**Géza Alföldy**

## **Roman Social History:**

Roman Social History Tim Parkin, Arthur Pomeroy, 2007-10-17 This Sourcebook contains a comprehensive collection of sources on the topic of the social history of the Roman world during the late Republic and the first two centuries AD Designed to form the basis for courses in Roman social history this excellent resource covers original translations from sources such as inscriptions papyri and legal texts Topics include social inequality and class games gladiators and attitudes to violence the role of slaves in Roman society economy and taxation the Roman legal system the Roman family and gender roles Including extensive explanatory notes maps and bibliographies this Sourcebook is the ideal resource for all students and teachers embarking on a course in Roman social history

**Roman Social History** Susan Treggiari, 2002-09-10 This lively and original guidebook is the first to show students new to the subject exactly what Roman social history involves and how they can study it for themselves After presenting a short history of the development and current position of the discipline the author discusses the kinds of evidence that can be used and the full range of resources available Two case studies provide practical examples of how to approach sources and what we can learn from them Clear concise and accessible with all text extracts translated into English this is the ideal introduction to an increasingly popular subject

The Social History of Rome Géza Alföldy, 1985 This book treats such topics as the structure of archaic Roman society social changes from the beginning of Roman expansion to the Second Punic War slave uprisings and other conflicts in the society of the Late Republic the social system of the early Empire the crisis of the Roman Empire and late Roman society to the fall of the Empire

*Roman Social History* Lecturer in Classical Studies Janet Huskinson, TIM PARKIN, Arthur Pomeroy, 2007-12-11 This Sourcebook contains a comprehensive collection of sources on the topic of the social history of the Roman world during the late Republic and the first two centuries AD Designed to form the basis for courses in Roman social history this excellent resource covers original translations from sources such as inscriptions papyri and legal texts Topics include social inequality and class games gladiators and attitudes to violence the role of slaves in Roman society economy and taxation the Roman legal system the Roman family and gender roles Including extensive explanatory notes maps and bibliographies this Sourcebook is the ideal resource for all students and teachers embarking on a course in Roman social history

**Roman Social History** Tim G. Parkin, Arthur John Pomeroy, 2007 Contains a collection of sources on the topic of the social history of the Roman world during the late Republic and the first two centuries AD This work covers topics such as social inequality and class games gladiators and attitudes to violence the role of slaves in Roman society economy and taxation and the Roman family and gender roles

*The Social History of Rome (Routledge Revivals)* Dr Geza Alföldy, 2014-10-14 This study first published in German in 1975 addresses the need for a comprehensive account of Roman social history in a single volume Specifically Alföldy attempts to answer three questions What is the meaning of Roman social history What is entailed in Roman social history How is it to be conceived as history Alföldy's approach brings social structure

much closer to political development following the changes in social institutions in parallel with the broader political milieu. He deals with specific problems in seven periods: Archaic Rome, the Republic down to the Second Punic War, the structural change of the second century BC, the end of the Republic, the Early Empire, the crisis of the third century AD, and the Late Empire. Excellent bibliographical notes specify the most important works on each subject, making it useful to the graduate student and scholar as well as to the advanced and well-informed undergraduate.

The Social History of Roman Art Peter Stewart, 2008-05-29. An introduction to the study of ancient Roman art in its social context.

*Discovering the Roman Family* K. R. Bradley, 1991. These essays on various aspects of family life in ancient Rome offer an especially timely and provocative new characterization of how this most elementary component of Roman society was structured. Recognizing that a traditional nuclear model is necessary for a basic understanding of Roman family organization, Keith R. Bradley argues that a broader, more extensive context must be established if this structure is to be fully appreciated. Examining the roles of slaves, servants, and other surrogates in the upbringing and socialization of children, and concentrating on the parts played by wet nurses and male childminders, his book molds an entirely new framework for the study of the Roman family. He investigates the extent of serial marriage, especially among the upper classes, and the effects of the widespread familial dislocation that resulted, and for the first time considers the prevalence of child labor in the Roman world, contrasting the experiences of upper-class and lower-class children. Bringing these themes together in a lively final section through a fresh, thorough examination of Cicero's correspondence, Bradley portrays the life of an actual Roman family. A seminal contribution to Roman social history, this book is essential reading for anyone interested in how the family worked and lived in classical times.

Roman Social History PARKIN & POMEROY, 2009-01-01.

*As the Romans Did* Jo-Ann Shelton, Pauline Ripat, 2022-08. *As the Romans Did* offers a rich, revealing look at everyday Roman life. It provides clear, lively translations of a fascinating array of documents drawn from Latin and Greek source material: from personal letters, farming manuals, medical texts, and recipes to poetry, graffiti, and tombstone inscriptions. Each selection has been translated into readable, contemporary English. Extensive annotations, abundant biographical notes, maps, appendices, cross-references to related topics, and a newly updated bibliography provide readers with the historical and cultural background material necessary to appreciate the selections. Arranged thematically into chapters on family life, housing, education, entertainment, religion, and other important topics, the translations reveal the ambitions and aspirations not only of the upper class but of the average Roman citizen as well. They tell of the success and failure of Rome's grandiose imperialist policies and also of the pleasures and hardships of everyday life. Wide-ranging and lively, the second edition of *As the Romans Did* offers the most lucid account available of Roman life in all its diversity.

Discovering the Roman Family K. R. Bradley, 1991. These essays on various aspects of family life in ancient Rome offer an especially timely and provocative new characterization of how this most elementary component of Roman society was structured. Recognizing that a traditional nuclear model is necessary for a basic understanding of Roman family organization,

Keith R Bradley argues that a broader more extensive context must be established if this structure is to be fully appreciated. Examining the roles of slaves, servants and other surrogates in the upbringing and socialization of children and concentrating on the parts played by wet nurses and male childerminders, his book molds an entirely new framework for the study of the Roman family. He investigates the extent of serial marriage especially among the upper classes and the effects of the widespread familial dislocation that resulted and for the first time considers the prevalence of child labor in the Roman world, contrasting the experiences of upper class and lower class children. Bringing these themes together in a lively final section through a fresh thorough examination of Cicero's correspondence, Bradley portrays the life of an actual Roman family. A seminal contribution to Roman social history, this book is essential reading for anyone interested in how the family worked and lived in classical times.

*The Social History of Rome (Routledge Revivals)* Geza Alföldy, 2015-11-12. This study first published in German in 1975, addresses the need for a comprehensive account of Roman social history in a single volume. Specifically, Alföldy attempts to answer three questions: What is the meaning of Roman social history? What is entailed in Roman social history? How is it to be conceived as history? Alföldy's approach brings social structure much closer to political development, following the changes in social institutions in parallel with the broader political milieu. He deals with specific problems in seven periods: Archaic Rome, the Republic down to the Second Punic War, the structural change of the second century BC, the end of the Republic, the Early Empire, the crisis of the third century AD, and the Late Empire. Excellent bibliographical notes specify the most important works on each subject, making it useful to the graduate student and scholar as well as to the advanced and well-informed undergraduate.

*Inventing Ancient Culture* Mark Golden, Peter Toohey, 1997. First published in 1996, Routledge is an imprint of Taylor & Francis, an informal company.

Roman Society Henry Charles Boren, 1977.

**A Social History of Greece and Rome** Michael Grant, 1992. Drawing on recent techniques practiced in archaeology and anthropology, Michael Grant reveals the ancient Greece and Rome of the common people: men and women, citizens as well as slaves and freedmen, and women, and adds a human dimension to more standard accounts of political and military events. Grant blows the dust off our timeworn images. *Publishers Weekly*.

**Childhood, Class and Kin in the Roman World** Suzanne Dixon, 2005-08-19. An international collection of experts go beyond the usual canon of literary texts and assess a vast range of evidence: inscriptions, burial data, domestic architecture, sculpture, and the law.

Materialising Roman Histories Astrid Van Oyen, Martin Pitts, 2017-09-30. The Roman period witnessed massive changes in the human material environment, from monumentalised cityscapes to standardised low value artefacts like pottery. This book explores new perspectives to understand this Roman object boom and its impact on Roman history. In particular, the book's international contributors question the traditional dominance of representation in Roman archaeology, whereby objects have come to stand for social phenomena such as status, facets of group identity, or notions like Romanisation and economic growth. Drawing upon the recent material turn in anthropology and related disciplines, the essays in this volume examine what it

means to materialise Roman history focusing on the question of what objects do in history rather than what they represent In challenging the dominance of representation and exploring themes such as the impact of standardisation and the role of material agency *Materialising Roman History* is essential reading for anyone studying material culture from the Roman world and beyond *The Roman Household* Jane F. Gardner, Thomas Wiedemann, 2013-01-11 With the help of a wide variety of source material particularly legal documents and inscriptions some of it made available for the first time in English this book illustrates the activities associated with the household demonstrating the different and frequently conflicting roles and moral values expected from its various members male and female old and young freedman and slave **Histories of the**

**Unexpected: The Romans** Sam Willis, James Daybell, 2019-11-07 *Histories of the Unexpected* not only presents a new way of thinking about the past but also reveals the world around us as never before Traditionally the Romans have been understood in a straightforward way but the period really comes alive if you take an unexpected approach to its history Yes emperors the development of civilisation and armies all have a fascinating history but so too do tattoos collecting fattening recycling walking poison fish inkwells and wicked stepmothers Each of these subjects is equally fascinating in its own right and each sheds new light on the traditional subjects and themes that we think we know so well **The City in the Roman Empire** Daniel Mackley, 2016-12-15 The Roman Empire was more than just the city of Rome Cities throughout the empire boasted paved roads apartment complexes and public baths *The City in the Roman Empire* presents the distinct experiences of men women and children who lived urban lifestyles in the ancient empire This book examines the pros and cons of city living including opinions of Romans themselves

## Reviewing **Roman Social History**: Unlocking the Spellbinding Force of Linguistics
