Portrait Of The Old West:

Portrait of the Old West McCracken Harold, 2001-08-01 *Portraits of Women in the American West* Dee Garceau-Hagen, 2013-04-15 Men are usually the heroes of Western stories but women also played a crucial role in developing the American frontier and their stories have rarely been told This anthology of biographical essays on women promises new insight into gender in the 19C American West The women featured include Asian Americans African Americans and Native American women as well as their white counterparts The original essays offer observations about gender and sexual violence the subordinate status of women of color their perseverance and influence in changing that status a look at the gendered religious legacy that shaped Western Catholicism and women in the urban and rural industrial and agricultural West

Portrait of the Old West. With a biographical check list of Western artists, etc. [With plates.]. Harold McCracken, 1952

Portrait of the Old West Harold McCracken, 2013-10 This is a new release of the original 1952 edition *The American West in Bronze, 1850-1925* Thayer Tolles, Thomas Brent Smith, 2013 Themes of the American West have been enduringly popular and *The American West in Bronze* features sixty five iconic bronzes that display a range of subjects from portrayals of the noble Indian to rough and tumble scenes of rowdy cowboys to tributes to the pioneers who settled the lands west of the Mississippi Fascinating texts offer a fresh look at the roles that artists played in creating interpretations of the vanishing West Whether based on fact fiction or something in between These artists including Charles M Russell and Frederic Remington embody a range of life experiences and artistic approaches *The American West in Bronze 1850 1925* is the first full scale exhibition to explore the aesthetic and cultural impulses behind the creation of statuettes with American western themes which have been so popular with audiences then and now Both the exhibition and this accompanying catalogue offer a fresh look at the multifaceted roles played by these sculptors in creating three dimensional interpretations of western life whether based on historical fact mythologized fiction or most often something in between Examples by such archetypal representatives of the West as Frederic Remington and Charles M Russell are complemented by the work of sculptors such as James Earle Fraser and Paul Manship who contributed to the popularity of the American bronze statuette even though their western subjects were less frequent Publisher s description American Paintings at Harvard Theodore E.
