Practices for Nurturing
Children's Spiritual Lives

karen marie yust

Real Kids Real Faith

Sister Patricia Helene Earl

Real Kids Real Faith:

Real Kids, Real Faith Karen Marie Yust, 2004-04-05 In a culture that has lost touch with love compassion and meaning how can parents be intentional about building a spiritual foundation for their children s development In looking to their own upbringing for guidance parents often feel even more at a loss they don t want to make the same mistakes their parents did so they either become too strict or they take a completely hands off approach A pastor a teacher and a mother Karen Marie Yust offers a refreshing array of resources and provisions to guide and sustain parents and children on thier mutual journey Drawn from a three year study of children s spirituality as well as the best in theological tradition and literature Real Kids Real Faith provides insight and a variety of helpful tips for nurturing children s spiritual and religious formation Yust challenges the prevailing notion that children are unable to grasp religious concepts and encourages parents to recognize children as capable of authentic faith

Sex + Faith Kate Ott, 2013-01-01 Talking with your child about sex can be scary Sex Faith helps parents incorporate their faith values with sexual information so they can answer questions discuss sexuality at each stage of childhood and show support of sexual differences Section one explains how faith relates to sexuality and the essential role parents play in forming healthy faithful sexually educated children The second section designates a chapter for four age groupings of children from infancy through high school Each chapter explains the biological and developmental issues of the age answers questions children tend to have provides relevant Biblical and faith stories helpful to discuss with children of that age and lists five to ten key educational issues for parents to keep in mind Shaded text boxes are interspersed throughout the book with real life practical questions that parents and children ask Expertly written by Kate Ott Sex Faith is an easy to use reference guide for parents of kids of all ages

Imagination and the Journey of Faith Sandra M. Levy, 2008-09-05 This book will speak to all readers whether religious believers or not who wish to strengthen and deepen the imaginative power of their spiritual lives

Formational Children's Ministry (ēmersion: Emergent Village resources for communities of faith) Ivy Beckwith, 2010-01-01 Much ministry to children looks more like mere entertainment than authentic spiritual formation But what if children s ministries were rooted in a mind set whereby we taught children with our words and actions how the story of God the story of church history the story of the local community and the story of the child intersect and speak to one another What if children s ministry was less about downloading information into kids heads and more about leading them into these powerful compelling stories Beckwith aims to help ministers and parents create a ministry that captures children s imaginations not just to keep them occupied but to live as citizens of the kingdom of God In addition to providing theological reasons for formational children s ministry the book offers examples of how Ivy and other practitioners are implementing a formational model

The Kingdom of Children R. L. Stollar, 2023-11-14 Empower the children in your faith community Children are marginalized in our churches dismissed into Sunday school or silenced for lengthy sermons aimed at adults R L Stollar has spent his career advocating for the rights of children and he thinks it s time

to stop talking down to children and start listening to them In *The Kingdom of Children* Stollar proposes a liberation theology of the child Stollar begins with a theoretical framework that centers children in our theology and ecclesial life Reframing biblical stories to center children we can see how the binding of Isaac reflects the spiritual effects of child abuse or how children like Miriam can serve as leaders in their communities Using scriptural examples as well as real studies of children s spiritual lives Stollar asserts that children can be priests prophets and theologians in our communities Each chapter concludes with activities and discussion points for introducing the book s concepts to children *The Kingdom of Children* is a must read for youth ministers parents and anyone who works with children By embracing the liberation of children we can avoid stunting their spiritual growth and passing on trauma And when we lift up children truly value and learn from them we build up the kingdom of God here in our communities

Amplifying Our Witness Benjamin T. Conner, 2012-06-11 Nearly twenty percent of adolescents have developmental disabilities yet far too often they are marginalized within churches *Amplifying Our Witness* challenges congregations to adopt a new practice centered approach to congregational ministry one that includes and amplifies the witness of adolescents with developmental disabilities Replete with stories taken from Benjamin Conner s own extensive experience with befriending and discipling adolescents with developmental disabilities *Amplifying Our Witness* Shows how churches exclude the mentally disabled in various structural and even theological ways Stresses the intrinsic value of kids with developmental disabilities Reconceptualizes evangelism to adolescents with developmental disabilities emphasizing hospitality and friendship

Exploring and Engaging Spirituality for Today s Children La Verne Tolbert, 2014-05-19 *Exploring and Engaging Spirituality for Today s Children* A Holistic Approach answers questions about the most effective ways to help children pre teens and teens develop spiritually This collection of research gleaned from presentations during the Fourth Triennial Children s Spirituality Conference at Concordia University in 2012 is divided into four major sections 1 theological and historical foundations 2 engaging parents and congregations 3 engaging methodologies and 4 exploring children at risk child pornography social justice intercultural diversity and abstinence education Researchers acknowledge that the home is the foundation for Christian nurture In *Exploring and Engaging Spirituality for Today s Children* both scholars and ministry leaders come together with parents to promote a holistic environment where children are encouraged to love respect and obey God From birth to high school children s voices resonate throughout these studies as they are invited to share their reflections and experiences *Exploring and Engaging Spirituality for Today s Children* is a lively easy to read collection that reflects a broad range of faith traditions and is ideal for all those who are committed to the spiritual development of children

Children and Childhood in American Religions Don S. Browning, Bonnie J. Miller-McLemore, 2009-02-16 Whether First Communion or bar mitzvah religious traditions play a central role in the lives of many American children In this collection of essays leading scholars reveal for the first time how various religions interpret reconstruct and mediate their traditions to help guide children and their parents in navigating the

opportunities and challenges of American life The book examines ten religions among other topics How the Catholic Church confronts the tension between its teachings about children and actual practice The Oglala Lakota's struggle to preserve their spiritual tradition The impact of modernity on Hinduism Only by discussing the unique challenges faced by all religions and their followers can we take the first step toward a greater understanding for all of us **Faith Formation of the Laity in Catholic Schools** Sister Patricia Helene Earl, 2008-10-01 Two major real world problems prompted this study maintaining the Catholic identity of the Catholic schools and increasing interest in character education Traditionally Catholic schools in the United States were staffed exclusively by priests sisters and brothers Today they are predominately staffed by laypersons This change has influenced the essential religious character and culture of Catholic schools While Religious filter their teachings through their own religious training and emphasize the mission and charisma of Catholic education lay staff often lack the same intensely religious experiences to bring to the teaching learning environment This qualitative interview study explored the influence that a series of spirituality and virtue seminars had on lay teachers' perceptions of the Catholic school and character education **How To Say It (R) To Girls** Nancy Gruver, 2004-10-05 The expert guide to girl talk How to Say It r to Girls provides a wellspring of practical advice for parents on how to broach uncomfortable subjects with girls of all ages or how to simply open the lines of communication This book offers concrete words phrases and sample dialogues to help parents figure out what to say and how best to say it
