Real Bernard Shaw:

Bernard Shaw Michael Holroyd, 1998 Holroyd has done a masterly job of cutting down his huge biography to a lively and manageable one volume life the definitive Shaw for the general reader and the student It has verve and pace the light and shade of his life are emphasized digressions cut and Shaw comes over just as much larger than life as he always was just as contrary and even more sympathetically and movingly portrayed This is a dazzling portrait of the man and his age **The Real Bernard Shaw** Maurice Colbourne, 1949 *George Bernard Shaw* G. K. Chesterton, 2013-05-15 The English public has commonly professed with a kind of pride that it cannot understand Mr Bernard Shaw There are many reasons for it which ought to be adequately considered in such a book as this But the first and most obvious reason is the mere statement that George Bernard Shaw was born in Dublin in 1856 At least one reason why Englishmen cannot understand Mr Shaw is that Englishmen have never taken the trouble to understand Irishmen They will sometimes be generous to Ireland but never just to Ireland They will speak to Ireland they will speak for Ireland but they will not hear Ireland speak All the real amiability which most Englishmen undoubtedly feel towards Irishmen is lavished upon a class of Irishmen which unfortunately does not exist The Irishman of the English farce with his brogue his buoyancy and his tender hearted irresponsibility is a man who ought to have been thoroughly pampered with praise and sympathy if he had only existed to receive them Unfortunately all the time that we were creating a comic Irishman in fiction we were creating a tragic Irishman in fact Never perhaps has there been a situation of such excruciating cross purposes even in the three act farce The more we saw in the Irishman a sort of warm and weak fidelity the more he regarded us with a sort of icy anger The more the oppressor looked down with an amiable pity the more did the oppressed look down with a somewhat unamiable contempt But indeed it is needless to say that such comic cross purposes could be put into a play they have been put into a play They have been put into what is perhaps the most real of Mr Bernard Shaw s plays *John Bull s Other Island* Best-Loved Bernard Shaw Anthony Roche, 2021-10-18 An attractive and approachable selection of the work of George Bernard Shaw One of the most remarkable writers of the 20th century Shaw contributed in a range of ways to both political and social writings as well as creating great works of literature Shaw is one of only two people to have won both an Academy Award and a Nobel Prize for Literature Shaw started from the most unpropitious of beginnings But he possessed a steely self determination and turned the unshakeable conviction that he would become a great writer into a self fulfilling prophecy This book features selections and extracts from his fiction plays essays and personal letters Bernard Shaw: His Life And Personality Hesketh Pearson, 2015-04-01 First published in 1942 Hesketh Pearson s much lauded biography has been hailed as the standard work on George Bernard Shaw Pearson wrote it with the close cooperation of Shaw All aspects of Shaw s life are explored including politics personal life letters writings contribution to English theatre and famous personalities of his time **Bernard Shaw** Frank Harris, 1931 *George Bernard Shaw, His Life and Works* Archibald Henderson, 1920 **A Good Man Fallen Among Fabians** Alick

West, George Bernard Shaw, 2011-05-01 *George Bernard Shaw* G. K. Chesterton, 2017-03-26 Chesterton's most famous philosophical opponent was the Irish playwright George Bernard Shaw Their debates in print and in public were a subject of great amusement and a source of one witty exchange after another Chesterton's book on Shaw appeared in 1909 When Shaw reviewed it he wrote This book is what everybody expected it to be the best work of literary art I have yet provoked Provocative certainly describes Chesterton's introduction to the book which consists of two sentences Most people say that they agree with Bernard Shaw or that they do not understand him I am the only person who understands him and I do not agree with him by Dale Ahlquist Chesterton.org *George Bernard Shaw and His Plays* Archibald Henderson, Gilbert Keith Chesterton, It is a circumstance of no little significance that Bernard Shaw and Oscar Wilde two dramatists whose plays have achieved so notable a success on the European stage should both have been born in Dublin within two years of one another It has been the good fortune of no other living British or Irish dramatist of our day to receive the enthusiastic acclaim of the most cultured public of continental Europe What more fitting and natural than this sustention by the countrymen of Swift and Sheridan of the Celtic reputation for brilliancy cleverness and wit George Bernard Shaw was born on July 26th 1856 well nigh a century later than his countryman and fellow townsman Richard Brinsley Sheridan Only one year before in 1855 was born Shaw's sole rival to the place of the foremost living dramatist of the United Kingdom Arthur Wing Pinero It is an interesting coincidence that the year which saw the demise of that first man of his century Heinrich Heine also witnessed the birth of the brilliant and original spirit who is in some sense his natural and logical successor Bernard Shaw There is some suggestion of the workings of that wonderful law of compensation which Emerson preached with such high seriousness in this synchronous relation of birth and death connecting Heine and Shaw The circumstance might be said to proclaim the unbroken continuity of the comic spirit Bernard Shaw possesses the unique faculty of befuddling the brains of more sane writers than any other living man The critic of conventional view point is dismayed by the discovery that Shaw is bound by no conventions whatever with the possible exception of the mechanical conventions of the stage Shaw is essentially an intellectual not an emotional talent the critic of large imaginative sympathy discovers in him one who on occasion disclaims the possession of imagination Unlike the idealist critic Shaw is never a hero worshipper he derides heroism and makes game of humanity To the analytic critic with his schools his classifications his labellings Shaw is the elusive and unanalyzable quantity a fantastic original a talent wholly sui generis With all his realism he cannot be called the exponent of a school It would be nearer the truth to say that he is himself a school It is futile to attempt to measure Shaw with the foot rule of prejudice or convention Only by placing oneself exactly at his peculiar point of view and recording the impressions received without prejudice preference or caricature can one ever hope to fathom the mystery of this disquieting intelligence Most mocking when most serious most fantastic when most earnest his every word belies his intent The antipode to the farcicality of pompous dulness his gravity is that of the masquerader in motley the mordant humour of the licensed fool Contradiction

between manner and meaning between method and essence constitutes the real secret of his career The truly noteworthy consideration is not that Shaw is incorrigibly fantastic and frivolous the alarming fact is that he is remarkably consistent and profoundly in earnest The willingness of the public to accept the artist at his face value blinds its eyes to the profound almost grim seriousness of the man The great solid and central fact of his life is that he has used the artistic mask of humour to conceal the unswerving purpose of the humanitarian and social reformer The story of the career of George Bernard Shaw in whom is found the almost unprecedented combination of the most brilliantly whimsical humour with the most serious and vital purpose has already even in our time taken on somewhat of the character of a legend It might become a fairy story in very fact if we did not finally determine to relate it to associate it in printed form with the life of our time How to write the biography of so complex a nature The greatest living English dramatic critic once confessed that he never approached a more difficult task than that of interpretation of Shaw s plays One of Shaw s most intimate friends once suggested that the title of his biography would probably be The Court Jester who was Hanged A few years ago in discussing with me the plan of his biography Mr Shaw suggested for it the euphonious if journalistic title G B S Biography and Autobiography Though the book as a whole is not developed along the lines originally suggested sufficiently to render that title truly applicable for this first chapter surely none could be more suitable These Dublin Days have been reproduced by Shaw with much amplitude and more or less precision so that accepting Shaw s definition of Autobiography and mine of Biography the result will be a narrative of much falsehood and perhaps a little truth All autobiographies are lies is Shaw s fundamental thesis I do not mean unconscious unintentional lies I mean deliberate lies No man is bad enough to tell the truth about himself during his lifetime involving as it must the truth about his family and friends and colleagues And no man is good enough to tell the truth in a document which he suppresses until there is nobody left alive to contradict him The true the real autobiography will never be written no man no woman Rousseau Marie Bashkirtseff ever dared to write it Were one to attempt to write the book entitled My Heart Laid Bare as Poe says somewhere in his Marginalia the paper would shrivel and blaze at every touch of the fiery pen Shaw once tried the experiment within certain limits of being candidly autobiographical He produced no permanent impression because nobody ever believed him but the extent to which he stood compromised with his relations may well be imagined His few confidential reminiscences won him the reputation of being the most reckless liar in London they reeked too strongly of the diabolism mentioned by Poe And yet we must accept Shaw s comically irreverent autobiographical details in view of his assertion that they are attempts at genuine autobiography
