Reading Wordsworth:

The Poems of William Wordsworth: Collected Reading Texts from the Cornell Wordsworth Volume III Jared R. Curtis, 2009-01-01 This is a collection of William Wordsworth's poetry *Wordsworth's Reading 1770-1799* Duncan Wu, 1993-01-29 A directory of authors and books read by Wordsworth before the age of thirty **Wordsworth's Reading 1800-1815** Duncan Wu, 1995 A comprehensive 1996 listing of authors and books read by William Wordsworth during the years of his greatest poetry **Reading Wordsworth** J.H. Alexander, 2016-06-17 First published in 1987 this book is written for those who are encountering Wordsworth for the first time and for those familiar with his works that are at a loss to understand his reputation or why his work has impressed them The strength of the author's approach is that it unravels the poet's true meaning and the process by which he all too frequently lost the voice of inspiration working and reshaping his poems until the original freshness disappeared It concentrates on helping the reader appreciate Wordsworth's distinctive and daring way with words and poetic structure By showing Wordsworth's failures the author demonstrates by contrast the achievements of his greatest works Wordsworth's Slumber and the Problematics of Reading Brian G. Caraher, 2010-11-01

Wordsworth's Unremembered Pleasure Alexander Freer, 2020 Wordsworth's Unremembered Pleasure explores the poet's sustained interest in the ethical and aesthetic value of overlooked underacknowledged and unremembered pleasures Such pleasures are marginal and fleeting they pass by silently and are recognized only retrospectively Yet they shape the aims technique and ultimately the whole affective economy of Wordsworth's writing Rather than understanding the domain of pleasure to be strictly subjective personal experience Wordsworth posits affects and attachments beyond conscious experience or possession Teasing apart unremembered pleasure from the psychoanalytic concepts of sublimation repression and trauma the book offers new interpretations of both well known and marginal poems rethinking familiar oppositions between childhood and maturity and between sensation and recollection By tracing affects which are not determinate sensations so much as unacknowledged gifts it demonstrates how retrospective pleasure undercuts fantasies of purely autonomous experience It argues for the centrality of surprise unremembered pleasure promises to disturb catch out and remake the person who encounters it More broadly it locates in Wordsworth's account of composition the resources to rethink poetic pleasure not as wish fulfilment nor as aesthetic escape but as an engaged and reparative relation to the world Book jacket *Language and Relationship in Wordsworth's Writing* Michael Baron, 2014-10-13 William Wordsworth 1770 1850 needs little introduction as the central figure in Romantic poetry and a crucial influence in the development of poetry generally This broad ranging survey redefines the variety of his writing by showing how it incorporates contemporary concepts of language difference and the ways in which popular and serious literature were compared and distinguished during this period It discusses many of Wordsworth's later poems comparing his work with that of his regional contemporaries as well as major writers such as Scott The key theme of relationship both between characters within poems

and between poet and reader is explored through Wordsworth's construction of community and his use of power relationships. A serious discussion of the place of sexual feeling in his writing is also included. **William Wordsworth's Poetry** Daniel Robinson, 2010-10-07 Daniel Robinson provides a comprehensive guide to studying Wordsworth at undergraduate level. Wordsworth's Heroes Willard Spiegelman, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact. Drawing on a backlist dating to 1893, Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1985.

Wordsworth's Bardic Vocation, 1787-1842 R. Gravil, 2003-10-13 From 1787 to 1842 Wordsworth was preoccupied with the themes of loss and death and with natural piety in the lives of people and nations. Beginning with his consciousness of the Bards and Druids of Cumbria, this book treats Wordsworth's oeuvre including the Gothic juvenilia, *The Ruined Cottage*, *Lyrical Ballads*, *Poems in Two Volumes*, *The Excursion*, and the *Poems of 1842*, as unified by a Bardic vocation to bind the living and the dead and to nurture the kind.

Decoding **Reading Wordsworth**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
