GOLD COURSE ** SPEED READING

Silviu Vasile, Today is the best day to evolve and continue the upward path you started when you chose personal development and which you should accelerate now when you use fast reading and live in the culture of speed reading

You may not have been successful because you lacked the determination to act in the most serious way possible

You relied on the SAFETY NET

You knew that no matter what you did you had a way out and a way to deal with failure

Success means going so far as to get to the POINT WITHOUT RETURN to the place where you can only go forward

You have no alternative but success because any other option is excluded

You have to look inside yourself and discover unsuspected resources

access your true power of the subconscious

Thus you will find brilliant ideas and realize how valuable and well prepared you are and how easy it is to make decisions that you would have postponed indefinitely

Success is the steps you take in the right

direction I believe that first of all the wisest decision you have to make is to be and remain honest People lose their integrity when they have no definite value or when resources are limited or endangered Evolution means peace and maintaining individual and collective integrity at a high level Speed reading is the factor that increases your value and helps you maintain your integrity The higher your value the more critical resources you have access to and the more you can negotiate and trade those resources Speed reading works as a lever for you and your purposes and all you have to do is use it You can easily retain substantial amounts of information over medium periods by training your memory and using your creativity This book challenges you to be creative and live your life challenging yourself and experiencing your inner freedom stepping out of your comfort zone and believing in yourself with all your might The technique and exercises presented will broaden your horizons and help you evolve Challenge yourself to be happy and enjoy the little things that happen Life sends you small joys and tries your patience and courage whenever a challenge comes that you have to overcome
