Larry Mays,Rick Ruddell,2012-03-09 This book provides a fresh look at the way the United States is choosing to deal with some of the serious or persistent youth offenders by transferring juvenile offenders to adult courts For more than 20 years now the attitude in some jurisdictions has been if you re old enough to do the crime you re old enough to do the time After two decades of applying this increasingly punitive mindset to juvenile offenders it is possible to see the actual consequences of transferring more and younger offenders to adult courts In Do the Crime Do the Time Juvenile Criminals and Adult Justice in the American Court System the authors apply their decades of experience both in the practical world and from unique research perspectives to shed light on the influence of public opinion and the political forces that shape juvenile justice policy in the United States The book provides a fresh look at the way the United States is choosing to deal with some of the serious or persistent juvenile offenders utilizing real life examples and cases to draw connections between transfer policies and individual outcomes
