Roman Anniversary Issues

Gaëlle Tallet

Roman Anniversary Issues:

Roman Anniversary Issues ,1950 Roman Anniversary Issues Michael Grant,2016-04-15 Originally published in 1950 this book describes the relationship between important anniversary years and the creation of Roman Imperial coins and medallions The text was written by the renowned British classicist and numismatist Michael Grant 1914 2004 Numerous illustrative figures are included and detailed notes are incorporated throughout *Roman Anniversary Issues* Michael Grant,1977 **Roman Anniversary Issues. An Exploratory Study of the Numismatic and Medallic Commemoration of Anniversary Issues. 49 B. C.-A. D. 375** ,1950 **Roman Anniversary Issues , Paul's Letter to the Romans and Roman Imperialism** Ian E Rock,2017-05-25 Ian E Rock demonstrates that the Letter to the Romans may be seen as an attempt by a subordinate group to redress actual and potential issues of confrontation with the Empire and to offer hope even in the face of death Paul demonstrates that it is God s peace and not Rome s peace that is important that loyalty to the exalted Jesus as Lord and to the kingdom of God not Jupiter and Rome leads to salvation that grace flows from Jesus as Christ and Lord and not from the benefactions of theEmperor If the resurrection of Jesus the crucified criminal of the Roman Empire demonstrates God s power over the universe and death the very instrument of Roman control then the Christ believer is encouraged to face suffering and death in the hope of salvation through this power Paul s theology emerges from and is inextricably bound to the politics of his day the Scriptures of his people and to the critical fact that the God who is One and Lord of all is still in charge of the world **The Journal of Roman Studies** ,1951 Includes Proceedings of the society report of the council lists of members etc *Ancient Coins of the Graeco-Roman World* Waldemar Heckel,Richard Sullivan,2010-10-30 Through the ages coins have been more than a common standard or a means of exchange between peoples for goods and services The development of coinage gave men freedom to move beyond their communities served as a propaganda tool for advancing armies and visually showed people the source of politics which governed their lives Today these same bits of metal these ancient video disks transmit through time information that might otherwise be lost to us This volume comprises a selection of papers given at a conference held at the Nickle Museum of The University of Calgary Alberta by perhaps the most distinguished gathering of numismatists ever to assemble in North America Topics include specific coins of the Graeco Roman world as well as discussions on coinage and propaganda art architecture and archaeology Archaeologists historians coin collectors students of the Classics in fact anyone who is interested in art and life as it existed in ancient times will be captivated by this collection **Julia Augusta** Tracene Harvey,2019-07-05 Julia Augusta examines the socio political impact of coin images of Augustus s wife Livia within the broader context of her image in other visual media and reveals the detailed visual language that was developed for the promotion of Livia as the predominant female in the Roman imperial family The book provides the most comprehensive examination of all extant coins of Livia to date and provides one of the first studies on the images on Roman coins as gender infused designs which created a visual dialogue

regarding Livia's power and gender roles in relation to those of male members of the imperial family. While the appearance of Roman women on coins was not entirely revolutionary, having roughly coincided with the introduction of images of powerful Roman statesmen to coins in the late 40s BCE, the degree to which Livia came to be commemorated on coins in the provinces and in Rome was unprecedented. This volume provides unique insights into the impact of these representations of Livia both on coins and in other visual media. Julia Augusta: Images of Rome's First Empress on the Coins of the Roman Empire will be of great interest to students of women and imperial imagery in the Roman Empire as well as the importance of visual representation and Roman imperial ideology. *Classical Numismatic Auctions XIV*, **Hadrian and the City of Rome** Mary Taliaferro Boatwright, 2021-01-12 How Hadrian left an enduring mark on the architecture and urban topography of ancient Rome. The Pantheon, the Temple of Venus and Roma, Hadrian's Mausoleum transformed into Castel Sant'Angelo and his villa at Tivoli epitomize for many the power and resources of Rome at its zenith. Because other urban changes during Hadrian's principate AD 117-138 left less visible traces, however, few people realize how powerfully he transformed the capital city not only by erecting these and other monumental edifices but also by renovating buildings, even entire districts and by reorganizing the building industry and neighborhood life. Mary Taliaferro Boatwright compiles and assesses the varied evidence for Hadrian's buildings and his administrative changes and evaluates his effect on the capital city in a topographical and historical context. A comprehensive catalogue follows the illustrated text. **Eternal Victory** Michael McCormick, 1990-06-29 The Roman triumph's resurgence is documented from the Tetrarchy through the end of the Macedonian dynasty in Byzantium and to Charlemagne's successors in the early medieval West. **American Journal of Islam and Society (AJIS) - 40th Anniversary Special Issue - Volume 41 Issues 1** Asyraf Wajdi Dusuki, Nurdianawati Irwani Abdullah, Akhmad Akbar Susanto, Emad Hamdeh, Glenn E. Perry, Jasmin Zine, Fadel Abdallah, Sherman A. Jackson, Amber Haque, Rosnani Hashim, For forty years AJIS has been a trusted platform for researchers, scholars and practitioners serving as a conduit for the exchange of ideas, the dissemination of cutting edge research and the cultivation of intellectual dialogue. Many of us found this journal a space for ruminating, discussing and developing our own narratives on our Islamic heritage and what it means in the contemporary world. Especially compared to anti-Islamic biases in other corners of academia, AJIS is a coming home. One constant throughout the past four decades is the journal's commitment to scholarship that documents and explores Islam's rich religious, intellectual, legal, philosophical and social heritages. The assumption is that these various perspectives have meaningful things to say about the human condition and our place in the world. Debate, discussion and disagreement all appear in these pages but always grounded in an underlying steadfastness that Islam is a faith tradition that is not obsolete; that Muslims can contribute positively to humanity's betterment. That said, the journal is not a place of religious homilies. This is an academic journal with a double-blind peer review process. Articles that are published thus pass muster in the discipline in which they conduct their research. Let us thank the authors who have

entrusted us with their groundbreaking research pushing the boundaries of knowledge and enriching our understanding of critical issues in our disciplines Let us thank the journal s editors editorial boards diligent reviewers and committed staff members who have meticulously upheld the journal s reputation for excellence contributing to its sustained success

From Tiberius to the Antonines (Routledge Revivals) Albino Garzetti, 2014-06-17 The first two centuries of the Christian era were largely a period of consolidation for the Roman Empire However the history of the heyday of Roman imperium is far from dull for Augustus successors ranged from capable administrators Tiberius Claudius and Hadrian to near madmen like Caligula and the amateur gladiator Commodus who might have wrecked the system but for its inherent strength Albino Garzetti s classic *From Tiberius to the Antonines* first published in 1960 presents a definitive account of this fascinating period which combines a clear and readable narrative with a thorough discussion of the methodological problems and primary sources Regarding difficult historical questions it can be relied upon for careful and reasonable judgments based on a full mastery of an immense amount of material Nearly three hundred pages of critical notes and a comprehensive bibliography complement the text ensuring its continuing relevance for all students of Roman history

Augustan Culture Karl Galinsky, 1998-02-15 Weaving analysis and narrative throughout an illustrated text the author provides an account of the major ideas of the Augustan age and offers an interpretation of the creative tensions and contradictions that made for its vitality and influence

From Homer to Hatzi-Yavrouda Marianthi Kaplanoglou, George Katsadoros, Birgit Olsen, Christos Zafiropoulos, 2024-12-17 *From Homer to Hatzi Yavrouda Aspects of Oral Narration in the Greek Tradition* provides a multidisciplinary discussion of the concept of orality in the framework of Greek narrative tradition from Antiquity to the 21st century Orality is a prominent concept in contemporary folkloristics philology and other related fields and a basic concept for the study of culture in a historical and critical perspective Its definition has long been debated as has its communicative value and use This volume presents different perspectives and academic fields classics byzantine studies folklore studies comparative literature and discusses topics such as interrelationship with written literature cross cultural and trans historical influences different genres as well as specific narrators and their role in their communities Orality is viewed as a tool for research a body of texts an entity of vernacular practices or as a series of communication strategies The Greek tradition is taken as a point of departure for a diachronic analysis of orality from Homer to the female storyteller Hatzi Yavrouda from Kos It is the hope that the analysis of the Greek case will contribute to discussions about the concept on a larger scale This volume also shows that orality both in its old and new forms is continuously present in modern and post modern discourse and still dominates everyday communication despite our growing dependence on digital and iconic universes

Caesar's Calendar Denis Feeney, 2007-06-04 The ancient Romans changed more than the map of the world when they conquered so much of it they altered the way historical time itself is marked and understood In this brilliant erudite and exhilarating book Denis Feeney investigates time and its contours as described by the ancient Romans first as

Rome positioned itself in relation to Greece and then as it exerted its influence as a major world power Feeney welcomes the reader into a world where time was movable and changeable and where simply ascertaining a date required a complex and often contentious cultural narrative In a style that is lucid fluent and graceful he investigates the pertinent systems including the Roman calendar which is still our calendar and its near perfect method of capturing the progress of natural time the annual rhythm of consular government the plotting of sacred time onto sacred space the forging of chronological links to the past and above all the experience of empire by which the Romans meshed the city state s concept of time with those of the foreigners they encountered to establish a new worldwide web of time Because this web of time was Greek before the Romans transformed it the book is also a remarkable study in the cross cultural interaction between the Greek and Roman worlds Feeney s skillful deployment of specialist material is engaging and accessible and ranges from details of the time schemes used by Greeks and Romans to accommodate the Romans unprecedented rise to world dominance to an edifying discussion of the fixed axis of B C A D or B C E C E and the supposedly objective dates implied He closely examines the most important of the ancient world s time divisions that between myth and history and concludes by demonstrating the impact of the reformed calendar on the way the Romans conceived of time s recurrence Feeney s achievement is nothing less than the reconstruction of the Roman conception of time which has the additional effect of transforming the way the way the reader inhabits and experiences time

La splendeur des dieux: Quatre études iconographiques sur l'hellénisme égyptien (2 vols) Gaëlle Tallet, 2020-12-29 Que viennent faire les rayons solaires du dieu grec Hélios sur le front d'un dieu crocodile égyptien Cette question est au point de départ d'une enquête au cœur de la plasticité du système polythéiste de l'égypte gréco-romaine Parcourant le labyrinthe des diverses communautés et croyances grecques et égyptiennes Gaëlle Tallet utilise le fil d'Ariane de la production des images religieuses réponses de nouveaux besoins et de nouvelles perceptions du divin et ouvre les portes des ateliers où elles ont été conçues commandées et fabriquées La Splendeur des dieux propose une revalorisation du rôle des clerges et des artistes indigènes dans la fabrication d'un hellénisme proprement égyptien qui leur a permis de promouvoir et préserver des traditions millénaires Why are the rays of the Greek god Helios on the forehead of a crocodile-headed Egyptian deity Navigating the maze of Greek and Egyptian communities and creeds Gaëlle Tallet investigates the plasticity of material culture in the polytheistic context of Graeco-Roman Egypt Using the Ariadne's thread of the manufacturing of new images suitable to new needs and new understandings of the divine La Splendeur des dieux opens the doors of the workshops where these images were designed ordered and crafted Tallet offers a full reappraisal of the cultural balance of powers in Graeco-Roman Egypt depicting the indigenous clergies and artists as integrated actors of an Egyptian Hellenicity that helped promote and preserve their millenarian old traditions

Court Ceremonies and Rituals of Power in Byzantium and the Medieval Mediterranean , 2013-09-19 Publicly performed rituals and ceremonies form an essential part of medieval political practice and court culture This applies not only to western feudal societies but also to the linguistically and culturally highly

diversified environment of Byzantium and the Mediterranean basin The continuity of Roman traditions and cross fertilization between various influences originating from Constantinople Armenia the Arab Muslim World and western kingdoms and naval powers provide the framework for a distinct sphere of ritual expression and ceremonial performance This collective volume placing Byzantium into a comparative perspective between East and West examines transformative processes from Late Antiquity to the Middle Ages succession procedures in different political contexts phenomena of cross cultural appropriation and exchange and the representation of rituals in art and literature Contributors are Maria Kantirea Martin Hinterberger Walter Pohl Andrew Marsham Bj rn Weiler Eric J Hanne Antonia Giannouli Jo Van Steenberghe Stefan Burkhardt Ioanna Rapti Jonathan Shepard Panagiotis Agapitos Henry Maguire Christine Angelidi and Margaret Mullett

Vespasian Barbara Levick, 2016-10-04 From a pre eminent biographer in the field this volume examines the life and times of the emperor Vespasian and challenges the validity of his perennial good reputation and universally acknowledged achievements Levick examines how this plebeian and uncharismatic Emperor restored peace and confidence to Rome and ensured a smooth succession how he coped with the military political and economic problems of his reign and his evaluation of the solutions to these problems before she finally examines his posthumous reputation Now updated to take account of the past 15 years of scholarship and with a new chapter on literature under the Flavians *Vespasian* is a fascinating study for students of Roman history and the general classical enthusiast alike

Roman Anniversary Issues Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Roman Anniversary Issues free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Roman Anniversary Issues free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Roman Anniversary Issues free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available.

for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Roman Anniversary Issues. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Roman Anniversary Issues any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Roman Anniversary Issues Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
