
Reading Opera

EDITED BY ARTHUR GROOS
AND ROGER PARKER

Reading Opera

Scott L. Balthazar

Reading Opera:

Reading Opera Arthur Groos, Roger L. Parker, 2014-07-14 Libretto bashing has a distinguished tradition in the blood sport of opera writes Arthur Groos in the introduction to this broad survey of critical approaches to that much maligned genre To examine and to challenge the long standing prejudice against libretti and the scholarly tradition that has until recently reiterated it Groos and Roger Parker have commissioned thirteen stimulating essays by musicologists literary critics and historians Taken as a whole the volume demonstrates that libretti are now very much within the purview of contemporary humanistic scholarship Libretti pose questions of intertextuality transposition of genre and reception history They invite a broad spectrum of contemporary reading strategies ranging from the formalistic to the feminist And as texts for music they raise issues in the relation between the two mediums and their respective traditions Reading Opera will be of value to anyone with a serious interest in opera and contemporary opera criticism The essays cover the period from the early nineteenth to the early twentieth centuries with a particular focus on works of the later nineteenth century The contributors are Carolyn Abbate William Ashbrook Katherine Bergeron Caryl Emerson Nelly Furman Sander L Gilman Arthur Groos James A Hepokoski Jurgen Maehder Roger Parker Paul Robinson Christopher Wintle and Susan Youens Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Recognition in Mozart's Operas Jessica Waldoff, 2006-04-13 Since its beginnings opera has depended on recognition as a central aspect of both plot and theme Though a standard feature of opera recognition a moment of new awareness that brings about a crucial reversal in the action has been largely neglected in opera studies In *Recognition in Mozart's Operas* musicologist Jessica Waldoff draws on a broad base of critical thought on recognition from Aristotle to Terence Cave to explore the essential role it plays in Mozart's operas The result is a fresh approach to the familiar question of opera as drama and a persuasive new reading of Mozart's operas

Opera on Screen Marcia J. Citron, Professor Marcia J Citron, 2000-01-01 The author draws on ideas from diverse fields including media studies and gender studies to examine issues ranging from the relationship between sound and image to the place of the viewer in relation to the spectacle As she raises questions about divisions between high art and popular art and about the tensions between live and reproduced art forms Citron reveals how screen treatments reinforce opera's vitality in a media intensive age

Opera, Sex and Other Vital Matters Paul Robinson, 2002-06-08 *Opera Sex and Other Vital Matters* gathers both classic and never before published essays from one of the leading stylists in contemporary American letters and one of our more revered public intellectuals Paul Robinson Diverse and elegant the essays in this new collection showcase

the sly wit and lightly worn erudition of their author Each celebrates art and the flesh directing us to the twin ecstasies of music and eros The essays on opera gathered here explore how masterpieces like Fidelio and The Magic Flute reflect the intellectual currents of their day Be it the work of Verdi or Mozart Wagner or Strauss Robinson compels us to search for meaning not just in the lyrics of opera but also in the music In melody not libretto we are more likely to discern key historical complexities and appreciate the way opera transcends language and time The essays on sexuality meanwhile are ruminative funny and even moving At one moment Robinson measures whether homosexuality is the result of destiny or free choice In another he shares a touching exchange of letters with a gay student in the process of coming out The final essays that encompass other vital matters find Robinson at his most incisive Whether defending Freud as the most influential thinker of the twentieth century attacking the dreaded use of semicolons reflecting on his own mortality or even meditating on the nature of cats Sex Opera and Other Vital Matters is an eclectic work that will appeal to any reader interested in the continuing relevance of ideas to life

The New Grove Guide to Wagner and His Operas Barry Millington,2006-08-15 One of the most controversial figures in the history of ideas as well as music Richard Wagner continues to stimulate debate whenever his works are performed Drawing upon the scholarship of The New Grove Dictionary of Opera the most comprehensive dictionary of opera in the world Barry Millington offers a concise portable survey and guide which will make a welcome addition to the shelf of anyone who loves opera Millington has completely updated the original pieces and contributed four new chapters on Wagner including a summary of Wagner productions from 1876 to the present day a suggested listening and viewing guide complete chronology of Wagner's operas and a glossary of terms that will delight any opera goer In addition there are detailed entries on each of Wagner's operas a main biographical section and a group of separate articles on such topics as Leitmotif and Gesamtkunstwerk as well as a newly revised updated article on Bayreuth Complete with a new preface updated bibliography glossary and discography including first release dates of each recording The New Grove Guide to Wagner and his Operas furnishes both seasoned Wagner lovers and neophytes with all they require for an in depth appreciation of this unique historical figure

Opera: The Basics Denise Gallo,2013-01-11 Opera The Basics offers an excellent introduction to four centuries of opera Its easy to follow sections explore topics including the origins of opera basic terminology the history of major opera genres including serious opera comic opera semi serious opera and vernacular opera With key notes discography and videography this is the ideal book for students and interested listeners who want to learn more about this important musical genre

Opera as Anthropology Vlado Kotnik,2016-09-23 This book contemplates the relationship between opera and anthropology It rests on the following central arguments on the one hand opera is quite a new and exotic topic for anthropologists while on the other anthropology is still perceived as an unusual approach to opera Both initial arguments are indicative of the current situation of the relationship between anthropological discipline and opera research The book introduces the work of anthropologists and ethnographers whose personal and

professional affinity for opera has been explicated in their academic and biographical accounts Anthropological ethnological ethnographic and semiotic accounts of opera by Claude L vi Strauss Michel Leiris William O Beeman Denis Laborde Paul Atkinson and Philippe Joseph Salazar establish that opera can be a pertinent object of anthropological interest ethnographic investigation cultural analysis and historical reflection By touching on opera not merely as a musical aesthetic or artistic category but as a social cultural historical and transnational phenomenon that over the last four centuries has significantly influenced and reflected the identity of Western culture and society this monograph suggests that opera and anthropology no longer need be alien to one another

Opera Acts Karen Henson, 2015-01-15 Opera Acts explores a wealth of new historical material about singers in the late nineteenth century and challenges the idea that this was a period of decline for the opera singer In detailed case studies of four figures the late Verdi baritone Victor Maurel Bizet s first Carmen C lestine Galli Mari Massenet s muse of the 1880s and 1890s Sibyl Sanderson and the early Wagner star Jean de Reszke Karen Henson argues that singers in the late nineteenth century continued to be important but in ways that were not conventionally vocal Instead they enjoyed a freedom and creativity based on their ability to express text act and communicate physically and exploit the era s media By these and other means singers played a crucial role in the creation of opera up to the end of the nineteenth century

The Oxford Handbook of Opera Helen M. Greenwald, 2014 What IS opera Contributors to The Oxford Handbook of Opera respond to this deceptively simple question with a rich and compelling exploration of opera s adaption to changing artistic and political currents Fifty of the world s most respected scholars cast opera as a fluid entity that continuously reinvents itself in a reflection of its patrons audience and creators The synergy of power performance and identity recurs thematically throughout the volume s major topics Words Music and Meaning Performance and Production Opera and Society and Transmission and Reception Individual essays engage with repertoire from Monteverdi Mozart and Meyerbeer to Strauss Henze and Adams in studies of composition national identity transmission reception sources media iconography humanism the art of collecting theory analysis commerce singers directors criticism editions politics staging race and gender The title of the penultimate section Opera on the Edge suggests the uncertainty of opera s future is opera headed toward catastrophe or have social and musical developments of the last hundred years stimulated something new and exciting and well operatic In an epilogue to the volume a contemporary opera composer speaks candidly about opera composition today The Oxford Handbook of Opera is an essential companion to scholars educators advanced students performers and knowledgeable listeners those who simply love opera

Historical Dictionary of Opera Scott L. Balthazar, 2013-07-05 Opera has been around ever since the late 16th century and it is still going strong in the sense that operas are performed around the world at present and known by infinitely more persons than just those who attend performances On the other hand it has enjoyed periods in the past when more operas were produced to greater acclaim Those periods inevitably have pride of place in this Historical Dictionary of Opera as do exceptional singers and others who

combine to fashion the opera whether or not they appear on stage But this volume looks even further afield considering the cities which were and still are opera centers literary works which were turned into librettos and types of pieces and genres While some of the former can be found on the web or in other sources most of the latter cannot and it is impossible to have the whole picture without them Indeed this book has an amazingly broad scope The dictionary section with about 340 entries covers the topics mentioned above but obviously focuses most on composers not just the likes of Mozart Verdi and Wagner but others who are scarcely remembered but made notable contributions Of course there are the divas but others singers as well and some of the most familiar operas Don Giovanni Tosca and more Technical terms also abound and reference to different genres from antimasque to zarzuela Since opera has been around so long the chronology is rather lengthy since it has a lot of ground to cover and the introduction sets the scene for the rest This book should not be an end but rather a beginning so it has a substantial bibliography for readers seeking more specific or specialized works It is an excellent access point for readers interested in opera

Reading Opera Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reading Opera has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reading Opera has opened up a world of possibilities. Downloading Reading Opera provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reading Opera has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reading Opera. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reading Opera. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reading Opera, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reading Opera has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reading Opera Books

What is a Reading Opera PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reading Opera PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reading Opera PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reading Opera PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reading Opera PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
