Honoré Jaxon Donald B. Smith, 2007-01-01 Born in

Toronto to a Methodist family and raised in Wingham Ontario William Henry Jackson attended the University of Toronto before moving to Prince Albert where he began to sympathize with the Métis and their struggle against the Canadian government Jackson became personal secretary to Louis Riel was captured by the Canadian militia during the 1885 Resistance and was convicted of treason and sentenced to an insane asylum near Winnipeg When he escaped to the United States joining the labour union movement he told everyone that he was Métis and modified his name to the Métis sounding Honor Jaxon After a lively career as a politically radical public figure in Chicago where he befriended among others the revolutionary architect Frank Lloyd Wright Jaxon eventually moved to New York City to attempt life as a real estate developer His ongoing project was to collect as many books newspapers and pamphlets relating to the Métis people as possible in an attempt to establish a library for their use However he was evicted from his basement apartment at the age of ninety His entire collection was dispersed most of it to the New York City garbage dump the remainder sold He died a month later in early 1952 Honor Jaxon Prairie Visionary completes Donald Smith's Prairie Imposters popular history trilogy concerning three prominent figures who all pretended a native ancestry they did not in fact possess Honor Jaxon Grey Owl and Long Lance

The Identities of Marie Rose Delorme Smith Doris Jeanne MacKinnon, 2012 This book relates the history and self-identifying process of a Métis woman who lived on the western plains of Canada during the transitional period from fur trade to sedentary agricultural economy Marie Rose Delorme Smith was a woman of French Métis ancestry who was born during the fur trade era and who spent her adult years as a pioneer rancher in the Pincher Creek district of southern Alberta Sold by her mother at the age of sixteen to a robe and whiskey trader several years older than her Marie Rose went on to raise seventeen children establish a boarding house take a homestead serve as medicine woman and midwife and to publish several articles in the early prairie ranch periodical Canadian Cattlemen The author relies on close readings of these articles as well as the diaries manuscripts and fictional writing of Marie Rose Delorme Smith along with personal interviews with her descendants These sources allow a close examination of the self-identifying process for Marie Rose as she negotiated the changing environment of the western plains during the late 1800s and early 1900s when large numbers of Anglo-speaking immigrants settled in the area Clearly proud of her Métis identity Marie Rose was a member of an extended family who served as Louis Riel's soldiers and she presented that identity tentatively in her own writings Roles which Marie Rose assumed with pride were those of author historian mother and historical character and these roles serve as themes from which to examine her life

Alan Bowker's Canadian Heritage 2-Book Bundle Alan Bowker, 2015-12-07 In this two book bundle Alan Bowker sheds new light on two subjects with a surprising connection the great Canadian writer Stephen

Leacock and the rise of Canada on the world stage which Leacock profiled with keen wit and observational skill With Bowker as your guide explore what it was really like to live through the great upheaval that pushed Canada to come into its own on the world stage A Time Such as There Never Was Before Ottawa Book Award 2015 Shortlisted The years after World War I were among the most tumultuous in Canadian history a period of unrelenting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade and its end was supposed to bring a world made new But the conflict had cost sixty thousand Canadian lives with many more wounded and had stirred up divisions in the young diverse country With Canada struggling to define itself labour farmers business the church social reformers and minorities all held extravagant hopes irrational fears and contradictory demands Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today On the Front Line of Life In the last decade of his life Stephen Leacock turned to writing informal essays that blended humour with a conversational style and ripened wisdom to address issues he cared about most education literature economics Canada and its place in the world and to confront the joys and sorrows of his own life With an introduction that sets them in the context of his life thoughts and times these essays reveal a passionate intelligent personal Leacock against a backdrop of Depression and war finding hope and conveying the timeless message that only the human spirit can bring social justice peace and progress

Dammed Brittany Luby, 2020-10-09 Dammed explores Canada's hydroelectric boom in the Lake of the Woods area It complicates narratives of increasing affluence in postwar Canada revealing that the inverse was true for Indigenous communities along the Winnipeg River Dammed makes clear that hydroelectric generating stations were designed to serve settler populations Governments and developers excluded the Anishinabeg from planning and operations and failed to consider how power production might influence the health and economy of their communities By so doing Canada and Ontario thwarted a future that aligned with the terms of treaty a future in which both settlers and the Anishinabeg might thrive in shared territories The same hydroelectric development that powered settler communities flooded manomin fields washed away roads and compromised fish populations Anishinaabe families responded creatively to manage the government sanctioned environmental change and survive the resulting economic loss Luby reveals these responses to dam development inviting readers to consider how resistance might be expressed by individuals and families and across gendered and generational lines Luby weaves text testimony and experience together grounding this historical work in the territory of her paternal ancestors lands she calls home With evidence drawn from archival material oral history and environmental observation Dammed invites readers to confront Canadian colonialism in the twentieth century

Metis Pioneers Doris Jeanne MacKinnon, 2018-03-15 In Metis Pioneers Doris Jeanne MacKinnon compares the survival strategies of two Metis

women born during the fur trade one from the French speaking free trade tradition and one from the English speaking Hudson s Bay Company tradition who settled in southern Alberta as the Canadian West transitioned to a sedentary agricultural and industrial economy MacKinnon provides rare insight into their lives demonstrating the contributions Metis women made to the building of the Prairie West This is a compelling tale of two women s acts of quiet resistance in the final days of the British Empire **Challenging Frontiers** Lorry W. Felske, Beverly Jean Rasporich, 2004 Challenging Frontiers The Canadian West is a multidisciplinary study using critical essays as well as creative writing to explore the conceptions of the West both past and present Considering topics such as ranching immigration art and architecture as well as globalization and the spread of technology these articles inform the reader of the historical frontier and its mythology while also challenging and reassessing conventional analysis **A Time Such as There Never Was Before** Alan Bowker, 2014-09-06 As much upheaval as WWI caused in Canada its aftermath was even more transformative for the country With victory and the return the troops Canadian society was now faced with the question of how to return to normalcy and what normal would mean as Canada emerged from its colonial status and found its independent national identity
