Reading Southern History Interpreters And Interpretations:

Reading Southern History Glenn Feldman, 2001-10-09 This collection of essays examines the contributions of some of the most notable interpreters of American southern history and culture The volume includes 18 chapters on such notable historians as John Hope Franklin Anne Firor Scott and W J Cash

William Owen Carver's Controversies in the Baptist South Mark Robert Wilson, 2010 William Owen Carver 1868 1954 was a denominational stalwart and longtime professor of Missions and Comparative Religion at the Southern Baptist Theological Seminary Over the years Carver became embroiled in numerous denominational controversies This book tells these stories

The Dunning School John David Smith, J. Vincent Lowery, 2013-10-14 From the late nineteenth century until World War I a group of Columbia University students gathered under the mentorship of the renowned historian William Archibald Dunning 1857 1922 Known as the Dunning School these students wrote the first generation of state studies on the Reconstruction volumes that generally sympathized with white southerners interpreted radical Reconstruction as a mean spirited usurpation of federal power and cast the Republican Party as a coalition of carpetbaggers freedmen scalawags and former Unionists Edited by the award winning historian John David Smith and J Vincent Lowery The Dunning School focuses on this controversial group of historians and its scholarly output Despite their methodological limitations and racial bias the Dunning historians writings prefigured the sources and questions that later historians of the Reconstruction would utilize and address Many of their pioneering dissertations remain important to ongoing debates on the broad meaning of the Civil War and Reconstruction and the evolution of American historical scholarship This groundbreaking collection of original essays offers a fair and critical assessment of the Dunning School that focuses on the group s purpose the strengths and weaknesses of its constituents and its legacy Squaring the past with the present this important book also explores the evolution of historical interpretations over time and illuminates the ways in which contemporary political racial and social questions shape historical analyses

Politics and Religion in the White South Glenn Feldman, 2005-09-30 Politics while always an integral part of the daily life in the South took on a new level of importance after the Civil War Today political strategists view the South as an essential region to cultivate if political hopefuls are to have a chance of winning elections at the national level Although operating within the context of a secular government American politics is decidedly marked by a Christian influence In the mostly Protestant South religion and politics have long been nearly inextricable Politics and Religion in the White South skillfully examines the powerful role that religious considerations and influence have played in American political discourse This collection of thirteen essays from prominent historians and political scientists explores the intersection in the South of religion politics race relations and southern culture from post Civil War America to the present when the Religious Right has exercised a profound impact on the course of politics in the region as well as the nation The authors examine issues such as religious attitudes about race on the Jim Crow South Billy Graham s influence on the civil rights movement political activism and the Southern Baptist

Convention and Dorothy Tilly a white Methodist woman and her contributions as a civil rights reformer during the 1940s and 1950s The volume also considers the issue of whether southerners felt it was their sacred duty to prevent American society from moving away from its Christian origins toward a new secular identity and how this perceived God given responsibility was reflected in the work of southern political and church leaders By analyzing the vital relationship between religion and politics in the region where their connection is strongest and most evident *Politics and Religion in the White South* offers insight into the conservatism of the South and the role that religion has played in maintaining its social and cultural traditionalism

Writing Women's History Elizabeth Anne Payne, 2011-09-13 Contributions by Laura F Edwards Crystal Feimster Glenda E Gilmore Jacquelyn Dowd Hall Darlene Clark Hine Mary Kelley Markeeva Morgan Anne Firor Scott Laurel Thatcher Ulrich and Deborah Gray White Anne Firor Scott's *The Southern Lady From Pedestal to Politics 1830-1930* stirred a keen interest among historians in both the approach and message of her book Using women's diaries letters and other personal documents Scott brought to life southern women as wives and mothers as members of their communities and churches and as sometimes sassy but rarely passive agents She brilliantly demonstrated that the familiar dichotomies of the personal versus the public the private versus the civic which had dominated traditional scholarship about men could not be made to fit women's lives In doing so she helped to open up vast terrains of women's experiences for historical scholarship This volume based on papers presented at the University of Mississippi's annual Chancellor Porter L Fortune Symposium in Southern History brings together essays by scholars at the forefront of contemporary scholarship on American women's history Each regards *The Southern Lady* as having shaped her historical perspective and inspired her choice of topics in important ways These essays together demonstrate that the power of imagination and scholarly courage manifested in Scott's and other early American women historians work has blossomed into a gracious plentitude

The New Encyclopedia of Southern Culture Charles Reagan Wilson, 2014-02-01 Providing a chronological and interpretive spine to the twenty-four volumes of *The New Encyclopedia of Southern Culture* this volume broadly surveys history in the American South from the Paleoindian period approximately 8000 B C E to the present In 118 essays contributors cover the turbulent past of the region that has witnessed frequent racial conflict a bloody Civil War fought and lost on its soil massive in and out migration major economic transformations and a civil rights movement that brought fundamental change to the social order Charles Reagan Wilson's overview essay examines the evolution of southern history and the way our understanding of southern culture has unfolded over time and in response to a variety of events and social forces not just as the opposite of the North but also in the larger context of the Atlantic World Longer thematic essays cover major eras and events such as early settlement slave culture Reconstruction the New Deal and the rise of the New

South Brief topical entries cover individuals including figures from the Civil War the civil rights movement and twentieth century politics and organizations such as the Southern Christian Leadership Conference Daughters of the Confederacy and Citizens Councils among others Together these essays offer a sweeping reference to the rich history of the region

Crafting the Overseer's Image William E. Wiethoff, 2006 The first book length study of the overseer in four decades Wiethoff's study bridges historical legal and rhetorical scholarship to present a provocative investigation into the multifaceted roles of this oft forgotten figure in plantation society Wiethoff canvasses the period from 1650 through 1865 and across a southern expanse that stretches to include the Upper and Deep South Overseers left scant written evidence about their lives and times but Wiethoff unearths characterizations constructed by friends and enemies neighbors and strangers He also mines the legal record to gauge the impact of legislative and case law rhetoric on public memory *History and Hope in the Heart of Dixie* Gordon E. Harvey, Richard D. Starnes, Glenn Feldman, 2006-08-20 Can any good thing come from Auburn John Shelton Reed Revisiting race relations in an Upland South community Lacrosse Arkansas Brooks Blevins Southern accents the politics of race and the passage of the Economic Opportunity Act of 1964 Susan Youngblood Ashmore Is there a balm in Gilead Baptists and reform in North Carolina 1900 1925 Richard D Starnes The beginnings of interracialism Macon Georgia in the 1930s Andrew M Manis Race class the Southern conference and the beginning of the end of the New Deal coalition Glenn Feldman Wallaceism is an insidious and treacherous type of disease the 1970 Alabama gubernatorial election and the Wallace freeze on Alabama politics Gordon E Harvey Divide and conquer interest groups and political culture in Alabama 1929 1971 Jeff Frederick The scholar as activist Dewayne Key Evangelist for constitutional reform Bailey Thomson The historian as public policy activist Dan T Carter *Sisterly Networks* Catherine Clinton, 2020-10-06 Tracing the development of the field of southern women's history over the past half century Sisterly Networks shows how pioneering feminists laid the foundation for a strong community of sister scholars and delves into the work of an organization central to this movement the Southern Association for Women Historians SAWH Launched in 1970 the SAWH provided programming mentoring fundraising and outreach efforts to support women historians working to challenge the academic establishment In this book leading scholars reflect on their own careers in southern history and their experiences as women historians amid this pathbreaking expansion and revitalization of the field Their stories demonstrate how women created new archival collections expanded historical categories to include gender and sexuality reimagined the roles and significance of historical women wrote pioneering monographs and mentored future generations of African American women and other minorities who entered the academy and contributed to public discourse Providing a lively roundtable discussion of the state of the field contributors comment on present and future work environments and current challenges in higher education and academic publishing They offer profound and provocative insights on the ways scholars can change the future through radically rewriting the gender biases of recorded history Contributors Catherine Clinton Michele Gillespie Glenda E Gilmore Cherrisse
