Roman Laughter The Comedy Of Plautus:

Roman Laughter Erich Segal, 1987-05-21 We certainly need in English a book devoted to Plautus alone and here we have it Phoenix This reissue of virtually the only book in English devoted to the work of the Roman comedy writer Plautus c 254 184 BC includes a new preface and additional appendices covering the plays *Amphitryon* and *Captivi* **Roman Laughter** Erich Segal, 1968 Mr Segal has performed the by no means trifling task of making Plautus's achievement credible and understandable Times Literary Supplement It is refreshing to find Plautus examined for what he undeniably was a theatrical phenomenon Classical World We certainly need in English a book devoted to Plautus alone and here we have it Phoenix Many readers will do as I have done read *Roman Laughter* with enjoyment and profit Classical Philology Of all the Greek and Roman playwrights Erich Segal writes Titus Maccius Plautus is the least admired and the most imitated In *Roman Laughter* the first book length study of Plautus Segal argues that this neglected writer often denounced by scholars for such crimes as barbarous clownery merits our serious attention precisely because he was the most successful poet of the ancient world He analyzes the reasons behind this success placing the author in his social and historical context and observing that Plautus's wildly comedic flouting of Roman law and custom had a cathartic effect upon a people bound by rule in every aspect of their lives This expanded edition contains a new preface that reconsiders the work of Plautus in light of recent scholarship and also contains essays on the *Amphitryon* and the *Captivi* **Reading Roman Comedy** Alison Sharrock, 2009-09-24 For many years the domain of specialists in early Latin in complex metres and in the reconstruction of texts Roman comedy is now established in the mainstream of Classical literary criticism Where most books stress the original performance as the primary location for the encountering of the plays this book finds the locus of meaning and appreciation in the activity of a reader albeit one whose manner of reading necessarily involves the imaginative reconstruction of performance The texts are treated and celebrated as literary devices with programmatic beginnings middles ends and intertexts All the extant plays of Plautus and Terence have at least a bit part in this book which seeks to expose the authors' fabulous artificiality and artifice while playing along with their differing but interrelated poses of generic humility **Laughter in Ancient Rome** Mary Beard, 2024-03-05 What made the Romans laugh Was ancient Rome a carnival filled with practical jokes and hearty chuckles Or was it a carefully regulated culture in which the uncontrollable excess of laughter was a force to fear a world of wit irony and knowing smiles How did Romans make sense of laughter What role did it play in the world of the law courts the imperial palace or the spectacles of the arena *Laughter in Ancient Rome* explores one of the most intriguing but also trickiest of historical subjects Drawing on a wide range of Roman writing from essays on rhetoric to a surviving Roman joke book Mary Beard tracks down the giggles smirks and guffaws of the ancient Romans themselves From ancient monkey business to the role of a chuckle in a culture of tyranny she explores Roman humor from the hilarious to the momentous to the surprising But she also reflects on even bigger historical questions What kind of history of laughter can we possibly tell Can we ever really

get the Romans jokes *A Cultural History of Comedy in Antiquity* Michael Ewans, 2021-12-30 Drawing together contributions from scholars in a wide range of fields inside Classics and Drama this volume traces the development of comedic performance and examines the different characteristics of Greek and Roman comedy Although the origins of comedy are obscure this study argues that comedic performances were at the heart of Graeco Roman culture from around 486 BCE to the mid first century BCE It explores the range of comedies during this period which were fictional dramas that engaged with the political and social concerns of ancient society and also at times with mythology and tragedy The volume centres largely around the surviving work of Aristophanes and Menander in Athens and Plautus and Terence in Rome but authors whose plays survive only in fragments are also discussed Performances and plays drew on a range of forms including satire and fantasy and were designed to entertain and amuse their audiences while also asking them to question issues of morality privilege and class Each chapter takes a different theme as its focus form theory praxis identities the body politics and power laughter and ethics These eight different approaches to ancient comedy add up to an extensive synoptic coverage of the subject

Laughing at domestica facta Giuseppe Eugenio Rallo, 2024-01-22 In this monograph the author embarks on a captivating journey to shed fresh light on the togata a mid Republican theatrical genre which survives only in fragments The book seeks to answer pressing questions surrounding the togata s significance in identity construction during the middle Republic from a literary and cultural perspective Delving deep into the fragmentary textual remains of the togata the book explores how the Roman

elite fashioned their identity The author challenges the notion of monolithic identity construction and explores the diverse forms of identity within the togata offering a new perspective on the subject This study thus positions the togata as a vital source for discerning the characteristics and beliefs by which the Romans distinguished themselves and their culture from others By examining how Romans perceived themselves their ideas about different social groups and their literary and cultural ties to earlier traditions this book aims to transform our understanding of the togata's role in Roman drama

Paul's Declaration of Freedom from a Freed Slave's Perspective Robin G. Thompson, 2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul's theology of Christian freedom they have not considered how Paul's declaration of freedom would have been received by those who most desired and valued freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slave's perspective She proposes that these freedpersons would likely have perceived this freedom to be not only spiritual freedom but at least in the Christian communities individual freedom as well *A Companion to the Roman Empire* David S. Potter, 2008-04-15 A Companion to the Roman Empire provides readers with a guide both to Roman imperial history and to the field of Roman studies taking account of the most recent discoveries This Companion brings together thirty original essays guiding readers through Roman imperial history and the field of Roman studies Shows that Roman imperial history is a compelling and vibrant subject Includes significant new contributions to various areas of Roman imperial history Covers the social intellectual economic and cultural history of the Roman Empire Contains an extensive bibliography *Perspectives of Roman Poetry* Karl Galinsky, 2014-07-03 Written by leading specialists the essays in Perspectives of Roman Poetry seek to provide a broad range of readers with a good understanding of some essential aspects of major Roman poets and poetic genres The value of the essays is enhanced for comparative purposes by their extensive reference to modern authors such as Shakespeare and Tolkien For the modern reader Latin quotations are accompanied by effective English translations The essays and their authors are as follows The Woman's Role in Latin Love Poetry by Georg Luck Autobiography and Art in Horace by William S. Anderson Some Trees in Virgil and Tolkien by Kenneth J. Reckford The Business of Roman Comedy by Erich Segal Ovid's Metamorphosis of Myth by G. Karl Galinsky The preface and concluding panel discussion illumine the situation of literary criticism in the classics and point out the need for diversity Perspectives of Roman Poetry resulted from a symposium held at the University of Texas at Austin in 1972 These essays offer different and in some cases heterodox interpretations that will serve as a basis for future discussions Comedy in Literature and Popular Culture James V. Morrison, 2024-12-23 Comedy in Literature and Popular Culture From Aristophanes to Saturday Night Live explores works of comedy from the past 2 500 years James V. Morrison discusses works including those of Aristophanes and Plautus Shakespeare and Moliere and modern comic writers performers and cartoonists such as

Thomas Nast P G Wodehouse Charlie Chaplin and Jerry Seinfeld asking the following questions Is comedy a mirror of our lives Is it funny cuz it s true Or is it funny because it ignores reality Should we distinguish between the plot of a comic play and the jokes found in it Are the jokes just there to make us laugh or are the jokes as essential as the plot Do memories of satirical portrayals on the comic stage displace recollections of the historical person By juxtaposing works from different cultures and time periods the book demonstrates a universal recourse to certain familiar techniques situations and characters This vibrant study offers a compelling analysis of comedy as a mode form and genre It is an engaging read for students and scholars of comparative literature literary history media studies and theater and performance Paul, the Fool of Christ L. L. Welborn, 2005-07-19 Welborn argues that Paul s acceptance of the role of a fool and his evaluation of the message of the cross as foolishness are best understood against the background of the popular theatre and the fool s role in the mime Welborn s investigation demonstrates that the term folly moria was generally understood as a designation of the attitude and behaviour of a particular social type the lower class buffoon As a source of amusement these lower class types were widely represented on the stage in the vulgar and realistic comedy known as the mime Paul s acceptance of the role of the fool mirrors the strategy of a number of intellectuals in the early Empire who exploited the paradoxical freedom that the role permitted for the utterance of a dangerous truth Welborn locates Paul s exposition of the folly of the message about the cross in a submerged intellectual tradition that connects Cynic philosophy satire and the mime In this tradition the world is viewed from the perspective of the poor the dishonoured the outsiders The hero of this tradition is the wise fool who in grotesque disguise is allowed to utter critical truths about authority The book demonstrates that Paul participates fully in this tradition in his discourse about the folly of the word of the cross The major components of Paul s argument in 1 Corinthians 1 4 find their closest analogies in the tradition that valorizes Socrates Aesop and the mimic fool JSNTS 293 and ECC The Mind of the Master Class Elizabeth Fox-Genovese, Eugene D. Genovese, 2005-10-17 The Mind of the Master Class tells of America s greatest historical tragedy It presents the slaveholders as men and women a great many of whom were intelligent honorable and pious It asks how people who were admirable in so many ways could have presided over a social system that proved itself an enormity and inflicted horrors on their slaves The South had formidable proslavery intellectuals who participated fully in transatlantic debates and boldly challenged an ascendant capitalist free labor society Blending classical and Christian traditions they forged a moral and political philosophy designed to sustain conservative principles in history political economy social theory and theology while translating them into political action Even those who judge their way of life most harshly have much to learn from their probing moral and political reflections on their times and ours beginning with the virtues and failings of their own society and culture **In Bed with the Romans** Paul Chrystal, 2015-10-15 An entertaining and intriguing account of sex in Rome and the exploits of some of Rome s celebrated exponents of sexual permissiveness and perversion **Shakespeare, Brecht, and the Intercultural Sign** Antony Tatlow, 2001-09-24 Examines

Asian staging of Western canonical theater particularly Shakespeare's plays arguing that intercultural performance questions the settled assumptions we bring to our interpretations of familiar texts **Recognizing Miracles in Antiquity and**

Beyond Maria Gerolemou, 2018-04-23 In recent years scholars have extensively explored the function of the miraculous and wondrous in ancient narratives mostly pondering on how ancient authors view wondrous accounts i.e. the treatment of the descriptions of wondrous occurrences as true events or their use More precisely these narratives investigate whether the wondrous pursues a display of erudition or merely provides stylistic variety sometimes such narratives even represent the wish of the author to grant a rational explanation to extraordinary actions At present however two aspects of the topic have not been fully examined a) the ability of the wondrous/miraculous to set cognitive mechanisms in motion and b) the power of the wondrous/miraculous to contribute to the construction of an authorial identity that of kings/gods or narrators To this extent the volume approaches miracles and wonders as counter-intuitive phenomena beyond cognitive grasp which challenge the authenticity of human experience and knowledge and push forward the frontiers of intellectual and aesthetic experience Some of the articles of the volume examine miracles on the basis of bewilderment that could lead to new factual knowledge the supernatural is here registered as something natural although strange the rest of the articles treat miracles as an endpoint where human knowledge stops and the unknown/divine begins here the supernatural is confirmed Thence questions like whether the experience of a miracle or wonder as a counter-intuitive phenomenon could be part of long-term memory i.e. if miracles could be transformed into solid knowledge and what mental functions are encompassed in this process are central in the discussion Comedy in the Pro Caelio Katherine A. Geffcken, 2018-06-22 **Paedeia through laughter** Alik

Lafkidou Dick, 2015-07-24 No detailed description available for Paedeia through laughter **Nature of Roman Comedy** George E. Duckworth, 2015-03-08 This book provides the most complete and definitive study of Roman comedy Originally published in 1952 The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Philosophy of Education** Joseph James Chambliss, 1996 First Published in 1996 Routledge is an imprint of Taylor & Francis an informa company
