Real Deadly:

Real Theatre Paul Rae, 2019 Draws on musicals plays and experimental performances to show what theatre is made of and how we experience it All My Mob Ruby Langford Ginibi, 2007 A compelling collection of reminiscences on family life Indigenous social issues and being Aboriginal in today's Australia Making Rights Real Charles R. Epp, 2010-02-15 It's a common complaint the United States is overrun by rules and procedures that shackle professional judgment have no valid purpose and serve only to appease courts and lawyers Charles R Epp argues however that few Americans would want to return to an era without these legalistic policies which in the 1970s helped bring recalcitrant bureaucracies into line with a growing national commitment to civil rights and individual dignity Focusing on three disparate policy areas workplace sexual harassment playground safety and police brutality in both the United States and the United Kingdom Epp explains how activists and professionals used legal liability lawsuit generated publicity and innovative managerial ideas to pursue the implementation of new rights Together these strategies resulted in frameworks designed to make institutions accountable through intricate rules employee training and managerial oversight Explaining how these practices became ubiquitous across bureaucratic organizations Epp casts today's legalistic state in an entirely new light Ogden's Revised California Real Property Law Melvin Bolli Ogden, Arthur G. consideration of a range of plays including *Doctor Faustus* and *Richard III* Genevieve Love argues that the figure of the physically disabled prosthetic body in early modern English theatre mediates a set of related likeness problems that structure the theatrical textual and critical lives of the plays of Shakespeare and his contemporaries The figure of disability stands for the relationship between actor and character prosthetic disabled characters with names such as Cripple and Stump capture the simultaneous presence of the fictional and the material embodied world of the theatre When the figure of the disabled body exits the stage it also mediates a second problem of likeness between plays in their performed and textual forms While supposedly imperfect textual versions of plays have been characterized as lame the dynamic movement of prosthetic disabled characters in the theatre expands the figural role which disability performs in the relationship between plays on the stage and on the page Early Modern Theatre and the Figure of Disability reveals how attention to physical disability enriches our understanding of early modern ideas about how theatre works while illuminating in turn how theatre offers a reframing of disability as metaphor

Practicing with Paul Presian R. Burroughs, 2018-04-03 Collecting essays from prominent scholars who span the globe and academic disciplines *Practicing with Paul* speaks into the life of the church in ways that inspire and edify followers and ministers of Jesus Christ Each contribution delves into the details and historical contexts of Paul's letters including the interpretation of those texts throughout church history Meanwhile each author interprets those details in relation to Christian practice and suggests implications for contemporary Christian ministry that flow out of this rich interpretive process By modeling forms of interpretation that are practically oriented this book provides inspiration for current and future Christian ministers as they too attempt to incarnate the ways of Christ along with Paul

The Dracula Journals: Ravaged Souls Thom Reese, *Dracula* kept a journal A firsthand account of his life death and resurrection as a creature of the night But this journal is more than just words It carries the very essence of the vampire himself And through the mysterious power of the journal *Dracula* still lives 1977 A small Midwestern town There are disappearances strange deaths bloodless corpses One man Conner Mulligan the survivor of a vampire encounter a decade earlier recognizes the signs and enlists the aid of Jonathan Van Helsing a man whose family has been at war with vampires and with *Dracula* in particular since the late eighteenth century It's been fifteen years since Van Helsing last encountered *Dracula* but he recognizes this series of strange and brutal murders as the work of the legendary vampire And so he and his adult children join Mulligan in this small isolated town with the goal of slaying *Dracula* once and for all But there is more to these increasingly savage deaths than they'd anticipated a sinister plan conceived by the vampire demon And as the body count grows the hunters realize that they are now the hunted and that they must fight for their very survival or join *Dracula* in his eternal midnight

Theatrical Theology Wesley Vander Lugt, Trevor Hart, 2014-07-31 Theology is inherently theatrical rooted in God's performance on the world stage and oriented toward faith seeking performative understanding in the theatre of everyday life Following Hans Urs von Balthasar's magisterial five volume *Theo Drama* a growing number of theologians

and pastors have been engaging more widely with theatre and drama producing what has been recognized as a theatrical turn in theology This volume includes thirteen essays from theologians and pastors who have contributed in distinct ways to this theatrical turn and who desire to deepen interdisciplinary dialogue between theology and theatre The result is an unprecedented collection of essays that embodies and advances theatrical theology for the purpose of enriching theological reflection and edifying the church
