simple houses Otherwise the Aeolians are timeless Their scale is geological rather than historical and the spitting fiery Stromboli is their symbol With an unerring sense of the dramatic Jules Verne chose Stromboli for the climax to his Journey to the Centre of the Earth I have kept the dialogue to a minimum not because talk isn't important to an Aeolian not one I met would read or write rather than talk but because straightforward translations miss the range of modulation and intonation on which a Sicilian prides himself and because any reported conversation with Italians necessarily lacks the accompanying vocabulary and gesture and facial contortion If you haven't listened to a Sicilian argument I can't do it for you If you have you'll never forget it anyway and will easily imagine whatever I omit PHILIP WARD Part of the Oleander Classics series this 1973 title has been reproduced using the highest quality modern scanning technology in order to keep this and other important works from the Press's 50 year history from going out of print In this way the invaluable resources provided by books in the series remain available for general readers academics and other interested parties The Art and Poetry of Ramuz David
