Chronology of American Popular Music, 1900-2000 Frank Hoffmann, 2016-05-23 The field of Popular Music Studies is growing but still lacks some basic reference materials The Chronology of American Popular Music 1899 2000 fills this gap by offering a comprehensive overview of the field It will be a must own for libraries and individuals interested in this growing field of research

Pop Goes the Decade Thomas Harrison, 2017-08-24 This fascinating overview of popular culture in the 1980s describes the decade of excess that resulted from the social political and economic conditions of the time documenting why so many milestones in entertainment arts and technology occurred the 80s Popular culture in the United States in the 1980s as reflected in film television music technology and art serves to illustrate the general feeling of American citizens during this decade that the sky was the limit and the only thing better than big was bigger This title provides readers with an engaging in depth study of the 1980s and supplies the larger historical and social context of popular culture in an era when the extraordinary seemed normal and all the rules were being rewritten The book s wide scope includes the concepts fashions

foods sports television movies and music that became popular in the 1980s Readers will see how specific elements of the decade such as visual art and architecture reflect the sense of change in the 1980s often through excessive displays of expression that helped further movements into the avant garde The technological advances entertainment developments and game changers that were essential to establishing the popular culture of the decade are highlighted as is the trend of how personal expression in the 80s began to penetrate a wider segment of American culture spanning across all ages The book also calls attention to the standout events and individuals who influenced society in the 1980s with emphasis on the figures who intentionally used pop culture as an avenue for change as well as the influences from the 1980s that are still felt today

Pop Goes the Decade Ralph G. Giordano, 2017-06-05 Covering significant historical and cultural moments public figures and celebrities art and entertainment and technology that influenced life during the decade this book documents the 1950s through the lens of popular culture On the surface the 1950s was a time of post war prosperity and abundance However in spite of a relaxation of immigration policies the good life in the 50s was mainly confined to white non ethnic Americans A new Cold War with the Soviet Union intended to contain the threat of Communism and the resulting red scare tinged the experience of all U S citizens during the decade This book examines the key trends people and movements of the 1950s and inspects them within a larger cultural and social context By highlighting controversies in the decade readers will gain a better understanding of the social values and thinking of the time The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension between established norms of conformity and those figures that used pop culture as a broad avenue for change either intentionally or by accident

The History of Rock and Roll Stuart A. Kallen, 2012-05-09 Rock and roll Those three words are understood by people in almost every nation on Earth They describe a type of music and an attitude that made history and continues to change the musical landscape Readers will learn that the music style started out in the United States as a new type of dance music for teenage baby boomers during the mid 1950s By the 1960s the music transformed the cultural and political landscape of much of the world Never before in history has a style of music come along that so quickly and so completely changed the world Author Stuart Kallen traces the history of rock and roll from its early 1950s beginnings through its most significant developments to date
