Roman Legends A Collection Of The Fables And Folk:

Roman Legends: A Collection of the Fables and Folk-lore of Rome R. H. Busk, 2020-09-28 At another time one would have to spend hours in listening to detached incidents altogether lacking a thread to connect them or stories of which the point had been so completely lost that they could only have been made available by means of a reconstruction too integral to be honestly attempted As e g Oh yes I know a story of an enchantress who had a gown which made her invisible and a pair of boots which would carry her a thousand miles without walking but I quite forget what she did with them Or else it might be I knew a story of a king whose wife had been fatata subjected to magic influence and maligned by her mother in law while the king was gone to the wars but that s all I remember except that in the end the queen was rehabilitated and the mother in law punished incidents of stories recurring in every collection but tantalisingly lacking all means of further particular identification with any Sometimes too it would be only a title that could be recalled and nothing more as in the case of a certain Uccello Biverde which I have been several times assured is a most beautiful story but I have never yet succeeded in meeting with any one who could supply the narrative I have further felt called sometimes to exercise a difficult forbearance in withholding some specimens which at first promised to afford singular instances of interchanged episodes but which there afterwards appeared reason to conclude were merely jumbled in the bad memory of the narrator and had therefore no individual interest but were rather calculated to mislead One of my worst disappointments was the case of a very old woman who I am assured knows more of such things than anyone in the world but whom nothing can induce to repeat them now She has grown so toothless and tremulous and inconsecutive that it is not easy to understand her but I think her arguments are not difficult to appreciate in the following way that having had a long run of weary bad fortune she had rather not dwell on stories where things turned out as one could wish to have them She wants to go to heaven she says and so she believes in God and whatever else she must believe but for anything more for special interpositions of Providence and anything one is not obliged to believe she had rather say nothing about all that But don t tell them then as if you believed them tell them only as a pastime just to oblige me I thought I had moved her but the utmost she would yield was to promise to think about it before I came again and when I came again she was as rigid as ever It is vexatious to think that a vast store is going to the grave with her under one s very eyes and that one cannot touch it

Roman Legends Rachel Harriette Busk, 2025-03-29 Delve into the rich tapestry of Roman storytelling with **Roman Legends A collection of the fables and folk lore of Rome** by R H Busk This meticulously prepared print edition brings together a fascinating collection of Italian legends myths and fables offering a window into the heart of ancient Rome Explore the folklore that shaped a civilization revealing its beliefs values and enduring spirit From the founding of the city to the tales whispered through generations this volume preserves the captivating stories that have resonated for centuries Discover the characters and narratives that embody the essence of Rome providing insight into its history and cultural heritage **Roman Legends** is an essential resource for anyone

Household stories

from the Land of Hofer; or, Popular Myths of Tirol Rachel Harriette Busk, 2019-12-10 In Household Stories from the Land of Hofer or Popular Myths of Tirol Rachel Harriette Busk compiles an enchanting collection of folktales and myths that reflect the rich cultural heritage of Tyrol. The book is characterized by a folkloric narrative style weaving together elements of oral tradition and local lore which provides readers with an immersive glimpse into the lives and values of the Tyrolean people. Through these captivating stories Busk not only documents the enchanting aspects of Tyrolean life but also imbues them with a deeper social and moral significance illuminating the communities experiences in the context of 19th century European folklore scholarship. Rachel Harriette Busk an English author and folklorist was deeply influenced by her travels and her keen interest in the oral traditions of various cultures. Her profound understanding of folk narratives is evident in this work as she expertly captures the spirit of the region while preserving the cultural authenticity of the stories told. Busk's background in literature and her passion for ethnology drove her to explore and document these tales ultimately bridging the gap between academic inquiry and cultural preservation. This remarkable anthology is highly recommended for readers interested in folklore mythology and cultural studies as it offers a unique perspective on the oral traditions of Tyrol. Busk's work not only reinforces the importance of preserving regional stories but also serves as an insightful lens through which contemporary readers can engage with the past ensuring that these rich narratives continue to resonate through time **Bulletin** Salem Public Library, 1895 **The Queen of the Air: Being a Study of the Greek Myths of Cloud and Storm** John

Ruskin, 2019-12-02 In The Queen of the Air Being a Study of the Greek Myths of Cloud and Storm John Ruskin meticulously examines the rich tapestry of Greek mythology centering on the elemental forces of nature clouds and storms as manifestations of divine presence. Utilizing a unique blend of lyrical prose and insightful critique Ruskin navigates the intersections of literature art and philosophy drawing connections between ancient narratives and contemporary environmental attitudes. His exploration spans the symbolic meanings of weather phenomena illustrating how they reflect human emotion and spirituality in a Victorian context marked by industrial advancement and the growing detachment from nature. John Ruskin a prominent Victorian art critic social thinker and reformer was deeply influenced by the Romantic movement's reverence for nature. His extensive studies in art and architecture coupled with an acute awareness of societal issues propelled him to explore the myths that shaped the cultural understanding of natural phenomena. Ruskin's personal engagement with nature as well as his dismay over its degradation impelled him to write this work emphasizing a need for renewed connection to the natural world. The Queen of the Air is not only a significant literary accomplishment but also an

essential read for anyone interested in the relationship between mythology and environmental consciousness Ruskin's illuminating insights challenge readers to reflect upon the narratives we construct around nature making this book an indispensable contribution to both literary and ecological discourse *Patrañas; or, Spanish Stories, Legendary and Traditional* Rachel Harriette Busk, 2023-10-24 Rachel Harriette Busk's *Patrañas or Spanish Stories, Legendary and Traditional* is a captivating collection of Spanish folk tales filled with mythical creatures, legendary figures, and timeless moral lessons. Replete with vivid descriptions and engaging narratives, Busk's work offers a glimpse into the rich cultural tapestry of Spain. Written in a style that effortlessly weaves together history, folklore, and imagination, this book is a literary gem that transports readers to a world of magic and wonder. Rachel Harriette Busk, a respected folklorist and translator, was known for her deep appreciation of traditional stories from various cultures. Her passion for preserving and sharing these tales shines through in *Patrañas*, showcasing her expertise in translating and retelling Spanish folklore. Busk's dedication to folklore studies and her keen eye for detail make this collection a must-read for anyone interested in the enchanting world of Spanish mythology. I highly recommend *Patrañas or Spanish Stories, Legendary and Traditional* to readers who enjoy exploring folklore, mythology, and the cultural heritage of Spain. Busk's masterful storytelling and insightful commentary make this book a valuable addition to any library, offering a glimpse into the captivating world of Spanish legends and traditions.
