Roma In An Expanding Europe:

Roma in an Expanding Europe Dena Ringold, Mitchell Alexander Orenstein, Erika Wilkens, 2005 Following the enlargement of the European Union in May 2004 Roma or gypsies are now the largest minority group in Europe They are also one of the poorest and most vulnerable groups living mainly in Central and Eastern Europe suffering poverty levels as high as ten times that found within majority populations The lack of information about the living conditions and needs of Roma people compound these stark gaps in human development outcomes This publication prepared for a conference held in Budapest Hungary in June 2003 brings together original sociological research evaluations of programme initiatives and the first comparative cross country household survey on ethnicity and poverty It finds that Roma poverty is multi faceted and can only be addressed by a inclusive policy approach which respects their diversity

Romani Politics in Contemporary Europe N. Sigona, N. Trehan, 2009-11-30 This book examines experiences of Romani political participation in eastern and western Europe providing an understanding of the emerging political space that over 8 million Romani citizens occupy within the EU and addressing issues related to the socio political circumstances of Romani communities within European countries

Realizing Roma Rights Jacqueline Bhabha, Andrzej Mirga, Margareta Matache, 2017-04-03 Realizing Roma Rights investigates the ongoing stigma and anti Roma racism and documents a growing vibrant Roma led political movement engaged in building a more inclusive and just Europe

The Roma Cafe Istvan Pogany, 2004-04-20 The plight of Eastern Europe s Roma is one of the greatest challenges facing the continent Largely hidden this book offers an eye opening poignant and intriguing analysis of the diverse problems facing Central and Eastern Europe s gypsy populations including the largely unacknowledged legacy of the Roma Holocaust Engaging with a broad range of issues including racism stereotyping and political and economic transition in ex Communist states Istvan Pogany challenges the most common preconceptions about the Roma He looks at the specifics of individual Romani lives particularly in Hungary and Romania Highlighting the difficulties that all marginal peoples face Pogany explains how the Roma have been devastated by the economic transition

from Communism to open markets since 1989 Poverty lack of education as well as widespread anti Roma discrimination and inadequate legal protection have left the Roma facing intense hardship since the collapse of welfare states However this book is not just a catalogue of the challenges that the Roma face it is also a celebration of Roma cultures and of the acceptance of difference something that is more important than ever in our multicultural societies *Roma Minority Youth Across Cultural Contexts* Radosveta Dimitrova, David Lackland Sam, Laura Ferrer Wreder, 2021-09-07 This book explores Positive Youth Development PYD in Roma ethnic minority youth Standing apart from current volumes this book focuses on the Roma ethnic minority one of the most marginalized and oppressed minority groups in Europe and on strengths and resources for optimal well being in the community The international and multidisciplinary contributors to this book address the complexities of Roma life in a variety of cultural settings exploring how key developmental processes and person context interactions can contribute to optimal and successful adaptation The conclusions clarify how the PYD of ethnic minority children and youth may be fostered based on the empirical findings reported in the volume The book draws on core theoretical models of PYD and theories of normative development from the perspective of developmental science to highlight the applicability of these frameworks to Roma groups With a special focus on cultural contextual and socio economic characteristics of Roma this project also aims to provide a better understanding of what does and what does not contribute to the success of youth in oppressed minority groups

Attention! Roma on the Road Airi Markkanen, Heini Puurunen, Aino Saarinen, Kyösti Roth, Anca Loredana Enache, Miika Tervonen, Susanna Mehtonen, Cristina Raț, Ari Hirvonen, Kimmo Oksanen, Erkki Tuomioja, 2021-07-01 Kirja on osa romani trilogiaa T m ensimmäinen osa ilmestyi suomeksi 2012 k sittelee It Euroopan romanien tuloa Suomeen ja tutkii EU n vapaan liikkuvuuden direktiivin ja ihmisoikeuksien toteutumista romanien l ht ja tulomaissa Romanipolitiikan vaikutuksia arvioidaan kansainv lisen ja kansallisen politiikan tasolla sek suhteessa katuty t tekevien romanien arkiel m n ja maahanmuuton vaikuttimiin Toinen osa 2020 keskittyy helsinkil iseen solidaariseen aktivismiin kolmas osa tulee antamaan nen muuttajille itselleen The book is part of the Roma Trilogy This first volume published in Finnish in 2012 considers the arrival of Eastern European Roma in Finland and examines the realisation of the EU s free movement directive and human rights in countries of departure and arrival The effects of Roma policies are evaluated on the level of international and national policies as well as in relation to the everyday lives of Roma street workers and the motives behind migration The second volume 2020 focuses on solidarity activism in Helsinki the third volume will give voice to the migrants themselves

Roma Activism Sam Beck, Ana Ivasiuc, 2018-08-24 Exploring contemporary debates and developments in Roma related research and forms of activism this volume argues for taking up reflexivity as practice in these fields and advocates a necessary renewal of research sites methods and epistemologies The contributors gathered here whose professional trajectories often lie at the confluence between activism academia and policy or development interventions are exceptionally well placed to reflect on mainstream practices in all these fields and from their

particular positions envision a reimagining of these practices Roma Migrants in the European Union Can Yıldız, Nicholas De Genova, 2020-05-21 This book situates Roma mobility as a critical vantage point for migration studies in Europe focusing on questions about Europe European ness and EU ropean citizenship through the critical lens of Roma racialisation marginalisation securitisation and criminalisation and the dynamics of Roma mobility within and across the space of Europe Enabled primarily through ethnographic research with diverse Roma communities across the heterogeneous geography of Europe the contributions to this collection are concerned with the larger politics of mobility as a constitutive feature of the socio political formation of the EU Foregrounding the experiences and perspectives of Roma living and working outside of their nation states of origin or ostensible citizenship the book seeks to elucidate wider inequalities and hierarchies at stake in the ongoing re racialisation of both Roma migrants and migrants in general Showcasing political economic legal and socio historical criticism this book will be of interest to those studying race and racialisation in Europe mobility and migration into and within Europe and those studying the mobility of the Roma people in particular This book was originally published as a special issue of the Social Identities journal *Legal Aspects of Ethnic Data Collection and Positive Action* Jozefien Van Caeneghem, 2019-09-05 This book addresses the legal feasibility of ethnic data collection and positive action for equality and anti discrimination purposes and considers how they could be used to promote the Roma minority s inclusion in Europe The book s central aim is to research how a societal problem can be improved upon from a legal perspective The controversy surrounding ethnic data collection and positive action severely limits their use at the national level Accordingly legal and political concerns are analysed and addressed in order to demonstrate that it is possible to collect such data and to implement such measures while fully respecting international and European human rights norms provided that certain conditions are met Part I focuses on ethnic data collection and explores the key rules and principles that govern it the ways in which this equality tool could be used and how potential obstacles might be overcome It also identifies and addresses the specific challenges that arise when collecting ethnic data on the Roma minority in Europe In turn Part II explores positive action and the broad range of measures covered by the concept before analysing the applicable international and European framework It reviews the benefits and challenges of implementing positive action for Roma identifies best practices and gives special consideration to inter cultural mediation in the advancement of Roma inclusion The book concludes with an overview of the main findings on both topics and by identifying three essential elements that must be in place in addition to full respect for the applicable legal rules in order to combat discrimination and achieve the inclusion of Roma in Europe by complementing existing anti discrimination frameworks with the collection of ethnic data and the implementation of positive action schemes Minority Rights Protection in International Law Dr Helen O'Nions, 2012-12-28 There are approximately ten million Roma in Europe making them the continent s largest non territorial minority Despite this fact the Roma continue to experience routine discrimination and marginalization in European countries As a result they are seldom engaged in

national political activism and are frequently at the bottom of the economic and social ladder The severity of exclusion experienced by the Roma in societies which have long paid heed to the notion of individual universal human rights combined with their geographical dispersal and heterogeneous nature makes the study of the Roma highly informative This book examines the theoretical debate concerning the most appropriate way of protecting the fundamental human rights of the Roma which also illuminates ways in which the rights of minority groups can be protected more generally As a result this work will be a valuable resource for social scientists and practitioners in the field of human rights

Contemporary Women's Movements in Hungary Katalin Fábián, 2009-10-14 As the first and only book in any language on contemporary women's movements in Hungary this groundbreaking study focuses on the role of women's activism in a society where women are not yet adequately represented by established parties and political institutions Drawing on eyewitness accounts of meetings and protests as well as first person interviews with leading female activists Katalin Fábián examines the interactions between women's groups in Hungary and studies the unique brand of democracy they have forged in postcommunist Eastern Europe Through her analysis she demonstrates how democratization and globalization with their attendant range of challenges and opportunities have led women to redefine public private divides
