Real Family Values Leading Your Family Into The Twentyfirst Century With Clarity And Conviction:

Real Family Values Robert Lewis,1995-03 A must read book written for parents looking for relevant biblical answers to tough family issues seeking help in rearing confident children in today s society desiring cutting edge Christian living that impacts culture

True Sexual Morality Daniel R. Heimbach,2004-11-09 Daniel Heimbach examines the biblical teachings on sexual morality as well as four counterfeit views that have crept into our sexually revolutionized society He gives us an in depth look at the moral relativism that has spread through our culture and opens our eyes to the effects that nonbiblical sexual choices have on individuals the family the church and the culture

God, Marriage, and Family (Second Edition) Andreas J. Köstenberger,David W. Jones,2010-05-05 The release of the landmark first edition of God Marriage and Family provided an integrated biblical treatment of God s purposes for the home Since then explain authors Andreas K stenberger and David Jones the crisis confronting modern households has only intensified and yet the solution remains the same obedience to and application of God s Word In the second edition of God Marriage and Family K stenberger and Jones explore the latest controversies cultural shifts and teachings within both the church and society and further apply Scripture s timeless principles to contemporary issues This new edition includes an assessment of the family integrated church movement discussion of recent debates on corporal punishment singleness homosexuality and divorce and remarriage new sections on the theology of sex and the parenting of teens and updated bibliographies This book will prove to be a valuable resource for personal and group study Christian counseling and marriage and family courses

Evangelical Feminism and Biblical Truth Wayne Grudem,2012-11-30 What does the Bible really teach about the roles of men and women Bible scholar Wayne Grudem carefully draws on 27 years of biblical research as he responds to 118 arguments often levied against traditional gender roles Grudem counters egalitarian and feminist critiques with clarity compassion and precision showing God s equal value for men and women while celebrating the beauty in their differences

Christian Ethics (Revised Edition) Wayne Grudem,2024-09-18 What Does the Bible Teach about How to Live in Today s World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God s will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book Systematic Theology draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of Systematic Theology and the What the Bible Says About series Biblical and Applicable Teaches

readers how to protect 7 central tenets of God's law: God's honor, human authority, life, marriage, property, truth, and purity of heart. Accessible. An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter. Replaces ISBN 978 1 4335 4965 6 **Countering the Claims of Evangelical Feminism** Wayne Grudem, 2006-10-16 This is the most thorough, balanced, and biblically accurate treatment of feminism and the Bible I have seen. Stu Weber, Evangelical feminists boldly assert that male and female roles in the church are interchangeable. Society reflects the argument. But what does the Bible have to say? Wayne Grudem offers more than forty biblical responses to the most crucial questions on this topic, showing God's equal value in men and women and why their roles in the church are complementary, not interchangeable. This to the point handbook is a valuable resource enabling every Christian to grasp the issues, including: What the Bible says about the roles of men and women in marriage; Women in the church and in church leadership; Theology and the concepts of equality, fairness, and justice. Claims that a complementarian view is harmful. No one will be able to deny the cumulative strength of the case this author makes. J. I. Packer. After the Bible, I cannot imagine a more useful book for finding reliable help in understanding God's will for manhood and womanhood in the church and the home. John Piper **Culture Wars** Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades. This new edition provides an enlightening and comprehensive A to Z ready reference, now with supporting primary documents on major topics of contemporary importance for students, teachers, and the general reader. It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context. With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues, this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today. Faith in the Family Dale Salwak, 2001 Is the institution of the family in trouble? If so, is there hope for restoration? Faith in the Family illustrates what families offer to children and parents alike. The lessons are conveyed through stories from the author's personal life as well as from people with very different backgrounds. References from scripture and quotations from poets, memoirists, and novelists provide further insight. American Book Publishing Record R.R. Bowker Company, 1978 Real Family Values Robert Lewis, 2000-03-15 This rerelease of the popular original edition continues to speak to parents in a society where family values no longer seem to exist. If anything, today's community standards threaten the family. Airwaves and movie theaters are drenched with obscenities, perversion is glorified, divorce is cheap and easy, safe sex is promoted instead of abstinence, parental authority is undermined, sex roles are confused. For children, such cultural chaos is crippling. But in Real Family Values, parents will learn how to sort through today's moral confusion, remove it from their homes, and change the world by zeroing in on the part they love most: their families.
