to Neopopulism A Multidisciplinary Perspective explores the socioeconomic development of Latin America through the periods of populism military dictatorships neoliberalism and neopopulism by utilizing a multidisciplinary approach By analyzing the trends and main socioeconomic structures in each period von der Heydt Coca explains the interactions of economic social

and political spheres Paradigmatic case studies complement the picture of each period and draw on extensive literature covering economics history sociology and anthropology Special emphasis is placed on how the world economy constrains the socioeconomic development in the region by examining the influence of international financial organizations and hegemonic countries Von der Heydt Coca answers the complex question of why Latin American countries blessed with a bounty of natural resources and capable of industrialization could not escape their role as producers and exporters of primary goods

Populism Around the World Daniel Stockemer,2018-09-20 This book provides a global overview of populist actors and strategies around the globe from a comparative perspective By presenting six country studies on the United States France Poland Turkey the Philippines and Argentina the contributors analyze how parties from both the radical left and right use a populist discourse combining people centrism anti elitism and the exclusion of certain population cohorts from the national community They illustrate how populist actors mobilize and persuade citizens by using simple and slogan based language and charismatic leadership while offering simple solutions to complex problems Each case study describes the history of populism in the respective country current populist actors the strategies these parties and movements employ and how successful these tactics are within the population These case studies are embedded within two theoretical chapters that link the cases to the theoretical and empirical literature on populism This timely book will appeal to anyone interested in understanding the current enormous appeal of populist movements around the globe **Research Handbook on**

Populism Yannis Stavrakakis, Giorgos Katsambekis,2024-03-14 Examining one of the most hotly debated topics in contemporary politics media and academia the Research Handbook on Populism brings together a diverse range of academics from across the globe to provide a detailed and comprehensive overview of the developing field of populism research **Routledge Handbook of Global Populism** Carlos de la Torre,2018-10-10 This volume illustrates the diversity

of populism globally When seeking power populists politicize issues and point to problems that need to be addressed such as inequalities the loss of national sovereignty to globalization or the rule of unresponsive political elites Yet their solutions tend to be problematic simplistic and in most instances instead of leading to better forms of democracy their outcomes are authoritarian Populists use a playbook of concentrating power in the hands of the president using the legal system instrumentally to punish critics and attacking the media and civil society Despite promising to empower the people populists lead to processes of democratic erosion and even transform malfunctioning democracies into hybrid regimes The Routledge Handbook of Global Populism provides instructors students and researchers with a thorough and systematic overview of the history and development of populism and analyzes the main debates It is divided into sections on the theories of populism on political and social theory and populism on how populists politicize inequalities and differences on the media and populism on its ambiguous relationships with democratization and authoritarianism and on the distinct regional manifestations of populism Leading international academics from history political science media studies and sociology map innovative ideas

and areas of theoretical and empirical research to understand the phenomenon of global populism *Populism and World Politics* Frank A. Stengel, David B. MacDonald, Dirk Nabers, 2019-01-11 This volume is the first to analyze populism's international dimension its impact on and interaction with foreign policy and international politics The contributions to this volume engage conceptual theoretical issues and overarching questions such as the still under specified concept of populism or the importance of leadership and the mass media for populism's global rise They zoom in on populism's effect on both different countries foreign policies and core international concerns including the future of the liberal world order and the chances for international conflict and cooperation more generally

The Promise and Perils of Populism Carlos de la Torre, 2015-01-13 From the protesters in Cairo's Tahrir Square to the Tea Party in the United States to the campaign to elect indigenous leader Evo Morales in Bolivia modern populist movements command international attention and compel political and social change When citizens demand power to the people they evoke corrupt politicians imperialists or oligarchies that have appropriated power from its legitimate owners These stereotypical narratives belie the vague and often contradictory definitions of the concept of the people and the many motives of those who use populism as a political tool In *The Promise and Perils of Populism* Carlos de la Torre assembles a group of international scholars to explore the ambiguous meanings and profound implications of grassroots movements across the globe These trenchant essays explore how fragile political institutions allow populists to achieve power while strong institutions confine them to the margins of political systems Their comparative case studies illuminate how Latin American African and Thai populists have sought to empower marginalized groups of people while similar groups in Australia Europe and the United States often exclude people whom they consider to possess different cultural values While analyzing insurrections in Latin America advocacy groups in the United States Europe and Australia and populist parties in Asia and Africa the contributors also pose questions and agendas for further research This volume on contemporary populism from a comparative perspective could not be more timely and scholars from a variety of disciplines will find it an invaluable contribution to the literature

The Oxford Handbook of Populism Cristóbal Rovira Kaltwasser, Paul A. Taggart, Paulina Ochoa Espejo, Pierre Ostiguy, 2017 The Oxford Handbook of Populism presents the state of the art of research on populism from the perspective of Political Science The book features work from the leading experts in the field and synthesizes the main strands of research in four compact sections concepts issues regions and normative debates Due to its breadth *The Oxford Handbook of Populism* is an invaluable resource for those interested in the study of populism but also for experts in each of the topics discussed who will benefit from accounts of current discussions and research gaps as well as a map of new directions in the study of populism

Whispering the Strategies of Language: An Mental Quest through **Populism In Latin America**

In a digitally-driven world wherever screens reign great and quick transmission drowns out the subtleties of language, the profound techniques and mental subtleties hidden within words usually move unheard. However, located within the pages of **Populism In Latin America** a charming literary value blinking with fresh feelings, lies an exceptional quest waiting to be undertaken. Written by a skilled wordsmith, this marvelous opus attracts readers on an introspective trip, softly unraveling the veiled truths and profound affect resonating within the cloth of each word. Within the psychological depths of the moving review, we can embark upon a genuine exploration of the book is primary styles, dissect its captivating publishing design, and fail to the powerful resonance it evokes heavy within the recesses of readers hearts.
