Staging Language Urszula Clark,2019-01-14 Although there are many studies on linguistic variation as it relates to both traditional and new media such as film TV newspapers and online behavior little has been written about spoken performance in overt but face to face conversations This book bridges that gap and focuses on an in between zone between casual face to face conversations and the type of heavily scripted language of most traditional spoken media The book draws upon a substantial amount of empirical data in its investigation of the role played by performance texts in creating maintaining and challenging imagined communities and focuses upon the ways in which performance contributes to people s sense of the kinds of use for which dialect variational use is appropriate and those for which it is not It sheds light on how such stylization intersects with multiple social indexes and how performers and other creative artists challenge and mock hegemonic practices through enregistering a defined set of linguistic variables in the context of their performance and other associated written texts *Folklore, People, and Places* Jack Hunter,Rachael Ironside,2023-03-16 Folklore People and Place is a

contribution towards better understanding the complex interconnectivity of folklore people and place across a range of different cultural and geographical contexts The book showcases a range of international case studies from different cultural and ecological contexts showing how folklore can and does mediate human relationships with people and place Folklore has traditionally been connected to place telling tales of the land and the real and imaginary beings that inhabit storied places These storytelling traditions and practices have endured in a contemporary world yet the role and value of folklore to people and places has changed The book explores a broad range of international perspectives and considers how the relationship between folklore people and place has evolved for tourists and indigenous communities It will showcase a range of international case studies from different cultural and ecological contexts showing how folklore can and does mediate human relationships with people and place By exploring folklore in the context of tourism this book engages in a critical discussion of the opportunities and challenges of using storied places in destination development The case studies in the book provide an international perspective on the contemporary value of folklore to people and places engendering reflection on the role of folklore in sustainable tourism strategies This book will be of interest to students academics researchers in fields such as anthropology folklore tourism religious studies human geography and related disciplines It will also be of interest to scholars and practitioners of traditional ecological knowledge [Americana Portrait Sessions](#) Jeff Fasano,2023-04-15 Americana Portrait Sessions is the first photography book to take a comprehensive view of contemporary Americana music The collection features intimate portraits that reveal the strength heart and soul of nearly two hundred great artists from the big tent that is Americana music all shot through the expert lens of Jeff Fasano Fasano s unparalleled access to Americana artists

like Sheryl Crow Rhiannon Giddens Vince Gill Keb Mo Judy Collins John Oates The Avett Brothers The McCrary Sisters Lucinda Williams Margo Price Blind Boys of Alabama and Kris Kristofferson gives Americana Portrait Sessions the kind of authority that comes from true reach into the breadth of the genre But this collection is as important for the artists few fans know as for the ones with successful careers behind them While the book champions the diversity of race gender sexuality and age inherent in Americana music it also spans career arcs to bring lesser known acts into the spotlight Americana Portrait Sessions brings you backstage to the greenrooms and quiet corners where artists like The War and Treaty Jewel Jason Isbell and The Wooten Brothers aren't just artists performing but people hanging out

Ecocriticism and the Anthropocene in Nineteenth-Century Art and Visual Culture Maura Coughlin, Emily Gephart, 2019-09-06 In this volume emerging and established scholars bring ethical and political concerns for the environment nonhuman animals and social justice to the study of nineteenth century visual culture They draw their theoretical inspiration from the vitality of emerging critical discourses such as new materialism ecofeminism critical animal studies food studies object oriented ontology and affect theory This timely volume looks back at the early decades of the Anthropocene to query the agency of visual culture to critique create and maintain more resilient and biologically diverse local and global ecologies

Struggle against Atlantic Slavery Matt D. Childs, 2009-01-05 In 1812 a series of revolts known collectively as the Aponte Rebellion erupted across the island of Cuba comprising one of the largest and most important slave insurrections in Caribbean history Matt Childs provides the first in depth analysis of the rebellion situating it in local colonial imperial and Atlantic World contexts Childs explains how slaves and free people of color responded to the nineteenth century sugar boom in the Spanish colony by planning a rebellion against racial slavery and plantation agriculture Striking alliances among free people of color and slaves blacks and mulattoes Africans and Creoles and rural and urban populations rebels were prompted to act by a widespread belief in rumors promising that emancipation was near Taking further inspiration from the 1791 Haitian Revolution rebels sought to destroy slavery in Cuba and perhaps even end Spanish rule By comparing his findings to studies of slave insurrections in Brazil Haiti the British Caribbean and the United States Childs places the rebellion within the wider story of Atlantic World revolution and political change The book also features a biographical table constructed by Childs of the more than 350 people investigated for their involvement in the rebellion 34 of whom were executed *Eclectic Magazine, and Monthly Edition of the Living Age*, 1861 *Theatre of the People* Laurence Raw, 2015-10-29 Throughout World War II audiences in the United Kingdom craved entertainment even during the country's darkest days During this period actor manager Donald Wolfit and his theatre troupe toured Great Britain and Europe often at great risk After the war Wolfit broadened his tour bringing his brand of Shakespearean theatre to North American audiences Wolfit believed that

theatre should be accessible to everyone regardless of their socioeconomic origins It was this quality above all that accounted for his huge popularity throughout the fifteen years of his operation In *Theatre of the People* Donald Wolfitt's Shakespearean Productions 1937-1953 Laurence Raw looks at this tenacious personality whose determination to serve the nation by performing Shakespeare inspired audiences and fellow actors Drawing on a series of hitherto unpublished materials including letters and interviews this part biography and part social history creates a vivid picture of what life was like for the touring actor during WWII and beyond Recreating twelve of Wolfitt's touring dates throughout Great Britain and North America this volume also demonstrates theatre's importance as a source of mass entertainment and education as well as a propaganda tool Despite Wolfitt's popular appeal at the time he was doomed to remain on the periphery of the theatrical establishment This book contends that Wolfitt deserves to be recognized for his efforts in maintaining public morale during times of stress *Theatre of the People* will appeal not only to those interested in drama but also to students and scholars of history and popular entertainment in the 1940s and 1950s
